14	SECTION 5. IC 4-10-21 IS ADDED TO THE INDIANA CODE AS
15	A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JULY
16	1, 2002]:
17	Chapter 21. Business Cycle State Spending Controls
18	Sec. 1. As used in this chapter, "state spending cap" refers to the
19	state spending cap determined under section 2 of this chapter.
20	Sec. 2. (a) For the state fiscal year beginning July 1, 2003, and
21	ending June 30, 2004, the state spending cap is equal to the result
22	determined under STEP THREE of the following formula:
23	STEP ONE: Determine the sum of the total of the
24	appropriations made from the state general fund and the
25	property tax replacement fund (including continuing
26	appropriations) for the state fiscal year beginning July 1,
27	2001, and ending June 30, 2002.
28	STEP TWO: Subtract from the STEP ONE result the amount
29	that:
30	(A) was appropriated for the state fiscal year beginning
31	July 1, 2001, and ending June 30, 2002, from the state
32	general fund or the property tax replacement fund; and
33	(B) reverted to the state general fund or the property tax
34	replacement fund without expenditure before July 1, 2002;
35	including continuing appropriations other than continuing
36	capital expenditure appropriations that were enacted before
37	2001.
38	STEP THREE: Multiply the STEP TWO result by one and
39	three-hundredths (1.03).
40	(b) For the state fiscal year beginning July 1, 2004, and ending
41	June 30, 2005, the state spending cap is equal to the product of the
42	result determined under subsection (a) multiplied by one and

1	three-hundredths (1.03).
2	(c) The state spending cap for a state fiscal year beginning after
3	June 30, 2005, is equal to the product of the state spending growth
4	quotient for the state fiscal year determined under section 3 of this
5	chapter multiplied by the state spending cap for the immediately
6	preceding state fiscal year.
7	(d) The state spending cap imposed under this section is
8	increased in the initial state fiscal year in which the state receives
9	additional revenue for deposit in the state general fund or property
10	tax replacement fund as a result of the enactment of a law that:
11	(1) establishes a new tax or fee after June 30, 2002;
12	(2) increases the rate of a previously enacted tax or fee after
13	June 30, 2002; or
14	(3) reduces or eliminates an exemption, a deduction, or a
15	credit against a previously enacted tax or fee after June 30,
16	2002.
17	The amount of the increase is equal to the average revenue that the
18	budget agency estimates will be raised by the legislative action in
19	the initial two (2) full state fiscal years in which the legislative
20	change is in effect.
21	(e) The state spending cap imposed under this section is
22	decreased in the initial state fiscal year in which the state is
23	affected by a decrease in revenue deposited in the state general
24	fund or property tax replacement fund as the result of the
25	enactment of a law that:
26	(1) eliminates a tax or fee after June 30, 2002;
27	(2) eliminates any part of a tax rate or fee after June 30, 2002;
28	or
29	(3) establishes or increases an exemption, a deduction, or a
30	credit against a tax or fee after June 30, 2002.
31	The amount of the decrease is equal to the average revenue that the
32	budget agency estimates will be lost as a result of the legislative
33	action in the initial two (2) full state fiscal years in which the
34	legislative change is in effect.
35	Sec. 3. The budget agency shall compute a new state spending
36	growth quotient under this section before December 31 in 2004 and
37	each even-numbered year thereafter. The state spending growth
38	quotient determined under this section applies to each of the state
39	fiscal years in the immediately following biennial budget period.
40	The state spending growth quotient to be used in the biennial
41	budget period is the amount determined under STEP FOUR of the

41 42

following formula:

1	STEP ONE: For each of the six (6) calendar years
2	immediately preceding the beginning of the first state fiscal
3	year in a biennial budget period, divide the Indiana nonfarm
4	personal income for the calendar year by the Indiana
5	nonfarm personal income for the calendar year immediately
6	preceding that calendar year.
7	STEP TWO: Determine the sum of the STEP ONE results.
8	STEP THREE: Divide the STEP TWO result by six (6).
9	STEP FOUR: Determine the lesser of the following:
10	(A) The STEP THREE quotient.
11	(B) One and six-hundredths (1.06).
12	Sec. 4. For purposes of section 3 of this chapter, Indiana
13	nonfarm personal income is the estimate of total nonfarm personal
14	income for Indiana in a calendar year as computed by the federal
15	Bureau of Economic Analysis before December 31 immediately
16	preceding the beginning of the first state fiscal year in a biennial
17	budget period, using any:
18	(1) actual data available for the calendar year; and
19	(2) estimated data for the calendar year whenever actual data
20	is not available.
21	Sec. 5. (a) The maximum total amount that may be expended in
22	a state fiscal year from the state general fund, the property tax
23	replacement fund, and the counter-cyclical revenue and economic
24	stabilization fund is the least of the following:
25	(1) Subject to sections 6 and 7 of this chapter, the state
26	spending cap for the state fiscal year.
27	(2) The amount appropriated by the general assembly from
28	the state general fund, the property tax replacement fund, and
29	the counter-cyclical revenue and economic stabilization fund.
30	(3) The amount of money available in the state general fund,
31	the property tax replacement fund, and the counter-cyclical
32	revenue and economic stabilization fund to pay expenditures.
33	(b) Subject to sections 6 and 7 of this chapter, if the state
34	spending cap for the state fiscal year is less than the amount
35	appropriated by the general assembly in the state fiscal year from
36	the state general fund, the property tax replacement fund, and the
37	counter-cyclical revenue and economic stabilization fund, the
38	budget agency shall reduce the amounts available for expenditure
39	from the state general fund, the property tax replacement fund,
40	and the counter-cyclical revenue and economic stabilization fund
41	in the state fiscal year by using the procedures in IC 4-13-2-18.

Sec. 6. The following expenditures that would otherwise be

1	subject to this chapter shall be excluded from all computations and
2	determinations related to a state spending cap:
3	(1) Expenditures derived from money deposited in the state
4	general fund, the property tax replacement fund, and the
5	counter-cyclical revenue and economic stabilization fund
6	from any of the following:
7	(A) Gifts.
8	(B) Federal funds.
9	(C) Dedicated funds.
10	(D) Intergovernmental transfers.
11	(E) Damage awards.
12	(F) Property sales.
13	(2) Expenditures for any of the following:
14	(A) Transfers of money among the state general fund, the
15	property tax replacement fund, and the counter-cyclical

18	(C) Refunds of intergovernmental transfers.
19	(D) State capital projects.
20	(E) Payment of judgments against the state and settlement
21	payments made to avoid a judgment against the state,
22	other than a judgment or settlement payment for failure to
23	pay a contractual obligation or a personnel expenditure.
24	(F) Distributions or allocations of state tax revenues to a
25	unit of local government under IC 36-7-13, IC 36-7-26,
26	IC 36-7-27, IC 36-7-31, or IC 36-7-31.3.
27	(G) Motor vehicle excise tax replacement payments that
28	are derived from amounts transferred to the state general
29	fund from the lottery and gaming surplus account of the
30	build Indiana fund.
31	(H) Distributions of state tax revenues collected under
32	IC 7.1 that are payable to cities and towns.
33	Sec. 7. (a) An appropriation otherwise subject to the state
34	spending cap limitation imposed by section 5 of this chapter shall
35	be treated as exempt from the state spending cap limitation only if
36	the general assembly specifically exempts the appropriation from
37	the state spending cap in clear and unambiguous language
38	contained in the bill making the appropriation.
39	(b) The following language shall be treated as meeting the
40	requirements of subsection (a):
41	"The general assembly waives the state spending cap
42	limitation imposed by IC 4-10-21-5 for the state fiscal year

(a) Within forty-five (45) days following the adjournment of the regular session of the general assembly, the budget agency shall examine the acts of such general assembly and, with the aid of its own records and those of the budget committee, shall prepare a complete list of all appropriations made by law for the budget period beginning on July 1 following such regular session, or so made for such other period as is provided in the appropriation. While such list is being made by it the budget agency shall review and analyze the fiscal status and affairs of the state as affected by such appropriations. A written report thereof shall be made and signed by the budget director and shall be transmitted to the governor and the auditor of state and shall be mailed to each member of such general assembly.

(b) Not later than the first day of June of each calendar year, the budget agency shall prepare a list of all appropriations made by law for expenditure or encumbrance during the fiscal year beginning on the first day of July of that calendar year. At the same time, the budget agency shall establish the amount of a reserve from the general fund

surplus which such agency estimates will be necessary and required to provide funds with which to pay the distribution to local school units required by law to be made so early in such fiscal year that revenues received in such year prior to the distribution will not be sufficient to cover such distribution. Not later than the first day of June following adjournment of such regular session of the general assembly the amounts of the appropriations for such fiscal year and the amount of such reserve, shall be written and transmitted formally to the auditor of state who then shall establish the amounts of such appropriations and the amount of such reserve, in the records of the auditor's office as fixed in such communication of the budget agency.

- (c) Within sixty (60) days following the adjournment of any special session of the general assembly, or within such shorter period as the circumstances may require, the budget agency shall prepare for and transmit to the governor and members of the general assembly and the auditor of state, like information, list of sums appropriated, and if required, an estimate for a reserve from the general fund surplus for distribution to local school units, all as is done upon the adjournment of a regular session, pursuant to subsections (a) and (b) of this section to the extent the same are applicable.
- (d) The budget agency shall administer the allotment system provided in IC 4-13-2-18.

No transfer may be made as in this subsection authorized unless upon the request of and with the consent of the agency of state whose appropriations are involved. Except to the extent otherwise specifically provided, every appropriation made and hereafter made and provided, for any specific use or purpose of an agency of the state is and shall be construed to be an appropriation to the agency, for all other necessary and lawful uses and purposes of the agency, subject to the aforesaid request and consent of the agency and concurrence of the budget agency.

No transfer shall be made from any such appropriation to the regular appropriation of an agency of the state except upon an order of the budget agency made pursuant to the authority vested in it hereby or otherwise vested in it by law.

22	for the deduction established by this section.
23	(e) The department of local government finance shall
24	incorporate the deduction established by this section in the
25	personal property return form to be used each year for filing under
26	IC 6-1.1-3-7 or IC 6-1.1-3-7.5 to permit the taxpayer to enter the
27	deduction on the form. If a taxpayer fails to enter the deduction on
28	the form, the township assessor shall:
29	(1) determine the amount of the deduction; and
30	(2) within the period established in IC 6-1.1-16-1, issue a
31	notice of assessment to the taxpayer that reflects the
32	application of the deduction to the inventory assessment.
33	(f) The deduction established by this section must be applied to
34	any inventory assessment made by:
35	(1) an assessing official;
36	(2) a county property tax assessment board of appeals; or
37	(3) the department of local government finance.
38	SECTION 20. IC 6-1.1-18.5-2, AS AMENDED BY P.L.198-2001,
39	SECTION 52, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
40	JULY 1, 2002]: Sec. 2. (a) This subsection applies to a calendar year
41	ending before January 1, 2006. As used in this section, "Indiana
42	nonfarm personal income" means the estimate of total nonfarm

I	personal income for Indiana in a calendar year as computed by the
2	federal Bureau of Economic Analysis using any actual data for the
3	calendar year and any estimated data determined appropriate by
4	the federal Bureau of Economic Analysis.
5	(b) For purposes of determining a civil taxing unit's maximum
6	permissible ad valorem property tax levy for an ensuing calendar year,
7	the civil taxing unit shall use the assessed value growth quotient
8	determined in the last STEP of the following STEPS:
9	STEP ONE: Determine the three (3) calendar years that most
10	immediately precede the ensuing calendar year and in which a
11	statewide general reassessment of real property does not first
12	become effective.
13	STEP TWO: Compute separately, for each of the calendar years
14	determined in STEP ONE, the quotient (rounded to the nearest
15	ten-thousandth) of the civil taxing unit's total assessed value of all
16	taxable property in the particular calendar year, divided by the
17	civil taxing unit's total assessed value of all taxable property in the
18	calendar year immediately preceding the particular calendar year.
19	STEP THREE: Divide the sum of the three (3) quotients
20	computed in STEP TWO by three (3).
21	STEP FOUR: Determine the greater of the result computed in
22	STEP THREE or one and five-hundredths (1.05).
23	STEP FIVE: Determine the lesser of the result computed in STEP
24	FOUR or one and one-tenth (1.1).
25	(b) This subsection applies to a calendar year beginning after
26	December 31, 2005. For purposes of determining a civil taxing unit's
27	maximum permissible ad valorem property tax levy for an ensuing
28	calendar year, the civil taxing unit shall use the assessed value growth
29	quotient determined in the last STEP of the following STEPS:
30	STEP ONE: Determine the three (3) calendar years that most
31	immediately precede the ensuing calendar year and in which a
32	statewide general reassessment of real property does not first
33	become effective.
34	STEP TWO: Compute separately, for each of the calendar years
35	determined in STEP ONE, the quotient (rounded to the nearest
36	ten-thousandth) of the civil taxing unit's total unadjusted assessed
37	value of all taxable property in the particular calendar year,
38	divided by the civil taxing unit's total unadjusted assessed value
39	of all taxable property in the calendar year immediately preceding
40	the particular calendar year.
41	STEP THREE: Divide the sum of the three (3) quotients

42

computed in STEP TWO by three (3).

STEP FOUR: Determine the greater of the result computed in STEP THREE or one and five-hundredths (1.05).

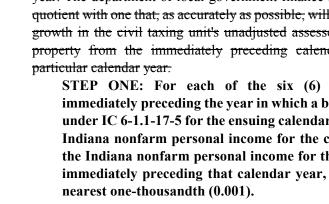

STEP FIVE: Determine the lesser of the result computed in STEP FOUR or one and one-tenth (1.1).

(c) This subsection applies to a calendar year ending before January 1, 2006. If the assessed values of taxable property used in determining a civil taxing unit's property taxes that are first due and payable in a particular calendar year are significantly increased over the assessed values used for the immediately preceding calendar year's property taxes due to the settlement of litigation concerning the general reassessment of that civil taxing unit's real property, then for purposes of determining that civil taxing unit's assessed value growth quotient for an ensuing calendar year, the department of local government finance shall replace the quotient described in STEP TWO of subsection (a) for that particular calendar year. The department of local government finance shall replace that quotient with one that as accurately as possible will reflect the actual growth in the civil taxing unit's assessed values of real property from the immediately preceding calendar year to that particular calendar year.

(d) This subsection applies to a calendar year beginning after December 31, 2005. If the unadjusted assessed values of taxable property used in determining a civil taxing unit's property taxes that are first due and payable in a particular calendar year are significantly increased over the unadjusted assessed values used for the immediately preceding calendar year's property taxes due to the settlement of litigation concerning the general reassessment of that eivil taxing unit's real property, then for purposes of determining that civil taxing unit's assessed value growth quotient for an ensuing calendar year, the department of local government finance shall replace the quotient described in STEP TWO of subsection (b) for that particular calendar year. The department of local government finance shall replace that quotient with one that, as accurately as possible, will reflect the actual growth in the civil taxing unit's unadjusted assessed values of real property from the immediately preceding calendar year to that particular calendar year.

STEP ONE: For each of the six (6) calendar years immediately preceding the year in which a budget is adopted under IC 6-1.1-17-5 for the ensuing calendar year, divide the Indiana nonfarm personal income for the calendar year by the Indiana nonfarm personal income for the calendar year immediately preceding that calendar year, rounding to the

1	STEP TWO: Determine the sum of the STEP ONE results.
2	STEP THREE: Divide the STEP TWO result by six (6),
3	rounding to the nearest one-thousandth (0.001) .

6	(B) One and six-hundredths (1.06).
7	SECTION 21. IC 6-1.1-18.5-3, AS AMENDED BY P.L.1-2002,
8	SECTION 21, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
9	JULY 1, 2002]: Sec. 3. (a) Except as otherwise provided in this chapter
10	and IC 6-3.5-8-12, a civil taxing unit that is treated as not being located
11	in an adopting county under section 4 of this chapter may not impose
12	an ad valorem property tax levy for an ensuing calendar year that
13	exceeds the amount determined in the last STEP of the following
14	STEPS:
15	STEP ONE: Add the civil taxing unit's maximum permissible ad
16	valorem property tax levy for the preceding calendar year to the
17	part of the civil taxing unit's certified share, if any, that was used
18	to reduce the civil taxing unit's ad valorem property tax levy under
19	STEP EIGHT of subsection (b) for that preceding calendar year.
20	STEP TWO: Multiply the amount determined in STEP ONE by
21	the amount determined in either the last STEP of section $\frac{2(a)}{(a)}$
22	this chapter for calendar years ending before January 1, 2006, or
23	the last STEP of section 2(b) of this chapter. for calendar years
24	beginning after December 31, 2005.
25	STEP THREE: Determine the lesser of one and fifteen hundredths
26	(1.15) or the quotient (rounded to the nearest ten-thousandth), of
27	the assessed value of all taxable property subject to the civil
28	taxing unit's ad valorem property tax levy for the ensuing calendar
29	year, divided by the assessed value of all taxable property that is
30	subject to the civil taxing unit's ad valorem property tax levy for
31	the ensuing calendar year and that is contained within the
32	geographic area that was subject to the civil taxing unit's ad
33	valorem property tax levy in the preceding calendar year.
34	STEP FOUR: Determine the greater of the amount determined in
35	STEP THREE or one (1).
36	STEP FIVE: Multiply the amount determined in STEP TWO by
37	the amount determined in STEP FOUR.
38	STEP SIX: Add the amount determined under STEP TWO to the
39	amount determined under subsection (c).
40	STEP SEVEN: Determine the greater of the amount determined
41	under STEP FIVE or the amount determined under STEP SIX.
42	(b) Except as otherwise provided in this chapter and IC 6-3.5-8-12,

1	a civil taxing unit that is treated as being located in an adopting county
2	under section 4 of this chapter may not impose an ad valorem property
3	tax levy for an ensuing calendar year that exceeds the amount
4	determined in the last STEP of the following STEPS:
5	STEP ONE: Add the civil taxing unit's maximum permissible ad
6	valorem property tax levy for the preceding calendar year to the
7	part of the civil taxing unit's certified share, if any, used to reduce
8	the civil taxing unit's ad valorem property tax levy under STEP
9	EIGHT of this subsection for that preceding calendar year.
10	STEP TWO: Multiply the amount determined in STEP ONE by
11	the amount determined in either the last STEP of section 2(a) of
12	this chapter for calendar years ending before January 1, 2006, or
13	the last STEP of section 2(b) of this chapter. for calendar years
14	beginning after December 31, 2005.
15	STEP THREE: Determine the lesser of one and fifteen hundredths
16	(1.15) or the quotient of the assessed value of all taxable property
17	subject to the civil taxing unit's ad valorem property tax levy for
18	the ensuing calendar year divided by the assessed value of all
19	taxable property that is subject to the civil taxing unit's ad
20	valorem property tax levy for the ensuing calendar year and that
21	is contained within the geographic area that was subject to the
22	civil taxing unit's ad valorem property tax levy in the preceding
23	calendar year.
24	STEP FOUR: Determine the greater of the amount determined in
25	STEP THREE or one (1).
26	STEP FIVE: Multiply the amount determined in STEP TWO by
27	the amount determined in STEP FOUR.
28	STEP SIX: Add the amount determined under STEP TWO to the
29	amount determined under subsection (c).
30	STEP SEVEN: Determine the greater of the amount determined
31	under STEP FIVE or the amount determined under STEP SIX.
32	STEP EIGHT: Subtract the amount determined under STEP FIVE
33	of subsection (e) from the amount determined under STEP
34	SEVEN of this subsection.
35	(c) If a civil taxing unit in the immediately preceding calendar year
36	provided an area outside its boundaries with services on a contractual
37	basis and in the ensuing calendar year that area has been annexed by
38	the civil taxing unit, the amount to be entered under STEP SIX of
39	subsection (a) or STEP SIX of subsection (b), as the case may be,
40	equals the amount paid by the annexed area during the immediately

preceding calendar year for services that the civil taxing unit must

provide to that area during the ensuing calendar year as a result of the

41

1	annexation. In all other cases, the amount to be entered under STEP
2	SIX of subsection (a) or STEP SIX of subsection (b), as the case may
3	be, equals zero (0).
4	(d) This subsection applies only to civil taxing units located in a
5	county having a county adjusted gross income tax rate for resident
6	county taxpayers (as defined in IC 6-3.5-1.1-1) of one percent (1%) as
7	of January 1 of the ensuing calendar year. For each civil taxing unit, the
8	amount to be added to the amount determined in subsection (e), STEP
9	FOUR, is determined using the following formula:
10	STEP ONE: Multiply the civil taxing unit's maximum permissible
11	ad valorem property tax levy for the preceding calendar year by
12	two percent (2%).
13	STEP TWO: For the determination year, the amount to be used as
14	the STEP TWO amount is the amount determined in subsection
15	(f) for the civil taxing unit. For each year following the
16	determination year the STEP TWO amount is the lesser of:
17	(A) the amount determined in STEP ONE; or
18	(B) the amount determined in subsection (f) for the civil taxing
19	unit.
20	STEP THREE: Determine the greater of:
21	(A) zero (0); or
22	(B) the civil taxing unit's certified share for the ensuing
23	calendar year minus the greater of:
24	(i) the civil taxing unit's certified share for the calendar year
25	that immediately precedes the ensuing calendar year; or
26	(ii) the civil taxing unit's base year certified share.
27	STEP FOUR: Determine the greater of:
28	(A) zero (0); or
29	(B) the amount determined in STEP TWO minus the amount
30	determined in STEP THREE.
31	Add the amount determined in STEP FOUR to the amount determined
32	in subsection (e), STEP THREE, as provided in subsection (e), STEP
33	FOUR.
34	(e) For each civil taxing unit, the amount to be subtracted under
35	subsection (b), STEP EIGHT, is determined using the following
36	formula:
37	STEP ONE: Determine the lesser of the civil taxing unit's base
38	year certified share for the ensuing calendar year, as determined
39	under section 5 of this chapter, or the civil taxing unit's certified
40	share for the ensuing calendar year.
41	STEP TWO: Determine the greater of:
42	(A) zero (0); or

1	(B) the remainder of:
2	(i) the amount of federal revenue sharing money that was
3	received by the civil taxing unit in 1985; minus
4	(ii) the amount of federal revenue sharing money that will be
5	received by the civil taxing unit in the year preceding the
6	ensuing calendar year.
7	STEP THREE: Determine the lesser of:
8	(A) the amount determined in STEP TWO; or
9	(B) the amount determined in subsection (f) for the civil taxing
0	unit.
. 1	STEP FOUR: Add the amount determined in subsection (d),
2	STEP FOUR, to the amount determined in STEP THREE.
3	STEP FIVE: Subtract the amount determined in STEP FOUR
4	from the amount determined in STEP ONE.
.5	(f) As used in this section, a taxing unit's "determination year"
6	means the latest of:
7	(1) calendar year 1987, if the taxing unit is treated as being
8	located in an adopting county for calendar year 1987 under
9	section 4 of this chapter;
20	(2) the taxing unit's base year, as defined in section 5 of this
21	chapter, if the taxing unit is treated as not being located in an
22	adopting county for calendar year 1987 under section 4 of this
23	chapter; or
24	(3) the ensuing calendar year following the first year that the
25	taxing unit is located in a county that has a county adjusted gross
26	income tax rate of more than one-half percent (0.5%) on July 1 of
27	that year.
28	The amount to be used in subsections (d) and (e) for a taxing unit
29	depends upon the taxing unit's certified share for the ensuing calendar
30	year, the taxing unit's determination year, and the county adjusted gross
31	income tax rate for resident county taxpayers (as defined in
32	IC 6-3.5-1.1-1) that is in effect in the taxing unit's county on July 1 of
33	the year preceding the ensuing calendar year. For the determination
34	year and the ensuing calendar years following the taxing unit's
35	determination year, the amount is the taxing unit's certified share for
86	the ensuing calendar year multiplied by the appropriate factor
37	prescribed in the following table:

3	(4) Permission to the civil taxing unit to increase its levy in excess
4	of the limitations established under section 3 of this chapter, if the
5	civil taxing unit's average three (3) year growth factor, as
6	determined in section 2(a) (STEP THREE) of this chapter for
7	calendar years ending before January 1, 2006, or section 2(b)
8	(STEP THREE) of this chapter for calendar years beginning after
9	December 31, 2005, exceeds one and one-tenth (1.1). However,
10	any increase in the amount of the civil taxing unit's levy
11	recommended by the local government tax control board under
12	this subdivision may not exceed an amount equal to the remainder
13	of:
14	(A) the amount of ad valorem property taxes the civil taxing
15	unit could impose for the ensuing calendar year under section
16	3 of this chapter if at STEP TWO of subsection (a) or (b), as
17	the case may be, the amount determined in STEP THREE of
18	section 2(a) of this chapter for calendar years ending before
19	January 1, 2006, or in STEP THREE of section 2(b) of this
20	chapter for calendar years beginning after December 31, 2005,
21	is substituted for the amount determined under STEP FIVE of
22	section 2(a) of this chapter for calendar years ending before
23	January 1, 2006, or under STEP FIVE of section 2(b) of this
24	chapter for calendar years beginning after December 31, 2005;
25	minus
26	(B) the amount of ad valorem property taxes the civil taxing
27	unit could impose under section 3 of this chapter for the
28	ensuing calendar year.
29	local government tax control board finds that the quotient
30	determined under STEP SIX of the following formula is equal
31	to or greater than one and three-hundredths (1.03):
32	STEP ONE: Determine the three (3) calendar years that
33	most immediately precede the ensuing calendar year and
34	in which a statewide general reassessment of real property
35	does not first become effective.
36	STEP TWO: Compute separately, for each of the calendar
37	years determined in STEP ONE, the quotient (rounded to
38	the nearest ten-thousandth (0.0001)) of the civil taxing
39	unit's total assessed value of all taxable property in the

particular calendar year, divided by the civil taxing unit's

total assessed value of all taxable property in the calendar

year immediately preceding the particular calendar year.

40

41

1	STEP THREE: Divide the sum of the three (3) quotients
2	computed in STEP TWO by three (3).
3	STEP FOUR: Compute separately, for each of the
4	calendar years determined in STEP ONE, the quotient
5	(rounded to the nearest ten-thousandth (0.0001)) of the
6	total assessed value of all taxable property of all civil
7	taxing units in the particular calendar year, divided by the
8	total assessed value of all taxable property of all civil
9	taxing units in the calendar year immediately preceding
.0	the particular calendar year.
.1	STEP FIVE: Divide the sum of the three (3) quotients
2	computed in STEP FOUR by three (3).
.3	STEP SIX: Divide the STEP THREE amount by the STEP
.4	FIVE amount.
.5	In addition, before the local government tax control board may
6	recommend the relief allowed under this subdivision, the civil
7	taxing unit must show a need for the increased levy because of
.8	special circumstances, and the local government tax control board
9	must consider other sources of revenue and other means of relief.
20	(5) Permission to the civil taxing unit to increase its levy in excess
21	of the limitations established under section 3 of this chapter, if the
22	local government tax control board finds that the civil taxing unit
23	needs the increase to pay the costs of furnishing fire protection for
24	the civil taxing unit through a volunteer fire department. For
25	purposes of determining a township's need for an increased levy,
26	the local government tax control board shall not consider the
27	amount of money borrowed under IC 36-6-6-14 during the
28	immediately preceding calendar year. However, any increase in
29	the amount of the civil taxing unit's levy recommended by the
30	local government tax control board under this subdivision for the
31	ensuing calendar year may not exceed the lesser of:
32	(A) ten thousand dollars (\$10,000); or
33	(B) twenty percent (20%) of:
34	(i) the amount authorized for operating expenses of a
35	volunteer fire department in the budget of the civil taxing
36	unit for the immediately preceding calendar year; plus
37	(ii) the amount of any additional appropriations authorized
38	during that calendar year for the civil taxing unit's use in
39	paying operating expenses of a volunteer fire department
10	under this chapter; minus
11	(iii) the amount of money borrowed under IC 36-6-6-14

during that calendar year for the civil taxing unit's use in

41

1	paying operating expenses of a volunteer fire department.
2	(6) Permission to a civil taxing unit to increase its levy in excess
3	of the limitations established under section 3 of this chapter in
4	order to raise revenues for pension payments and contributions
5	the civil taxing unit is required to make under IC 36-8. The
6	maximum increase in a civil taxing unit's levy that may be
7	recommended under this subdivision for an ensuing calendar year
8	equals the amount, if any, by which the pension payments and
9	contributions the civil taxing unit is required to make under
10	IC 36-8 during the ensuing calendar year exceeds the product of
11	one and one-tenth (1.1) multiplied by the pension payments and
12	contributions made by the civil taxing unit under IC 36-8 during
13	the calendar year that immediately precedes the ensuing calendar
14	year. For purposes of this subdivision, "pension payments and
15	contributions made by a civil taxing unit" does not include that
16	part of the payments or contributions that are funded by
17	distributions made to a civil taxing unit by the state.
18	(7) Permission to increase its levy in excess of the limitations
19	established under section 3 of this chapter if the local government
20	tax control board finds that:
21	(A) the township's poor relief ad valorem property tax rate is
22	less than one and sixty-seven hundredths cents (\$0.0167) per
23	one hundred dollars (\$100) of assessed valuation; and
24	(B) the township needs the increase to meet the costs of
25	providing poor relief under IC 12-20 and IC 12-30-4.
26	The maximum increase that the board may recommend for a
27	township is the levy that would result from an increase in the
28	township's poor relief ad valorem property tax rate of one and
29	sixty-seven hundredths cents (\$0.0167) per one hundred dollars
30	(\$100) of assessed valuation minus the township's ad valorem
31	property tax rate per one hundred dollars (\$100) of assessed
32	valuation before the increase.
33	(8) Permission to a civil taxing unit to increase its levy in excess
34	of the limitations established under section 3 of this chapter if:
35	(A) the increase has been approved by the legislative body of
36	the municipality with the largest population where the civil
37	taxing unit provides public transportation services; and
38	(B) the local government tax control board finds that the civil
39	taxing unit needs the increase to provide adequate public
40	transportation services.
41	The local government tax control board shall consider tax rates

and levies in civil taxing units of comparable population, and the

1	effect (if any) of a loss of federal or other funds to the civil taxing
2	unit that might have been used for public transportation purposes.
3	However, the increase that the board may recommend under this
4	subdivision for a civil taxing unit may not exceed the revenue that
5	would be raised by the civil taxing unit based on a property tax
6	rate of one cent (\$0.01) per one hundred dollars (\$100) of
7	assessed valuation.
8	(9) Permission to a civil taxing unit to increase the unit's levy in
9	excess of the limitations established under section 3 of this
10	chapter if the local government tax control board finds that:
11	(A) the civil taxing unit is:
12	(i) a county having a population of more than one hundred
13	forty-eight thousand (148,000) but less than one hundred
14	seventy thousand (170,000);
15	(ii) a city having a population of more than fifty-five
16	thousand (55,000) but less than fifty-nine thousand (59,000);
17	(iii) a city having a population of more than twenty-eight
18	thousand seven hundred (28,700) but less than twenty-nine
19	thousand (29,000);
20	(iv) a city having a population of more than fifteen thousand
21	four hundred (15,400) but less than sixteen thousand six
22	hundred (16,600); or
23	(v) a city having a population of more than seven thousand
24	(7,000) but less than seven thousand three hundred (7,300);
25	and
26	(B) the increase is necessary to provide funding to undertake
27	removal (as defined in IC 13-11-2-187) and remedial action
28	(as defined in IC 13-11-2-185) relating to hazardous
29	substances (as defined in IC 13-11-2-98) in solid waste
30	disposal facilities or industrial sites in the civil taxing unit that
31	have become a menace to the public health and welfare.
32	The maximum increase that the local government tax control
33	board may recommend for such a civil taxing unit is the levy that
34	would result from a property tax rate of six and sixty-seven
35	hundredths cents (\$0.0667) for each one hundred dollars (\$100)
36	of assessed valuation. For purposes of computing the ad valorem
37	property tax levy limit imposed on a civil taxing unit under
38	section 3 of this chapter, the civil taxing unit's ad valorem
39	property tax levy for a particular year does not include that part of
40	the levy imposed under this subdivision. In addition, a property

tax increase permitted under this subdivision may be imposed for

41

42

only two (2) calendar years.

(10) Permission for a county having a population of more than
eighty thousand (80,000) but less than ninety thousand (90,000)
to increase the county's levy in excess of the limitations
established under section 3 of this chapter, if the local
government tax control board finds that the county needs the
increase to meet the county's share of the costs of operating a jail
or juvenile detention center, including expansion of the facility,
if the jail or juvenile detention center is opened after December
31, 1991. Before recommending an increase, the local
government tax control board shall consider all other revenues
available to the county that could be applied for that purpose. An
appeal for operating funds for a jail or juvenile detention center
shall be considered individually, if a jail and juvenile detention
center are both opened in one (1) county. The maximum
aggregate levy increases that the local government tax control
board may recommend for a county equals the county's share of
the costs of operating the jail or juvenile detention center for the
first full calendar year in which the jail or juvenile detention
center is in operation.
(11) Permission for a township to increase its levy in excess of the
limitations established under section 3 of this chapter, if the local
government tax control board finds that the township needs the
increase so that the property tax rate to pay the costs of furnishing

(11) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(12) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the

1	township or a part of the township. However, the maximum
2	increase in a township's levy that may be allowed under this
3	subdivision is the least of the amounts borrowed under
4	IC 36-6-6-14 during the preceding three (3) calendar years. A
5	township may elect to phase in an approved increase in its levy
6	under this subdivision over a period not to exceed three (3) years.
7	A particular township may appeal to increase its levy under this
8	section not more frequently than every fourth calendar year.
9	(13) Permission to a city having a population of more than
10	twenty-nine thousand (29,000) but less than thirty-one thousand
11	(31,000) to increase its levy in excess of the limitations
12	established under section 3 of this chapter if:
13	(A) an appeal was granted to the city under subdivision (1) in
14	1998, 1999, and 2000; and
15	(B) the increase has been approved by the legislative body of
16	the city, and the legislative body of the city has by resolution
17	determined that the increase is necessary to pay normal
18	operating expenses.
19	The maximum amount of the increase is equal to the amount of
20	property tax replacement credits under IC 6-3.5-1.1 that the city
21	petitioned to have reallocated in 2001 under subdivision (1) for
22	a purpose other than property tax relief.
23	SECTION 23. IC 6-1.1-20.9-2, AS AMENDED BY P.L.291-2001,
24	SECTION 125, IS AMENDED TO READ AS FOLLOWS
25	[EFFECTIVE JULY 1, 2002]: Sec. 2. (a) Except as otherwise provided
26	in section 5 of this chapter, an individual who on March 1 of a
27	particular year either owns or is buying a homestead under a contract
28	that provides the individual is to pay the property taxes on the
29	homestead is entitled each calendar year to a credit against the property
30	taxes which the individual pays on the individual's homestead.
31	However, only one (1) individual may receive a credit under this
32	chapter for a particular homestead in a particular year.
33	(b) The amount of the credit to which the individual is entitled
34	equals the product of:
35	(1) the percentage prescribed in subsection (d); multiplied by
36	(2) the amount of the individual's property tax liability, as that
37	term is defined in IC 6-1.1-21-5, which is:
38	(A) attributable to the homestead during the particular
39	calendar year; and
40	(B) determined after the application of the property tax
41	replacement credit under IC 6-1.1-21.

(c) For purposes of determining that part of an individual's property

tax liability that is attributable to the individual's homestead, all
deductions from assessed valuation which the individual claims under
IC 6-1.1-12 or IC 6-1.1-12.1 for property on which the individual's
homestead is located must be applied first against the assessed value
of the individual's homestead before those deductions are applied
against any other property.

(d) The percentage of the credit referred to in subsection (b)(1) is as follows:

9	YEAR	PERCENTAGE
10		OF THE CREDIT
11	1996	8%
12	1997	6%
13	1998 through 2003	10%
14	2004 and thereafter	4% 10%

However, the property tax replacement fund board established under IC 6-1.1-21-10, in its sole discretion, may increase the percentage of the credit provided in the schedule for any year, if the board feels that the property tax replacement fund contains enough money for the resulting increased distribution. If the board increases the percentage of the credit provided in the schedule for any year, the percentage of the credit for the immediately following year is the percentage provided in the schedule for that particular year, unless as provided in this subsection the board in its discretion increases the percentage of the credit provided in the schedule for that particular year. However, the percentage credit allowed in a particular county for a particular year shall be increased if on January 1 of a year an ordinance adopted by a county income tax council was in effect in the county which increased the homestead credit. The amount of the increase equals the amount designated in the ordinance.

- (e) Before October 1 of each year, the assessor shall furnish to the county auditor the amount of the assessed valuation of each homestead for which a homestead credit has been properly filed under this chapter.
- (f) The county auditor shall apply the credit equally to each installment of taxes that the individual pays for the property.
- (g) Notwithstanding the provisions of this chapter, a taxpayer other than an individual is entitled to the credit provided by this chapter if:
 - (1) an individual uses the residence as the individual's principal place of residence;
 - (2) the residence is located in Indiana;
 - (3) the individual has a beneficial interest in the taxpayer;
 - contract, recorded in the county recorder's office, that provides

27	SECTION 200, IS AMENDED TO READ AS FOLLOWS
28	[EFFECTIVE JANUARY 1, 2003]: Sec. 3. (a) On or before March 1
29	of each year, the department of local government finance shall certify
30	to the department on a form approved by the state board of accounts,
31	an estimate of the total county tax levy collectible in that calendar year
32	for each county in the state. The estimate shall be based on the tax
33	collections for the preceding calendar year, adjusted as necessary to
34	reflect the total county tax levy (as defined in section 2(g) of this
35	chapter) from the budgets, tax levies, and rates as finally determined
36	and acted upon by the department of local government finance. The
37	
	department, with the assistance of the auditor of state and the
38	department, with the assistance of the auditor of state and the department of local government finance, shall determine on the basis

county tax levy, eligible property tax replacement amount, which is

4	calendar year.
5	(c) If there are one (1) or more taxing districts in the county that
6	contain all or part of an economic development district that meets the
7	requirements of section 5.5 of this chapter, the department of local
8	government finance shall estimate an additional distribution for the
9	county in the same report required under subsection (a). This additional
10	distribution equals the sum of the amounts determined under the
11	following STEPS for all taxing districts in the county that contain all
12	or part of an economic development district:
13	STEP ONE: Estimate that part of the sum of the amounts under
14	section $2(g)(1)(A)$ and $2(g)(2)$ of this chapter that is attributable
15	to the taxing district.
16	STEP TWO: Divide:
17	(A) that part of the estimated property tax replacement
18	determined under subsection (a) that is amount attributable to
19	the taxing district; by
20	(B) the STEP ONE sum.
21	STEP THREE: Multiply:
22	(A) the STEP TWO quotient; times
23	(B) the property taxes levied in the taxing district that are
24	allocated to a special fund under IC 6-1.1-39-5.
25	(d) The sum of the amounts determined under subsections (a)
26	through (c) is the particular county's estimated distribution for the
27	calendar year.

35	plus
36	(2) the total amount of homestead tax credits that are provided
37	under IC 6-1.1-20.9 and allowed by each county for that year;
38	plus
39	(3) an amount for each county that has one (1) or more taxing
40	districts that contain all or part of an economic development
41	district that meets the requirements of section 5.5 of this chapter.
42	This amount is the sum of the amounts determined under the

6	STEP TWO: Divide:
7	(A) that part of the subdivision (1) amount that is

The estimated distribution for each county may be adjusted from time to time by the department to reflect any changes in the total county tax levy upon which the estimated distribution is based. (c) On or before December 31 of each year or as soon thereafter as possible, the department shall make a final determination of the amount which should be distributed from the property tax replacement fund to each county for that calendar year. This determination shall be known as the final determination of distribution. The department shall distribute to the county treasurer or receive back from the county treasurer any deficit or excess, as the case may be, between the sum of the distributions made for that calendar year based on the estimated distribution and the final determination of distribution. The final determination of distribution shall be based on the auditor's abstract filed with the auditor of state, adjusted for postabstract adjustments included in the December settlement sheet for the year, and such additional information as the department may require. (d) All distributions provided for in this section shall be made on

warrants issued by the auditor of state drawn on the treasurer of state. If the amounts allocated by the department from the property tax

41

replacement fund exceed in the aggregate the balance of money in the fund, then the amount of the deficiency shall be transferred from the state general fund to the property tax replacement fund, and the auditor of state shall issue a warrant to the treasurer of state ordering the payment of that amount. However, any amount transferred under this section from the general fund to the property tax replacement fund shall, as soon as funds are available in the property tax replacement fund, be retransferred from the property tax replacement fund to the state general fund, and the auditor of state shall issue a warrant to the treasurer of state ordering the replacement of that amount.

- (e) Except as provided in subsection (i), the department shall not distribute under subsection (b) and section 10 of this chapter the money attributable to the county's property reassessment fund if, by the date the distribution is scheduled to be made, the county auditor has not sent a certified statement required to be sent by that date under IC 6-1.1-17-1 to the department of local government finance.
- (f) Except as provided in subsection (i), if the elected township assessors in the county, the elected township assessors and the county assessor, or the county assessor has not transmitted to the department of local government finance by October 1 of the year in which the distribution is scheduled to be made the data for all townships in the county required to be transmitted under IC 6-1.1-4-25(b), the state board or the department shall not distribute under subsection (b) and section 10 of this chapter a part of the money attributable to the county's property reassessment fund. The portion not distributed is the amount that bears the same proportion to the total potential distribution as the number of townships in the county for which data was not transmitted by August 1 as described in this section bears to the total number of townships in the county.
- (g) Money not distributed under subsection (e) shall be distributed to the county when the county auditor sends to the department of local government finance the certified statement required to be sent under IC 6-1.1-17-1 with respect to which the failure to send resulted in the withholding of the distribution under subsection (e).
- (h) Money not distributed under subsection (f) shall be distributed to the county when the elected township assessors in the county, the elected township assessors and the county assessor, or the county assessor transmits to the department of local government finance the data required to be transmitted under IC 6-1.1-4-25(b) with respect to which the failure to transmit resulted in the withholding of the distribution under subsection (f).
 - (i) The restrictions on distributions under subsections (e) and (f) do

not apply if the department of local government finance determines that:

- (1) the failure of a county auditor to send a certified statement as described in subsection (e); or
- (2) the failure of an official to transmit data as described in subsection (f);

is justified by unusual circumstances.

 SECTION 27. IC 6-1.1-21-5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 5. (a) Each year the taxpayers of each county shall receive a credit for property tax replacement in the amount of twenty percent (20%) of the tax liability (as defined in this section) of each taxpayer taxpayer's property tax replacement credit amount for taxes which under IC 6-1.1-22-9 are due and payable in May and November of that year. The credit shall be applied to each installment of taxes. The dollar amount of the credit for each taxpayer shall be determined by the county auditor, based on data furnished by the state board department of tax commissioners: local government finance.

(b) The tax liability of a taxpayer for the purpose of computing the credit for a particular year shall be based upon the taxpayer's tax liability as is evidenced by the tax duplicate for the taxes payable in that year, plus the amount by which the tax payable by the taxpayer had been reduced due to the application of county adjusted gross income tax revenues to the extent the county adjusted gross income tax revenues were included in the determination of the total county tax levy for that year, as provided in sections 2(g) and 3 of this chapter, adjusted, however, for any change in assessed valuation which may have been made pursuant to a post-abstract adjustment if the change is set forth on the tax statement or on a corrected tax statement stating the taxpayer's tax liability, as prepared by the county treasurer in accordance with IC 6-1.1-22-8(a). However, except when using the term under section 2(1)(1) of this chapter, the tax liability of a taxpayer does not include the amount of any property tax owed by the taxpayer that is attributable to that part of any property tax levy subtracted under section 2(g)(1)(B), 2(g)(1)(C), 2(g)(1)(D), 2(g)(1)(E), 2(g)(1)(F), 2(g)(1)(G), (2)(g)(1)(H), 2(g)(1)(I), or 2(g)(1)(J), or 2(g)(1)(K) of this chapter in computing the total county tax levy.

(b) (c) The credit for taxes payable in a particular year with respect to mobile homes which are assessed under IC 6-1.1-7 is twenty percent (20%) of the equivalent to the taxpayer's property tax replacement credit amount for the taxes payable with respect to the assessments plus the adjustments stated in this section.

1	(c) (d) Each taxpayer in a taxing district that contains all or part of
2	an economic development district that meets the requirements of
3	section 5.5 of this chapter is entitled to an additional credit for property
4	tax replacement. This credit is equal to the product of:
5	(1) the STEP TWO quotient determined under section 4(a)(3) of
6	this chapter for the taxing district; multiplied by
7	(2) the taxpayer's property taxes levied in the taxing district that
8	are allocated to a special fund under IC 6-1.1-39-5.

24	board, increase the percentage of property tax replacement funds to be
25	distributed from the property tax replacement fund to the several
26	counties for credit to the taxpayers in the counties as provided in this
27	chapter if in the judgment of the board there are surplus funds available
28	in the fund for the increased distribution. The board shall make such a
29	determination on or before March 1 of each year relative to the
30	amounts to be distributed from the property tax replacement fund for
31	that year. Upon such a determination the commissioner of the
32	department of state revenue shall immediately notify the treasurers of
33	the several counties of the increased distribution.

3	under section 11 of this chapter.
4	Sec. 10. As used in this chapter, "tax increment revenues"
5	means the property taxes attributable to the assessed value of
6	property in excess of the base assessed value.
7	Sec. 11. (a) By July 15 of a year, the governing body shall
8	estimate the tax increment replacement amount for each allocation
9	area under the jurisdiction of the governing body for the next
10	calendar year.
11	(b) The tax increment replacement amount is the amount
12	determined in STEP THREE of the following formula:
13	STEP ONE: The governing body shall estimate the amount of
14	tax increment revenues it would receive in the next calendar
15	year if the property tax replacement credits payable with
16	respect to the general fund levies imposed by all school
17	corporations with jurisdiction in the allocation area were
18	determined under IC 6-1.1-21 as in effect on January 1, 2001.
19	STEP TWO: The governing body shall estimate the amount
20	of tax increment revenues it will receive in the next calendar
21	year after implementation of the increase in the property tax
22	credits payable under IC 6-1.1-21, as amended by the general
23	assembly in 2002, with respect to general fund levies imposed
24	by all school corporations with jurisdiction in the allocation
25	area.
26	STEP THREE: Subtract the STEP TWO amount from the
27	STEP ONE amount.
28	Sec. 12. (a) A tax is imposed each year on all taxable property
29	in the district in which the governing body exercises jurisdiction.
30	(b) Except as provided in subsections (c) and (d), the tax
31	imposed under this section shall be automatically imposed at a rate
32	sufficient to generate the tax increment replacement amount
33	determined under section 11(b) of this chapter for that year.
34	(c) The legislative body of the unit that established the district
35	may:
36	(1) reduce the amount of the tax to be levied under this
37	section; or
38	(2) determine that no tax should be levied under this section.
39	(d) This subsection applies to a district in which the total
40	assessed value of all allocation areas in the district is greater than
41	ten percent (10%) of the total assessed value of the district. Except

as provided in section 14(d) of this chapter, a tax levy imposed

1	under this section may not exceed the lesser of:
2	(1) the tax increment replacement amount; or
3	(2) the amount that will result from the imposition of a rate
4	for the tax levy that the department of local government
5	finance estimates will cause the total tax rate in the district to
6	be one hundred ten percent (110%) of the rate that would
7	apply if the tax levy authorized by this chapter were not
8	imposed for the year.
9	Sec. 13. (a) A district described in section 12(d) of this chapter
10	may appeal to the department of local government finance for a
11	distribution from the property tax replacement fund if the district
12	has imposed the maximum tax levy permissible under section $12(d)$
13	of this chapter.
14	(b) The maximum amount of distribution under this section may
15	not exceed the amount determined by subtracting the amount of
16	the tax levied under section 12(d) of this chapter from the tax
17	increment replacement amount determined under section 11(b) of
18	this chapter.
19	(c) An appeal under this section must be filed before September
20	20 of a year.
21	Sec. 14. (a) The department of local government finance shall
22	approve an appeal filed under section 13 of this chapter if the
23	department determines that:
24	(1) the governing body's estimate of the tax replacement
25	amount under section 11 of this chapter is reasonable;
26	(2) a tax levy in excess of the amount determined under
27	section 12(d) of this chapter would:
28	(A) create a significant financial hardship on taxpayers
29	residing in the district in which the governing body
30	exercises jurisdiction;
31	(B) significantly reduce the benefits from the increase in
32	the property tax credits payable under IC 6-1.1-21, as
33	amended by the general assembly in 2002, with respect to
34	general fund levies imposed by all school corporations with
35	jurisdiction in the district; or
36	(C) have a disproportionate impact on small businesses or
37	low income families or individuals; and
38	(3) the governing body has made reasonable efforts to limit its
39	use of the special fund for the allocation area to
40	appropriations for payments of:
41	(A) the principal and interest on loans or bonds;
42	(B) lease rentals on leases;

1	(C) amounts due on other contractual obligations; and
2	(D) additional credits described in IC 8-22-3.5-10(a),
3	IC 36-7-14-39.5(c), IC 36-7-14.5-12.5(d)(5),
4	IC 36-7-15.1-26.5(e), IC 36-7-15.1-35(d), or
5	IC 36-7-30-25(b)(2)(E).
6	(b) The department shall make a final determination on an
7	appeal filed under this section by November 1 of a year.
8	(c) If the department approves an appeal filed under this
9	section, it shall order a distribution from the property tax
10	replacement fund in the amount determined under section 13(b) of
11	this chapter in the same manner as distributions are made under
12	IC 6-1.1-21-4.
13	(d) If the department denies an appeal filed under section 13 of
14	this chapter, or does not grant the maximum permissible
15	distribution under section 13(b) of this chapter, the legislative body
16	of the unit that established the district may increase the levy
17	imposed under this chapter to an amount that, when combined
18	with any distribution received under this chapter, does not exceed
19	the tax increment replacement amount.
20	Sec. 15. (a) A tax levied under this chapter shall be certified by
21	the department of local government finance to the auditor of the
22	county in which the district is located and shall be:
23	(1) estimated and entered upon the tax duplicates by the
24	county auditor; and
25	(2) collected and enforced by the county treasurer;
26	in the same manner as state and county taxes are estimated,
27	entered, collected, and enforced.
28	(b) As the tax is collected by the county treasurer, it shall be
29	transferred to the governing body and accumulated and kept in the
30	special fund for the allocation area.
31	(c) A tax levied under this chapter:
32	(1) is exempt from the levy limitations imposed under
33	IC 6-1.1-18.5; and
34	(2) is not subject to IC 6-1.1-20.
35	(d) A tax levied under this chapter and the use of revenues from
36	a tax levied under this chapter by a governing body do not create
37	a constitutional or statutory debt, pledge, or obligation of the
38	governing body, the district, or any unit.
39	SECTION 30. IC 6-1.1-33.5-3, AS ADDED BY P.L.198-2001,
40	SECTION 82, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
41	JANUARY 1, 2003]: Sec. 3. The division of data analysis shall:

(1) conduct continuing studies in the areas in which the

1	department of local government finance operates;
2	(2) make periodic field surveys and audits of tax rolls, plat books,
3	building permits, real estate transfers, gross income tax returns,
4	federal income tax returns, and other data that may be useful in
5	checking property valuations or taxpayer returns;
6	(3) make test checks of property valuations to serve as the bases
7	for special reassessments under this article;
8	(4) conduct biennially a coefficient of dispersion study for each
9	township and county in Indiana;
10	(5) conduct quadrennially a sales assessment ratio study for each
11	township and county in Indiana;
12	(6) compute school assessment ratios under IC 6-1.1-34; and
13	(7) report annually to the executive director of the legislative
14	services agency, in a form prescribed by the legislative services
15	agency, the information obtained or determined under this section
16	for use by the executive director and the general assembly,
17	including:
18	(A) all information obtained by the division of data analysis
19	from units of local government; and
20	(B) all information included in:
21	(i) the local government data base; and
22	(ii) any other data compiled by the division of data analysis.
23	SECTION 31. IC 6-1.1-39-6 IS AMENDED TO READ AS
24	FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 6. (a) An
25	economic development district may be enlarged by the fiscal body by
26	following the same procedure for the creation of an economic
27	development district specified in this chapter. Property taxes that are
28	attributable to the additional area and allocable to the economic
29	development district are not eligible for the property tax replacement
30	credit provided by IC 6-1.1-21-5. However, subject to subsection (c),
31	each taxpayer in an additional area is entitled to an additional credit for
32	property taxes (as defined in IC 6-1.1-21-2) that under IC 6-1.1-22-9
33	are due and payable in May and November of that year. One-half $(1/2)$
34	of the credit shall be applied to each installment of property taxes (as
35	defined in IC 6-1.1-21-2). This credit equals the amount determined
36	under the following STEPS for each taxpayer in a taxing district in a
37	county that contains all or part of the additional area:
38	STEP ONE: Determine that part of the sum of the amounts under
39	IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) that is attributable
40	to the taxing district.
41	STEP TWO: Divide:
42	(A) that part of twenty percent (20%) of the county's total

1	county tax levy payable eligible property tax replacement
2	amount (as defined in IC 6-1.1-21-2) for that year as
3	determined under IC 6-1.1-21-4 that is attributable to the
4	taxing district; by
5	(B) the STEP ONE sum.
6	STEP THREE: Multiply:
7	(A) the STEP TWO quotient; times
8	(B) the total amount of the taxpayer's property taxes (as
9	defined in IC 6-1.1-21-2) levied in the taxing district that
10	would have been allocated to a special fund under section 5 of
11	this chapter had the additional credit described in this section
12	not been given.
13	The additional credit reduces the amount of proceeds allocated to the
14	economic development district and paid into a special fund under
15	section 5(a) of this chapter.
16	(b) If the additional credit under subsection (a) is not reduced under
17	subsection (c) or (d), the credit for property tax replacement under
18	IC 6-1.1-21-5 and the additional credit under subsection (a) shall be
19	computed on an aggregate basis for all taxpayers in a taxing district
20	that contains all or part of an additional area. The credit for property
21	tax replacement under IC 6-1.1-21-5 and the additional credit under
22	subsection (a) shall be combined on the tax statements sent to each
23	taxpayer.
24	(c) The county fiscal body may, by ordinance, provide that the
25	additional credit described in subsection (a):
26	(1) does not apply in a specified additional area; or
27	(2) is to be reduced by a uniform percentage for all taxpayers in
28	a specified additional area.
29	(d) Whenever the county fiscal body determines that granting the
30	full additional credit under subsection (a) would adversely affect the
31	interests of the holders of bonds or other contractual obligations that
32	are payable from allocated tax proceeds in that economic development
33	district in a way that would create a reasonable expectation that those
34	bonds or other contractual obligations would not be paid when due, the
35	county fiscal body must adopt an ordinance under subsection (c) to
36	deny the additional credit or reduce the additional credit to a level that
37	creates a reasonable expectation that the bonds or other obligations will
38	be paid when due. An ordinance adopted under subsection (c) denies
39	or reduces the additional credit for property taxes (as defined in
40	IC 6-1.1-21-2) first due and payable in any year following the year in
41	which the ordinance is adopted.

(e) An ordinance adopted under subsection (c) remains in effect

1	until the ordinance is rescinded by the body that originally adopted the
2	ordinance. However, an ordinance may not be rescinded if the
3	rescission would adversely affect the interests of the holders of bonds
4	or other obligations that are payable from allocated tax proceeds in that
5	economic development district in a way that would create a reasonable
6	expectation that the principal of or interest on the bonds or other
7	obligations would not be paid when due. If an ordinance is rescinded
8	and no other ordinance is adopted, the additional credit described in
9	subsection (a) applies to property taxes (as defined in IC 6-1.1-21-2)
10	first due and payable in each year following the year in which the
11	resolution is rescinded.

11	of the estimated or the exact amount of utility receipts tax that is
12	due.
13	(c) If a taxpayer's estimated annual utility receipts tax liability
14	does not exceed one thousand dollars (\$1,000), the taxpayer is not

17	(1) estimated quarterly utility receipts tax liability for the
18	current year; or
19	(2) average estimated quarterly utility receipts tax liability for
20	the preceding year;

annual utility receipts tax return and pay the tax, if any, for that

41

- taxable year on or before April 15 of the immediately succeeding tax year.
- (c) If a taxpayer uses a taxable year that does not end on December 31, the department shall prescribe the due dates for filing annual utility receipts tax returns and paying the tax.
- (d) Any taxpayer who does not file an annual utility receipts tax return for a taxable year may be required to execute and file with the department a sworn statement that the taxpayer did not receive more than one thousand dollars (\$1,000) of taxable gross receipts during that taxable year.
- Sec. 3. Any forms prescribed by the department under IC 6-8.1-3-4 that concern the collection of the utility receipts tax may not require a taxpayer to show the corporate name or title of any stock or the name of the obligor of any other security from which the taxpayer derives gross receipts.
- Sec. 4. The department may require a taxpayer who receives gross receipts at two (2) or more business locations within the state to file with each quarterly and annual utility receipts tax return an information return that shows the allocation of gross receipts to each business location at which the gross receipts were received.
- Sec. 5. (a) Corporations are affiliated if at least eighty percent (80%) of the voting stock of one (1) corporation (exclusive of directors' qualifying shares) is owned by the other corporation. - (c) Each corporate member of an affiliated group that files a consolidated utility receipts tax return is jointly and severally liable for the utility receipts tax imposed on the affiliated group and on each member of that group.
- (d) An affiliated group must elect at the time it files its first annual return whether or not it will file a consolidated utility receipts tax return or whether each corporate member of the group will file a separate utility receipts tax return. After the taxpayer's election is made, the group must file utility receipts tax returns in the same manner as the group's first annual return is filed, unless the department allows the group to change the manner in which it files utility receipts tax returns.

У

63
(e) The first consolidated utility receipts tax return filed by an affiliated group may be filed by any member of the group incorporated in Indiana or authorized to do business in Indiana. Subsequent consolidated returns shall be filed by the member who filed the first consolidated return for the group, unless the department allows another member to file the group's consolidated returns.
Sec. 6. (a) A receiver, a trustee in dissolution, a trustee in bankruptcy, or an assignee operating the property or business of
a taxpayer shall file a utility receipts tax return for that taxpayer and pay any tax due on gross receipts reported in the return in the same manner that the taxpayer would be required to file a return
and pay the tax under this chapter if the taxpayer had control of the business or property.

- (b) Any fiduciary filing a return under subsection (a) shall report all previously unreported income derived from property or business controlled by the fiduciary.
- (c) The utility receipts tax liability imposed upon any property held by a fiduciary described in subsection (a) is a lien upon the property from which the gross receipts were derived.
- (d) If any utility receipts tax is due and unpaid after a fiduciary described in subsection (a) is discharged, each distributee is liable for the utility receipts tax due in an amount equal to the quotient of:
 - (1) the distributee's share of the business or property sold; divided by
 - (2) the total distribution made by the fiduciary.
- (e) Any resident of Indiana who is a fiduciary described in subsection (a), and who receives gross receipts for a distributee who is not an Indiana resident, must file a utility receipts tax return and pay the utility receipts tax due with that return before making a distribution to the distributee.
- (f) Any taxpayer who is a resident of Indiana, and who receives gross receipts from a fiduciary described in subsection (a) who is not a resident of Indiana, shall file a return reporting the receipt of such gross receipts and shall pay any utility receipts tax due on such gross receipts, as though the gross receipts had been received directly by the taxpayer, unless the nonresident fiduciary has already paid the tax due on the gross receipts.
- Sec. 7. A taxpayer shall use either the cash or accrual method of accounting for purposes of determining the taxpayer's utility receipts tax liability. If a taxpayer uses either the cash or accrual

method of accounting for federal tax purposes, the taxpayer must also use that same method in determining the taxpayer's utility receipts tax liability. If a taxpayer does not use either the cash or accrual method of accounting for federal tax purposes, the taxpayer shall use the cash method in determining the taxpayer's utility receipts tax liability.

Chapter 7. Penalties

- Sec. 1. (a) A taxpayer who fails to keep records of the taxpayer's gross receipts and any other records that may be necessary to determine the amount of utility receipts tax the taxpayer owes for a period of three (3) years, as required by IC 6-8.1-5-4, commits a Class C infraction.
- (b) A taxpayer who fails to permit records described in subsection (a) to be examined at any time by the department in accordance with IC 6-8.1-5-4 commits a Class C infraction.

	03
1	such other license or tax.
2	Sec. 3. (a) No court may allow or approve any final report or
3	account of a receiver, trustee in dissolution, trustee in bankruptcy,

18	provided.

20	under subsection (b) within thirty (30) days after request, a
21	fiduciary may provide evidence to a court that demonstrates that
22	no utility receipts tax is due and that any required security has
23	been provided. Upon approval by the court, such evidence is
24	conclusive proof of payment of the tax imposed by this article.
25	(d) Any utility receipts tax liability owed by a fiduciary is a
26	preferred claim and has priority over all other claims except claims
27	for judicial costs and costs of administration.

- (b) A retail merchant's "income exclusion ratio" for a particular tax year equals a fraction, the numerator of which is the retail merchant's estimated total gross retail income for the tax year from unitary retail transactions which produce gross retail income of less than ten nine cents (\$.10) (\$0.09) each, and the denominator of which is the retail merchant's estimated total gross retail income for the tax year from all retail transactions.
- (c) In order to minimize a retail merchant's recordkeeping requirements, the department shall prescribe a procedure for determining the retail merchant's income exclusion ratio for a tax year, based on a period of time, not to exceed fifteen (15) consecutive days, during the first quarter of the retail merchant's tax year. However, the period of time may be changed if the change is requested by the retail merchant because of his peculiar accounting procedures or marketing factors. In addition, if a retail merchant has multiple sales locations or diverse types of sales, the department shall permit the retail merchant to determine the ratio on the basis of a representative sampling of the locations and types of sales.

8	article, the particular provisions that are referred to, together with all
9	the other provisions of the Internal Revenue Code in effect on January
10	1, 2002, that pertain to the provisions specifically mentioned, shall be
11	regarded as incorporated in this article by reference and have the same
12	force and effect as though fully set forth in this article. To the extent

34	adjusted gross income under IC 6-3-1-3.5 and net income under
35	IC 6-3-8-2(b). section 3.5 of this chapter.
36	SECTION 55. IC 6-3-2-1 IS AMENDED TO READ AS FOLLOWS
37	[EFFECTIVE JANUARY 1, 2003]: Sec. 1. (a) Each taxable year, a tax
38	at the rate of three and four-tenths nine-tenths percent (3.4%) (3.9%)
39	of adjusted gross income is imposed upon the adjusted gross income of
40	every resident person, and on that part of the adjusted gross income

derived from sources within Indiana of every nonresident person.

(b) Each taxable year, a tax at the rate of three eight and four-tenths

41

five-tenths percent (3.4%) (8.5%) of adjusted gross income is imposed on that part of the adjusted gross income derived from sources within Indiana of every corporation.

SECTION 56. IC 6-3-2-2 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2. (a) With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

- (1) income from real or tangible personal property located in this
- (2) income from doing business in this state;
- (3) income from a trade or profession conducted in this state;
- (4) compensation for labor or services rendered within this state;
- (5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property if the receipt from the intangible is attributable to Indiana under section 2.2 of this chapter.

In the case of nonbusiness income described in subsection (g), only so much of such income as is allocated to this state under the provisions of subsections (h) through (k) shall be deemed to be derived from sources within Indiana. In the case of business income, only so much of such income as is apportioned to this state under the provision of subsection (b) shall be deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of this chapter) only the portion of income determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. In the case of a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within

corporation or a nonresident person is derived from sources within the state of Indiana and from sources without the state of Indiana, then the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by a fraction, the numerator of which is the property factor plus the payroll factor plus

Indiana. (b) Except as provided in subsection (l), if business income of a

the sales factor, and the denominator of which is three (3). However, after a period of two (2) consecutive quarters of income growth and one (1) additional quarter (regardless of any income growth), the fraction shall be computed as follows:

- (1) For all taxable years that begin within the first calendar year immediately following the period, the numerator of the fraction is the sum of the property factor plus the payroll factor plus one hundred thirty-three percent (133%) of the sales factor, and the denominator of the fraction is three and thirty-three hundredths (3.33).
- (2) For all taxable years that begin within the second calendar year following the period, the numerator of the fraction is the property factor plus the payroll factor plus one hundred sixty-seven percent (167%) of the sales factor, and the denominator of the fraction is three and sixty-seven hundredths (3.67).
- (3) For all taxable years beginning on or after January 1 of the third calendar year following the period, the numerator of the fraction is the property factor plus the payroll factor plus two hundred percent (200%) of the sales factor, and the denominator of the fraction is four (4).

For purposes of this subsection, income growth occurs when the state's nonfarm personal income for a calendar quarter increases in comparison with the state's nonfarm personal income for the immediately preceding quarter at an annualized compound rate of five percent (5%) or more, as determined by the budget agency based on current dollar figures provided by the Bureau of Economic Analysis of the United States Department of Commerce or its successor agency. The annualized compound rate shall be computed in accordance with the formula (1+N)⁴-1, where N equals the percentage change in the state's current dollar nonfarm personal income from one (1) quarter to the next. As soon as possible after two (2) consecutive quarters of income growth, the budget agency shall advise the department of the growth.

(c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States.

C o p

	85
1	Property owned by the taxpayer is valued at its original cost. Property
2	rented by the taxpayer is valued at eight (8) times the net annual rental
3	rate. Net annual rental rate is the annual rental rate paid by the taxpayer
4	less any annual rental rate received by the taxpayer from subrentals.
5	The average of property shall be determined by averaging the values at
6	the beginning and ending of the taxable year, but the department may
7	require the averaging of monthly values during the taxable year if
8	reasonably required to reflect properly the average value of the
9	taxpayer's property.
10	(d) The payroll factor is a fraction, the numerator of which is the
11	total amount paid in this state during the taxable year by the taxpayer
12	for compensation, and the denominator of which is the total
13	compensation paid everywhere during the taxable year. However, with
14	respect to a foreign corporation, the denominator does not include
15	compensation paid in a place that is outside the United States
16	Compensation is paid in this state if:

- (1) the individual's service is performed entirely within the state;
- (2) the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or
- (3) some of the service is performed in this state and:
 - (A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or
 - (B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of this state
- (e) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the taxable year, and the denominator of which is the total sales of the taxpayer everywhere during the taxable year. Sales include receipts from intangible property and receipts from the sale or exchange of intangible property. However, with respect to a foreign corporation, the denominator does not include sales made in a place that is outside the United States. Receipts from intangible personal property are derived from sources within Indiana if the receipts from the intangible personal property are attributable to Indiana under section 2.2 of this chapter. Sales of tangible personal property are in this state if:
 - (1) the property is delivered or shipped to a purchaser, other than the United States government, within this state, regardless of the f.o.b. point or other conditions of the sale; or

3	(A) the purchaser is the United States government; or
4	(B) the taxpayer is not taxable in the state of the purchaser.
5	Gross receipts derived from commercial printing as described in
6	IC 6-2.1-2-4 IC 6-2.5-1-10 shall be treated as sales of tangible personal
7	property for purposes of this chapter.
8	(f) Sales, other than receipts from intangible property covered by
9	subsection (e) and sales of tangible personal property, are in this state
10	if:
11	(1) the income-producing activity is performed in this state; or
12	(2) the income-producing activity is performed both within and
13	without this state and a greater proportion of the
14	income-producing activity is performed in this state than in any
15	other state, based on costs of performance.
16	(g) Rents and royalties from real or tangible personal property,
17	capital gains, interest, dividends, or patent or copyright royalties, to the
18	extent that they constitute nonbusiness income, shall be allocated as
19	provided in subsections (h) through (k).
20	(h)(1) Net rents and royalties from real property located in this state
21	are allocable to this state.
22	(2) Net rents and royalties from tangible personal property are
23	allocated to this state:
24	(i) if and to the extent that the property is utilized in this state; or
25	(ii) in their entirety if the taxpayer's commercial domicile is in this
26	state and the taxpayer is not organized under the laws of or
27	taxable in the state in which the property is utilized.
28	(3) The extent of utilization of tangible personal property in a state
29	is determined by multiplying the rents and royalties by a fraction, the
30	numerator of which is the number of days of physical location of the
31	property in the state during the rental or royalty period in the taxable
32	year, and the denominator of which is the number of days of physical
33	location of the property everywhere during all rental or royalty periods
34	in the taxable year. If the physical location of the property during the
35	rental or royalty period is unknown or unascertainable by the taxpayer,
36	tangible personal property is utilized in the state in which the property
37	was located at the time the rental or royalty payer obtained possession.
38	(i)(1) Capital gains and losses from sales of real property located in
39	this state are allocable to this state.
40	(2) Capital gains and losses from sales of tangible personal property
41	are allocable to this state if:

(i) the property had a situs in this state at the time of the sale; or

1	(ii) the taxpayer's commercial domicile is in this state and the
2	taxpayer is not taxable in the state in which the property had a
3	situs.
4	(3) Capital gains and losses from sales of intangible personal
5	property are allocable to this state if the taxpayer's commercial
6	domicile is in this state.
7	(j) Interest and dividends are allocable to this state if the taxpayer's
8	commercial domicile is in this state.
9	(k)(1) Patent and copyright royalties are allocable to this state:
.0	(i) if and to the extent that the patent or copyright is utilized by
.1	the taxpayer in this state; or
.2	(ii) if and to the extent that the patent or copyright is utilized by
.3	the taxpayer in a state in which the taxpayer is not taxable and the
.4	taxpayer's commercial domicile is in this state.
.5	(2) A patent is utilized in a state to the extent that it is employed
.6	in production, fabrication, manufacturing, or other processing in
.7	the state or to the extent that a patented product is produced in the
.8	state. If the basis of receipts from patent royalties does not permit
.9	allocation to states or if the accounting procedures do not reflect
20	states of utilization, the patent is utilized in the state in which the
21	taxpayer's commercial domicile is located.
22	(3) A copyright is utilized in a state to the extent that printing or
23	other publication originates in the state. If the basis of receipts
24	from copyright royalties does not permit allocation to states or if
25	the accounting procedures do not reflect states of utilization, the
26	copyright is utilized in the state in which the taxpayer's
27	commercial domicile is located.
28	(l) If the allocation and apportionment provisions of this article do
29	not fairly represent the taxpayer's income derived from sources within
30	the state of Indiana, the taxpayer may petition for or the department
31	may require, in respect to all or any part of the taxpayer's business
32	activity, if reasonable:
33	(1) separate accounting;
34	(2) the exclusion of any one (1) or more of the factors;
35	(3) the inclusion of one (1) or more additional factors which will
36	fairly represent the taxpayer's income derived from sources within
37	the state of Indiana; or
88	(4) the employment of any other method to effectuate an equitable
39	allocation and apportionment of the taxpayer's income.
10	(m) In the case of two (2) or more organizations, trades, or
11	businesses owned or controlled directly or indirectly by the same
12	interests, the department shall distribute, apportion, or allocate the

1	income derived from sources within the state of Indiana between and
2	among those organizations, trades, or businesses in order to fairly
3	reflect and report the income derived from sources within the state of
4	Indiana by various taxpayers.
5	(n) For purposes of allocation and apportionment of income under
6	this article, a taxpayer is taxable in another state if:
7	(1) in that state the taxpayer is subject to a net income tax, a
8	franchise tax measured by net income, a franchise tax for the

24	the department is unable to fairly reflect the taxpayer's adjusted gross
25	income for the taxable year through use of other powers granted to the
26	department by subsections (l) and (m).
27	(q) Notwithstanding subsections (o) and (p), one (1) or more
28	taxpayers may petition the department under subsection (1) for

28	SECTION 58. IC 6-3-2-2.6 IS AMENDED TO READ AS
29	FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2.6. (a) This
30	section applies to a corporation or a nonresident person, for a particular
31	taxable year, if the taxpayer's adjusted gross income for that taxable
32	year is reduced because of a deduction allowed under Section 172 of
33	the Internal Revenue Code for a net operating loss. For purposes of
34	section 1 of this chapter, the taxpayer's adjusted gross income, for the
35	particular taxable year, derived from sources within Indiana is the
36	remainder determined under STEP FOUR of the following formula:
37	STEP ONE: Determine, in the manner prescribed in section 2 of
38	this chapter, the taxpayer's adjusted gross income, for the taxable
39	year, derived from sources within Indiana, as calculated without
40	the deduction for net operating losses provided by Section 172 of

STEP TWO: Determine, in the manner prescribed in subsection

1	(b), the amount of the taxpayer's net operating losses that are
2	deductible for the taxable year under Section 172 of the Internal
3	Revenue Code, as adjusted to reflect the modifications required
4	by IC 6-3-1-3.5, and that are derived from sources within Indiana.
5	STEP THREE: Enter the larger of zero (0) or the amount
6	determined under STEP TWO.
7	STEP FOUR: Subtract the amount entered under STEP THREE
8	from the amount determined under STEP ONE.

10	that are to be applied are those modifications required under
11	IC 6-3-1-3.5 for the same taxable year during which each net operating
12	loss was incurred. In addition, for purposes of STEP TWO of
13	subsection (a), the amount of a taxpayer's net operating losses that are
14	derived from sources within Indiana shall be determined in the same
15	manner that the amount of the taxpayer's income derived from sources
16	within Indiana is determined, under section 2 of this chapter, for the
17	same taxable year during which each loss was incurred. Also, for
18	purposes of STEP TWO of subsection (a), the following procedures
19	apply:
20	(1) The taxpayer's net operating loss for a particular taxable year
21	shall be treated as a positive number.
22	(2) A modification that is to be added to federal adjusted gross
23	income or federal taxable income under IC 6-3-1-3.5 shall be
24	treated as a negative number.
25	(3) A modification that is to be subtracted from federal adjusted
26	gross income or federal taxable income under IC 6-3-1-3.5 shall
27	be treated as a positive number.
28	(4) A net operating loss under this section shall be considered
29	even though in the year the taxpayer incurred the loss the
30	taxpayer was not subject to the tax imposed under section 1
31	of this chapter because the taxpayer was:
32	(A) a life insurance company (as defined in Section 816(a)
33	of the Internal Revenue Code); or
34	(B) an insurance company subject to tax under Section 831
35	of the Internal Revenue Code.

2	apply if an ordinance is adopted under this subsection:
3	(1) The ordinance is effective January 1 of the following year.
4	(2) Except as provided in sections 25 and 26 of this chapter,

36	and towns are entitled to receive under subsection (b) during a calendar
37	year, the state board of tax commissioners department of local
38	government finance shall consider only property taxes imposed on
39	tangible property subject to assessment in that county.
40	(h) In a county having a consolidated city, only the consolidated city
41	is entitled to the certified distribution, subject to the requirements of

section sections 15, 25, and 26 of this chapter.

38	revenues to be received under this chapter; or
39	(2) designate the county or a city or town in the county as the
40	recipient of all or a part of its share of the distribution.
41	(b) If a designation is made under subsection (a)(2), the county
42	treasurer shall transfer the share or part of the share to the designated

1	unit unless that unit does not have a capital improvement plan.
2	(c) A county, city, or town that fails to adopt a capital improvement
3	plan may not receive:
4	(1) its fractional amount of the certified distribution; or

6	for the year or years in which the unit does not have a plan. The county
7	treasurer shall retain the certified distribution and any designated
8	distribution for such a unit in a separate account until the unit adopts
9	a plan. Interest on the separate account becomes part of the account. If
10	a unit fails to adopt a plan for a period of three (3) years, then the
11	balance in the separate account shall be distributed to the other units in
12	the county based on property taxes first due and payable to the units

23	project.
24	(e) A capital improvement plan:
25	(1) must encompass a period of no less than two (2) years; and
26	(2) must incorporate projects the cost of which is at least
27	seventy-five percent (75%) of the fractional amount certified
28	distribution expected to be received by the county, city, or town
29	in that period of time.
30	(f) In making a designation under subsection (a)(2), the executive
31	must specify the purpose and duration of the designation. If the
32	designation is made to provide for the payment of lease rentals or bond
33	payments, the executive may specify that the designation and its
34	duration are irrevocable.

from the account established for the county under section 10 of this
chapter according to the following schedule during the eighteen (18)
month period beginning on July 1 of the year in which the county

8	county economic development income tax revenue that is generated by
9	a tax rate of more than fifteen-hundredths percent (0.15%).
10	(d) The county treasurer shall establish a library property tax
11	replacement fund to be used only for the purposes described in this
12	section. County economic development income tax revenues derived
13	from the portion of the tax rate designated for property tax replacement
14	credits under subsection (c) shall be deposited in the library property
15	tax replacement fund before certified distributions are made under
16	section 12 of this chapter. Any interest earned on money in the library
17	property tax replacement fund shall be credited to the library property
18	tax replacement fund.
19	(e) The amount of county economic development income tax
20	revenue dedicated to providing library property tax replacement credits
21	shall, in the manner prescribed in this section, be allocated to public
22	libraries operating in the county and shall be used by those public
23	libraries as property tax replacement credits. The amount of property
24	tax replacement credits that each public library in the county is entitled
25	to receive during a calendar year under this section equals the lesser of:
26	(1) the product of:
27	(A) the amount of revenue deposited by the county auditor in
28	the library property tax replacement fund; multiplied by
29	(B) a fraction described as follows:
30	(i) The numerator of the fraction equals the sum of the total
31	property taxes that would have been collected by the public
32	library during the previous calendar year from taxpayers
33	located within the library district if the property tax
34	replacement under this section had not been in effect.
35	(ii) The denominator of the fraction equals the sum of the
36	total property taxes that would have been collected during
37	the previous year from taxpayers located within the county
38	by all public libraries that are eligible to receive property tax
39	replacement credits under this section if the property tax

replacement under this section had not been in effect; or

(2) the total property taxes that would otherwise be collected by the public library for the calendar year if the property tax

40

41

replacement credit under this section were not in effect. The department of local government finance shall make any adjustments necessary to account for the expansion of a library district. However, a public library is eligible to receive property tax replacement credits under this section only if it has entered into reciprocal borrowing agreements with all other public libraries in the county. If the total amount of county economic development income tax revenue deposited by the county auditor in the library property tax replacement fund for a calendar year exceeds the total property tax

11 county for the year, the excess shall remain in the library property tax 12 replacement fund and shall be used for library property tax replacement 13 purposes in the following calendar year.

(f) Notwithstanding subsection (e), if a public library did not impose a property tax levy during the previous calendar year, that public library is entitled to receive a part of the property tax replacement credits to be distributed for the calendar year. The amount of property tax replacement credits the public library is entitled to receive during the calendar year equals the product of:

liability that would otherwise be imposed for public libraries in the

- (1) the amount of revenue deposited in the library property tax replacement fund; multiplied by
- (2) a fraction. The numerator of the fraction equals the budget of the public library for that calendar year. The denominator of the fraction equals the aggregate budgets of public libraries in the county for that calendar year.

If for a calendar year a public library is allocated a part of the property tax replacement credits under this subsection, then the amount of property tax credits distributed to other public libraries in the county for the calendar year shall be reduced by the amount to be distributed as property tax replacement credits under this subsection. The department of local government finance shall make any adjustments required by this subsection and provide the adjustments to the county auditor.

- (g) The department of local government finance shall inform the county auditor of the amount of property tax replacement credits that each public library in the county is entitled to receive under this section. The county auditor shall certify to each public library the amount of property tax replacement credits that the public library is entitled to receive during that calendar year. The county auditor shall also certify these amounts to the county treasurer.
- (h) A public library receiving property tax replacement credits under this section shall allocate the credits among each fund for which a

C O P Y

1	distinct property tax levy is imposed. The amount that must be
2	allocated to each fund equals:
3	(1) the amount of property tax replacement credits provided to the
4	public library under this section; multiplied by
5	(2) the amount determined in STEP THREE of the following
6	formula:
7	STEP ONE: Determine the property taxes that would have
8	been collected for each fund by the public library during the
9	previous calendar year if the property tax replacement under
10	this section had not been in effect.
11	STEP TWO: Determine the sum of the total property taxes that
12	would have been collected for all funds by the public library
13	during the previous calendar year if the property tax
14	replacement under this section had not been in effect.
15	STEP THREE: Divide the STEP ONE amount by the STEP
16	TWO amount.
17	However, if a public library did not impose a property tax levy during
18	the previous calendar year or did not impose a property tax levy for a
19	particular fund during the previous calendar year, but the public library
20	is imposing a property tax levy in the current calendar year or is
21	imposing a property tax levy for the particular fund in the current
22	calendar year, the department of local government finance shall adjust
23	the amount of property tax replacement credits allocated among the
24	various funds of the public library and shall provide the adjustment to
25	the county auditor. If a public library receiving property tax
26	replacement credits under this section does not impose a property tax
27	levy for a particular fund that is first due and payable in a calendar year
28	in which the property tax replacement credits are being distributed, the
29	public library is not required to allocate to that fund a part of the
30	property tax replacement credits to be distributed to the public library.
31	Notwithstanding IC 6-1.1-20-1.1(1), a public library that receives
32	property tax replacement credits under this section is subject to the
33	procedures for the issuance of bonds set forth in IC 6-1.1-20.
34	(i) For each public library that receives property tax credits under
35	this section, the department of local government finance shall certify
36	to the county auditor the property tax rate applicable to each fund after
37	the property tax replacement credits are allocated.
38	(j) A public library shall treat property tax replacement credits
39	received during a particular calendar year under this section as a part
40	of the public library's property tax levy for each fund for that same

calendar year for purposes of fixing the public library's budget and for purposes of the property tax levy limits imposed by IC 6-1.1-18.5.

41

	132
	(k) The property tax replacement credits that are received under this section do not reduce the total county tax levy that is used to compute the state property tax replacement credit under IC 6-1.1-21. For the purpose of computing and distributing certified distributions under IC 6-3.5-1.1 and tax revenue under IC 6-5-10, IC 6-5-11, IC 6-5-12, IC 6-5.5 or IC 6-6-5, the property tax replacement credits that are received under this section shall be treated as though they were property taxes that were due and payable during that same calendar
•	year. SECTION 112. IC 6-3.5-7-25 IS ADDED TO THE INDIANA
	CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 25. (a) This section applies only to a county that has adopted an ordinance under
	IC 6-1.1-12-41(f). (b) For purposes of this section, "imposing entity" means the entity that adopted the ordinance under IC 6-1.1-12-41(f).

- (c) The imposing entity shall adopt an ordinance to provide for the use of the certified distribution described in section 16(c) of this chapter for the purpose provided in subsection (e). A county income tax council that adopts an ordinance under this subsection shall use the procedures set forth in IC 6-3.5-6 concerning the adoption of an ordinance for the imposition of the county option income tax. An ordinance must be adopted under this subsection after January 1 but before April 1 of a calendar year. The ordinance may provide for an additional rate under section 5(p) of this chapter. An ordinance adopted under this subsection:
 - (1) first applies to the certified distribution described in section 16(c) of this chapter made in the calendar year that immediately succeeds the calendar year in which the ordinance is adopted;
 - (2) must specify the calendar years to which the ordinance applies; and
 - (3) must specify that the certified distribution must be used for the purpose provided in subsection (e).

An ordinance adopted under this subsection may be combined with an ordinance adopted under section 26 of this chapter.

- (d) If an ordinance is adopted under subsection (c), the percentage of the certified distribution specified in the ordinance for use for the purpose provided in subsection (e) shall be:
 - (1) retained by the county auditor under subsection (g); and
 - (2) used for the purpose provided in subsection (e) instead of the purposes specified in the capital improvement plans

	1 / 1 1 / 4 / 6 / 1 1 /
1	adopted under section 15 of this chapter.
2	(e) If an ordinance is adopted under subsection (c), the imposing
3	entity shall use the certified distribution described in section 16(c)
4	of this chapter to increase the percentage of the homestead credit
5	allowed in the county under IC 6-1.1-20.9 for a year to offset the
6	effect on homesteads in the county resulting from a county
7	deduction for inventory under IC 6-1.1-12-41. The county auditor
8	shall, for each calendar year in which an increased homestead
9	credit percentage is authorized under this section, determine:
10	(1) the amount of the certified distribution that is available to
11	provide an increased homestead credit percentage for the
12	year;
13	(2) the amount of uniformly applied homestead credits for the
14	year in the county that equals the amount determined under
15	subdivision (1); and
16	(3) the increased percentage of homestead credit that equates
17	to the amount of homestead credits determined under
18	subdivision (2).
19	(f) The increased percentage of homestead credit determined by
20	the county auditor under subsection (e) applies uniformly in the
21	county in the calendar year for which the increased percentage is
22	determined.
23	(g) The county auditor shall retain from the payments of the
24	county's certified distribution an amount equal to the revenue lost,
25	if any, due to the increase of the homestead credit within the
26	county. The money shall be distributed to the civil taxing units and
27	school corporations of the county:
28	(1) as if the money were from property tax collections; and
29	(2) in such a manner that no civil taxing unit or school
30	corporation will suffer a net revenue loss because of the
31	allowance of an increased homestead credit.
32	SECTION 113. IC 6-3.5-7-26 IS ADDED TO THE INDIANA
33	CODE AS A NEW SECTION TO READ AS FOLLOWS
34	[EFFECTIVE JANUARY 1, 2003]: Sec. 26. (a) This section applies
35	only to homestead credits for property taxes first due and payable
36	after calendar year 2006.
37	(b) For purposes of this section, "adopting entity" means the
38	entity that:
39	(1) adopts an ordinance under IC 6-1.1-12-41(f); or
40	(2) any other entity that may impose a county economic
41	development income tax under section 5 of this chapter.

(c) An adopting entity may adopt an ordinance to provide for

1	the use of the certified distribution described in section 16(c) of this
2	chapter for the purpose provided in subsection (e). An adopting
3	entity that adopts an ordinance under this subsection shall use the
4	procedures set forth in IC 6-3.5-6 concerning the adoption of an
5	ordinance for the imposition of the county option income tax. An
6	ordinance must be adopted under this subsection after January 1
7	but before April 1 of a calendar year. The ordinance may provide
8	for an additional rate under section 5(p) of this chapter. An
9	ordinance adopted under this subsection:
0	(1) first applies to the certified distribution described in
1	section 16(c) of this chapter made in the later of the calendar
2	year that immediately succeeds the calendar year in which the
3	ordinance is adopted or calendar year 2007; and
4	(2) must specify that the certified distribution must be used
.5	for the purpose provided in subsection (e).
6	An ordinance adopted under this subsection may be combined with
7	an ordinance adopted under section 25 of this chapter.
8	(d) If an ordinance is adopted under subsection (c), the
9	percentage of the certified distribution specified in the ordinance
20	for use for the purpose provided in subsection (e) shall be:
21	(1) retained by the county auditor under subsection (g); and
22	(2) used for the purpose provided in subsection (e) instead of
23	the purposes specified in the capital improvement plans
24	adopted under section 15 of this chapter.
25	(e) If an ordinance is adopted under subsection (c), the adopting
26	entity shall use the certified distribution described in section 16(c)
27	of this chapter to increase the percentage of the homestead credit
28	allowed in the county under IC 6-1.1-20.9 for a year to offset the
29	effect on homesteads in the county resulting from the statewide
30	deduction for inventory under IC 6-1.1-12-42. The county auditor
31	shall, for each calendar year in which an increased homestead
32	credit percentage is authorized under this section, determine:
33	(1) the amount of the certified distribution that is available to
34	provide an increased homestead credit percentage for the
35	year;
86	(2) the amount of uniformly applied homestead credits for the
37	year in the county that equals the amount determined under
88	subdivision (1); and
39	(3) the increased percentage of homestead credit that equates
10	to the amount of homestead credits determined under

(f) The increased percentage of homestead credit determined by

41

42

subdivision (2).

1	the county auditor under subsection (e) applies uniformly in the
2	county in the calendar year for which the increased percentage is
3	determined.
4	(g) The county auditor shall retain from the payments of the
5	county's certified distribution an amount equal to the revenue lost,
6	if any, due to the increase of the homestead credit within the
7	county. The money shall be distributed to the civil taxing units and
8	school corporations of the county:
9	(1) as if the money were from property tax collections; and
10	(2) in such a manner that no civil taxing unit or school
11	corporation will suffer a net revenue loss because of the
12	allowance of an increased homestead credit.
13	SECTION 114. IC 6-5.5-8-2, AS AMENDED BY P.L.90-2002,
14	SECTION 303, IS AMENDED TO READ AS FOLLOWS
15	[EFFECTIVE JANUARY 1, 2003]: Sec. 2. (a) On or before February
16	1, May 1, August 1, and December 1 of each year the auditor of state
17	shall transfer to each county auditor for distribution to the taxing units
18	(as defined in IC 6-1.1-1-21) in the county, an amount equal to
19	one-fourth (1/4) of the sum of the guaranteed amounts for all the taxing
20	units of the county. On or before August 1 of each year the auditor of
21	state shall transfer to each county auditor the supplemental distribution
22	for the county for the year.
23	(b) For purposes of determining distributions under subsection (b),
24	(c), the department of local government finance shall determine a state
25	welfare allocation for each county calculated as follows:
26	(1) For 2000 and each year thereafter, the state welfare allocation
27	for each county equals the greater of zero (0) or the amount
28	determined under the following formula:
29	STEP ONE: For 1997, 1998, and 1999, determine the result
30	of:
31	(A) the amounts appropriated by the county in the year for
32	the county's county welfare fund and county welfare
33	administration fund; divided by
34	(B) the amounts appropriated by all the taxing units in the
35	county in the year.
36	STEP TWO: Determine the sum of the results determined in
37	STEP ONE.
38	STEP THREE: Divide the STEP TWO result by three (3).
39	STEP FOUR: Determine the amount that would otherwise be
40	distributed to all the taxing units in the county under
41	subsection (b) without regard to this subdivision.
42	STEP FIVE: Determine the result of:

1	(A) the STEP FOUR amount; multiplied by
2	(B) the STEP THREE result.
3	(2) The state welfare allocation shall be deducted from the
4	distributions otherwise payable under subsection (b) (c) to the
5	taxing unit that is a county and shall be deposited in a special
6	account within the state general fund.
7	(b) (c) A taxing unit's guaranteed distribution for a year is the
8	greater of zero (0) or an amount equal to:
9	(1) the amount received by the taxing unit under IC 6-5-10
10	(repealed) and IC 6-5-11 (repealed) in 1989; minus
11	(2) the amount to be received by the taxing unit in the year of the
12	distribution, as determined by the department of local government
13	finance, from property taxes attributable to the personal property
14	of banks, exclusive of the property taxes attributable to personal
15	property leased by banks as the lessor where the possession of the
16	personal property is transferred to the lessee; minus
17	(3) in the case of a taxing unit that is a county, the amount that
18	would have been received by the taxing unit in the year of the
19	distribution, as determined by the department of local government
20	finance from property taxes that:
21	(A) were calculated for the county's county welfare fund and
22	county welfare administration fund for 2000 but were not
23	imposed because of the repeal of IC 12-19-3 and IC 12-19-4;
24	and
25	(B) would have been attributable to the personal property of
26	banks, exclusive of the property taxes attributable to personal
27	property leased by banks as the lessor where the possession of
28	the personal property is transferred to the lessee.
29	(c) (d) The amount of the supplemental distribution for a county for
30	a year shall be determined using the following formula:
31	STEP ONE: Determine the greater of zero (0) or the difference
32	between:
33	(A) one-half $(1/2)$ of the taxes that the department estimates
34	will be paid under this article during the year; minus
35	(B) the sum of all the guaranteed distributions, before the
36	subtraction of all state welfare allocations under subsection
37	(a), for all taxing units in all counties plus the bank personal
38	property taxes to be received by all taxing units in all counties,
39	as determined under subsection $\frac{(b)(2)}{(c)(2)}$ for the year.
40	STEP TWO: Determine the quotient of:
41	(A) the amount received under IC 6-5-10 (repealed) and
42	IC 6-5-11 (repealed) in 1989 by all taxing units in the county;

1	divided by
2	(B) the sum of the amounts received under IC 6-5-10
3	(repealed) and IC 6-5-11 (repealed) in 1989 by all taxing
4	units in all counties.
5	STEP THREE: Determine the product of:
6	(A) the amount determined in STEP ONE; multiplied by
7	(B) the amount determined in STEP TWO.
8	STEP FOUR: Determine the greater of zero (0) or the difference
9	between:
10	(A) the amount of supplemental distribution determined in
11	STEP THREE for the county; minus
12	(B) the amount of refunds granted under IC 6-5-10-7
13	(repealed) that have yet to be reimbursed to the state by the
14	county treasurer under IC 6-5-10-13 (repealed).
15	For the supplemental distribution made on or before August 1 of each
16	year, the department shall adjust the amount of each county's
17	supplemental distribution to reflect the actual taxes paid under this
18	article for the preceding year.
19	(d) (e) Except as provided in subsection (f), (g), the amount of the
20	supplemental distribution for each taxing unit shall be determined
21	using the following formula:
22	STEP ONE: Determine the quotient of:
23	(A) the amount received by the taxing unit under IC 6-5-10
24	(repealed) and IC 6-5-11 (repealed) in 1989; divided by
25	(B) the sum of the amounts used in STEP ONE (A) for all
26	taxing units located in the county.
27	STEP TWO: Determine the product of:
28	(A) the amount determined in STEP ONE; multiplied by
29	(B) the supplemental distribution for the county, as determined
30	in subsection (e), (d), STEP FOUR.
31	(e) (f) The county auditor shall distribute the guaranteed and
32	supplemental distributions received under subsection (a) to the taxing
33	units in the county at the same time that the county auditor makes the
34	semiannual distribution of real property taxes to the taxing units.
35	(f) (g) The amount of a supplemental distribution paid to a taxing
36	unit that is a county shall be reduced by an amount equal to:
37	(1) the amount the county would receive under subsection (d) (e)
38	without regard to this subsection; minus
39	(2) an amount equal to:
40	(A) the amount under subdivision (1); multiplied by
41	(B) the result of the following:
42	(i) Determine the amounts appropriated by the county in

1	1997, 1998, and 1999, from the county's county welfare fund
2	and county welfare administration fund, divided by the total
3	amounts appropriated by all the taxing units in the county in
4	the year.
5	(ii) Divide the amount determined in item (i) by three (3).

- (1) Seven thirty-firsts (7/31) Six and six tenths percent (6.6%) of the money shall be deposited in a fund to be known as the cigarette tax fund.
- (2) One thirty-first (1/31) Ninety-four hundredths percent (0.94%) of the money shall be deposited in a fund to be known as the mental health centers fund.
- (3) Fourteen thirty-firsts (14/31) Eighty-three and ninety-seven hundredths percent (83.97%) of the money shall be deposited in the state general fund.
- (4) Nine thirty-firsts (9/31) Eight and forty-nine hundredths percent (8.49%) of the money shall be deposited into the pension relief fund established in IC 5-10.3-11.

The money in the cigarette tax fund, the mental health centers fund, or the pension relief fund at the end of a fiscal year does not revert to the state general fund. However, if in any fiscal year, the amount allocated to a fund under subdivision (1) or (2) is less than the amount received in fiscal year 1977, then that fund shall be credited with the difference between the amount allocated and the amount received in fiscal year 1977, and the allocation for the fiscal year to the fund under subdivision (3) shall be reduced by the amount of that difference.

24	SECTION 126. IC 6-8.1-5-2, AS AMENDED BY P.L.181-1999,
25	SECTION 6, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
26	JANUARY 1, 2003]: Sec. 2. (a) Except as otherwise provided in this
27	section, the department may not issue a proposed assessment under
28	section 1 of this chapter more than three (3) years after the latest of the
29	date the return is filed, or any of the following:
30	(1) the due date of the return; or
31	(2) in the case of a return filed for the state gross retail or use tax,
32	the gasoline tax, the special fuel tax, the motor carrier fuel tax, the
33	oil inspection fee, or the petroleum severance tax, the end of the
34	calendar year which contains the taxable period for which the
35	return is filed.
36	(b) If a person files an adjusted gross income tax (IC 6-3),
37	supplemental net income tax (IC 6-3-8) (repealed), county adjusted
38	gross income tax (IC 6-3.5-1.1), county option income tax (IC 6-3.5-6),
39	or financial institutions tax (IC 6-5.5) return that understates the
40	person's income, as that term is defined in the particular income tax
41	law, by at least twenty-five percent (25%), the proposed assessment
42	limitation is six (6) years instead of the three (3) years provided in

	1 1 J
1	subsection (a).
2	(c) In the case of the motor vehicle excise tax (IC 6-6-5), the tax
3	shall be assessed as provided in IC 6-6-5-5 and IC 6-6-5-6 and shall
4	include the penalties and interest due on all listed taxes not paid by the
5	due date. A person that fails to properly register a vehicle as required
6	by IC 9-18 and pay the tax due under IC 6-6-5 is considered to have
7	failed to file a return for purposes of this article.
8	(d) In the case of the commercial vehicle excise tax imposed under
9	IC 6-6-5.5, the tax shall be assessed as provided in IC 6-6-5.5 and shall
10	include the penalties and interest due on all listed taxes not paid by the
11	due date. A person that fails to properly register a commercial vehicle
12	as required by IC 9-18 and pay the tax due under IC 6-6-5.5 is
13	considered to have failed to file a return for purposes of this article.
14	(e) If a person files a fraudulent, unsigned, or substantially blank
15	return, or if a person does not file a return, there is no time limit within
16	which the department must issue its proposed assessment.
17	(f) If, before the end of the time within which the department may
18	make an assessment, the department and the person agree to extend
19	that assessment time period, the period may be extended according to
20	the terms of a written agreement signed by both the department and the
21	person. The agreement must contain:
22	(1) the date to which the extension is made; and
23	(2) a statement that the person agrees to preserve the person's
24	records until the extension terminates.
25	The department and a person may agree to more than one (1) extension
26	under this subsection.
27	(g) If a taxpayer's federal income tax liability for a taxable year is
28	modified due to the assessment of a federal deficiency or the filing of
29	an amended federal income tax return, then the date by which the
30	department must issue a proposed assessment under section 1 of this
31	chapter for tax imposed under IC 6-3 is extended to six (6) months after
32	the date on which the notice of modification is filed with the
33	department by the taxpayer.
34	SECTION 127. IC 8-1-2.8-24 IS AMENDED TO READ AS
35	FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 24. If the InTRAC
36	meets the requirements of sections 18 and 21 of this chapter, the
37	InTRAC:
38	(1) for purposes of all taxes imposed by the state or any county or
39	municipality in Indiana is an organization that is organized and
40	operated exclusively for charitable purposes; and
41	(2) qualifies for all exemptions applicable to those organizations,

including but not limited to those exemptions set forth in

IC 6-2.1-3-20 **IC 6-2.5-5-21(b)(1)(B)** and IC 6-1.1-10-16.

SECTION 128. IC 8-21-9-31 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 31. (a) The exercise of the powers granted by this chapter will be in all respects for the benefit of the people of the state, for the increase of their commerce and prosperity, and for the improvement of their health and living conditions, and as the operation and maintenance of an airport facility or airport facilities by the department will constitute the performance of essential governmental functions, the department shall not be required to pay any taxes or assessments upon any airport facility or airport facilities or any property acquired or used by the department under the provisions of this chapter, or upon the income therefrom, and the bonds issued under the provisions of this chapter, the interest thereon, the proceeds received by a holder from the sale of such bonds to the extent of the holder's cost of acquisition, or proceeds received upon redemption prior to maturity or proceeds received at maturity, and the receipt of such interest and proceeds shall be exempt from taxation in the state of Indiana for all purposes except the financial institutions tax imposed under IC 6-5.5 or a state inheritance tax imposed under IC 6-4.1.

(b) All properties both real and personal owned and operated by the department or leased by the department for proprietary purposes shall be assessed and added to the local tax rolls as any other private property. Such proprietary operations, under control of either the authority or a lessee of the department, shall be subject to Indiana state gross income, adjusted gross income and sales tax laws.

SECTION 129. IC 8-22-2-18 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 18. (a) Subject to the approval of the fiscal body of the eligible entity, the board may contract with any person for construction, extensions, additions, or improvements of an aircraft hangar or revenue producing building or facility located or to be located on the airport of the entity, the cost of which is to be paid in the manner authorized by this section.

- (b) A contract made under this section must be authorized by ordinance providing that the principal and interest of bonds issued for the payment of the cost of the construction, extensions, additions, or improvements shall be paid exclusively from the revenues and receipts of the aircraft hangars or revenue producing buildings or facilities, unless otherwise provided by this section.
- (c) The fiscal body must, by ordinance, set aside the income and revenues of the buildings or facilities into a separate fund, to be used in the maintenance and operation and in payment of the cost of the

EH 1001(ss)—LS 6004/DI 51

1	construction, extensions, additions, or improvements. The ordinance
2	must fix:
3	(1) the proportion of the revenues of the buildings or facilities that
4	is necessary for the reasonable and proper operation and
5	maintenance of them; and
6	(2) the proportion of the revenues that are to be set aside and
7	applied to the payment of the principal and interest of bonds.
8	The ordinance may provide for the proportion of the revenues that are
9	to be set aside as an adequate depreciation account.
10	(d) Whenever the board determines that there exists a surplus in
11	funds derived from the net operating receipts of a municipal airport,
12	then the board may recommend to the fiscal body that a designated
13	amount of the surplus fund be appropriated by special or general
14	appropriation to the "aviation revenue bond account" for the relief of
15	principal or interest of bonds issued under this section. However, this
16	surplus in funds may not include monies raised by taxation.
17	(e) The fiscal body may issue and sell bonds to provide for the
18	payment of costs of the following:
19	(1) Airport capital improvements, including the acquisition of real
20	property.
21	(2) Construction or improvement of revenue producing buildings
22	or facilities owned and operated by the eligible entity.
23	(3) Payment of any loan contract.
24	The fiscal body may issue and sell bonds bearing interest, payable
25	annually or semiannually, executed in the manner and payable at the
26	times not exceeding forty (40) years from the date of issue and at the
27	places as the fiscal body of the entity determines, which bonds are
28	payable only out of the "aviation revenue bond account" fund. The
29	bonds have in the hands of bona fide holders all the qualities of
30	negotiable instruments under law.
31	(f) In case any of the officers whose signatures or countersignatures
32	appear on the bonds or the coupons ceases to be the officer before the
33	delivery of the bonds to the purchaser, the signature or
34	countersignatures are nevertheless valid and sufficient for all purposes,
35	the same as if he had remained in office until the delivery of the bonds.
36	The bonds and their interest issued against an "aviation revenue bond
37	account" fund and the fixed proportion or amount of the revenues
38	pledged to the fund does not constitute an indebtedness of the entity
39	under the Constitution of the State of Indiana.
40	(g) Each bond must state plainly upon its face that it is payable only
41	from the special fund, naming the fund and the ordinance creating it,

and that it does not constitute an indebtedness of the entity under the

Constitution of the State of Indiana. The bonds may be issued either as registered bonds or as bonds payable to bearer. Coupons and bearer bonds may be registered as to principal in the holder's name on the books of the entity, the registration being noted on the bond by the clerk or other designated officer, after which no transfer is valid unless made on the books of the entity by the registered holder and similarly noted on the bonds. Bonds so registered as to principal may be discharged from the registration by being transferred to bearer, after which it is transferable by delivery but may be registered again as to principal. The registration of the bonds as to the principal does not restrain the negotiability of the coupon by delivery, but the coupons may be surrendered and the interest made payable only to the registered holder of the bonds. If the coupons are surrendered, the surrender and cancellation of them shall be noted on the bond and then interest on the bond is payable to the registered holder or order in cash or at his option by check or draft payable at the place or one (1) of the places where the coupons are payable.

- (h) The bonds shall be sold in a manner and upon terms that the fiscal body considers in the best interest of the entity.
- (i) All bonds issued by an eligible entity under this section are exempt from taxation for all purposes, except that the interest is subject to **the adjusted** gross income tax.
- (j) In fixing the proportion of the revenues of the building or facility required for operation and maintenance, the fiscal body shall consider the cost of operation and maintenance of the building or facility and may not set aside into the special fund a greater amount or proportion of the revenues and proceeds than are required for the operation and maintenance. The sums set aside for operation and maintenance shall be used exclusively for that purpose, until the accumulation of a surplus results.
- (k) The proportion set aside to the depreciation fund, if a depreciation account or fund is provided for under this section, shall be expended in remedying depreciation in the building or facility or in new construction, extensions, additions, or improvements to the property. Accumulations of the depreciation fund may be invested, and the income from the investment goes into the depreciation fund. The fund, and the proceeds of it, may not be used for any other purpose.
- (1) The fixed proportion that is set aside for the payment of the principal and interest of the bonds shall, from month to month, as it is accrued and received, be set apart and paid into a special account in the treasury of the eligible entity, to be identified "aviation revenue bond account," the title of the account to be specified by ordinance. In fixing

C O P

the amount or proportion to be set aside for the payment of the
principal and interest of the bonds, the fiscal body may provide that the
amount to be set aside and paid into the aviation revenue bond account
for any year or years may not exceed a fixed sum, which sum must be
at least sufficient to provide for the payment of the interest and
principal of the bonds maturing and becoming payable in each year,
together with a surplus or margin of ten percent (10%).
(m) If a surplus is accumulated in the operating and maintenance
fund that is equal to the cost of maintaining and operating the building
or facility for the twelve (12) following calendar months, the excess
over the surplus may be transferred by the fiscal body to either the

the fiscal body designates.

(n) If a surplus is created in the aviation revenue bond account in excess of the interest and principal of bonds, plus ten percent (10%), becoming payable during the calendar, operating, or fiscal year then current, together with the amount of interest or principal of bonds becoming due and payable during the next calendar, operating, or fiscal year, the fiscal body may transfer the excess over the surplus to either the operating and maintenance account, or to the depreciation account, as the fiscal body designates.

depreciation account to be used for improvements, extensions, or

additions to property or to the aviation revenue bond account fund, as

- (o) All money received from bonds issued under this section shall be applied solely for the purposes listed in subsection (e). There is created a statutory mortgage lien upon buildings or facilities for which bonds are issued in favor of the holders of the bonds and of the coupons of the bonds. The buildings or facilities so constructed, extended, or improved remain subject to the statutory mortgage lien until payment in full of the principal and interest of the bonds.
- (p) A holder of the bonds or of the attached coupons may enforce the statutory mortgage lien conferred by this section, and may enforce performance of all duties required by this section of the eligible entity issuing the bond or of any officer of the entity, including:
 - (1) the making and collecting of reasonable and sufficient rates or rentals for the use or lease of the buildings or facilities, or part of them established for the rent, lease, or use of the buildings or facilities;
 - (2) the segregation of the revenues from the buildings or facilities; and
 - (3) the application of the respective funds created by this section.
- (q) If there is a default in the payment of the principal or interest of any of the bonds, a court having jurisdiction of the action may appoint

C o p

1	an administrator or receiver to administer, manage, or operate the
2	buildings or facilities on behalf of the entity, and the bondholders, with

5 6	buildings or facilities sufficient to provide for the payment of the operating expenses;

10	section and the ordinance.
11	SECTION 130. IC 8-22-3.5-10 IS AMENDED TO READ AS
12	FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 10. (a) Except in
13	a county described in section 1(5) of this chapter, if the commission
14	adopts the provisions of this section by resolution, each taxpayer in the
15	airport development zone is entitled to an additional credit for property
16	taxes (as defined in IC 6-1.1-21-2) that, under IC 6-1.1-22-9, are due
17	and payable in May and November of that year. One-half (1/2) of the
18	credit shall be applied to each installment of property taxes (as defined
19	in IC 6-1.1-21-2). This credit equals the amount determined under the
20	following STEPS for each taxpayer in a taxing district that contains all
21	or part of the airport development zone:
22	STEP ONE: Determine that part of the sum of the amounts under
23	IC $6-1.1-21-2(g)(1)(A)$ and IC $6-1.1-21-2(g)(2)$ through
24	IC $6-1.1-21-2(g)(5)$ that is attributable to the taxing district.
25	STEP TWO: Divide:
26	(A) that part of twenty percent (20%) of the county's total
27	county tax levy payable eligible property tax replacement
28	amount (as defined in IC 6-1.1-21-2) for that year as
29	determined under IC 6-1.1-21-4 that is attributable to the
30	taxing district; by
31 32	(B) the STEP ONE sum.
33	STEP THREE: Multiply: (A) the STEP TWO quotient; by
34	(B) the total amount of the taxpayer's property taxes (as
35	defined in IC 6-1.1-21-2) levied in the taxing district that
36	would have been allocated to the special funds under section

(a) Subject to subsection (b), each school corporation may levy for the calendar year a property tax for the school transportation fund sufficient to pay all operating costs attributable to transportation that:

- (2) are listed in section 2(a)(1) through 2(a)(7) of this chapter.
- (b) For taxes first due and payable in 1996, the property tax levy for the fund may not exceed the amount determined using the following formula:

1	STEP ONE: Determine the sum of the expenditures attributable
2	to operating costs listed in section $2(a)(1)$ through $2(a)(7)$ of this
3	chapter that were made by the school corporation as determined
4	by the department of local government finance for all operating
5	costs attributable to transportation that are not paid from other
6	revenues available to the fund for school years ending in 1993,
7	1994, and 1995.
8	STEP TWO: Divide the amount determined in STEP ONE by
9	three (3).
10	STEP THREE: Determine the greater of:
11	(A) the STEP TWO amount; or
12	(B) the school corporation's actual transportation fund levy
13	attributable to operating costs for property taxes first due and
14	payable in 1995.
15	STEP FOUR: Multiply the amount determined in STEP THREE
16	by one and five-hundredths (1.05).
17	(c) (b) For each year after 1996, 2002, the levy for the fund may not
18	exceed the levy for the previous year multiplied by the assessed value
19	growth quotient determined using under STEP FOUR of the
20	following formula:
21	STEP ONE: Determine the three (3) calendar years that most
22	immediately precede the ensuing calendar year and in which a
23	statewide general reassessment of real property does not first
24	become effective.
25	STEP TWO: Compute separately, for each of the calendar years
26	determined in STEP ONE, the quotient (rounded to the nearest
27	ten-thousandth) of the school corporation's total assessed value of
28	all taxable property in the particular calendar year, divided by the
29	school corporation's total assessed value of all taxable property in
30	the calendar year immediately preceding the particular calendar
31	year.
32	STEP THREE: Divide the sum of the three (3) quotients
33	computed in STEP TWO by three (3).
34	STEP FOUR: Determine the greater of the result computed in
35	STEP THREE or one and five-hundredths (1.05).
36	STEP FIVE: Determine the lesser of the result computed in STEP
37	FOUR or one and one-tenth (1.1).
38	If the assessed values of taxable property used in determining a school
39	corporation's property taxes that are first due and payable in a
40	particular calendar year are significantly increased over the assessed
41	values used for the immediately preceding calendar year's property
42	taxes due to the settlement of litigation concerning the general

reassessment of that school corporation's real property, then for purposes of determining that school corporation's assessed value growth quotient for an ensuing calendar year, the department of local government finance shall replace the quotient described in STEP TWO for that particular calendar year. The department of local government finance shall replace that quotient with one that as accurately as possible will reflect the actual growth in the school corporation's assessed values of real property from the immediately preceding calendar year to that particular calendar year. The maximum property levy limit computed under this section for the school transportation fund shall be reduced to reflect the transfer of costs for operating to the school bus replacement fund under section 2(e) of this chapter. The total reduction in the school transportation fund maximum property tax levy may not exceed the amount of the fair market lease value of the contracted transportation service expenditures paid from the fund before the transfer.

STEP ONE: For each of the six (6) calendar years immediately preceding the year in which a budget is adopted under IC 6-1.1-17-5 or IC 6-1.1-17-5.6 for part or all of the ensuing calendar year, divide the Indiana nonfarm personal income for the calendar year by the Indiana nonfarm personal income for the calendar year immediately preceding that calendar year, rounding to the nearest one-thousandth (0.001).

STEP TWO: Determine the sum of the STEP ONE results. STEP THREE: Divide the STEP TWO result by six (6), rounding to the nearest one-thousandth (0.001).

STEP FOUR: Determine the lesser of the following:

- (A) The STEP THREE quotient.
- (B) One and six hundredths (1.06).
- (d) (c) Each school corporation may levy for the calendar year a tax for the school bus replacement fund in accordance with the school bus acquisition plan adopted under section 3.1 of this chapter.
- (e) (d) The tax rate and levy for each fund shall be established as a part of the annual budget for the calendar year in accord with IC 6-1.1-17.

о р

1	IC 6-5.5, IC 6-6-5, IC 6-6-5.5, or IC 6-6-6.5, the county supplemental
2	school financing tax shall be treated as if it were property taxes
3	imposed by a separate taxing unit. Thus, the appropriate portion of
4	those distributions shall be deposited in the county supplemental school
5	distribution fund.
6	(b) The entitlement of each school corporation from the county
7	supplemental school distribution fund for each calendar year after 2000
8	shall be the greater of:
9	(1) the amount of its entitlement for the calendar year 2000 from

SECTION 151. IC 27-8-10-2.1 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 2.1. (a) There is established a nonprofit legal entity to be referred to as the Indiana comprehensive health insurance association, which must assure that health insurance is made available throughout the year to each eligible Indiana resident applying to the association for coverage. All carriers, health maintenance organizations, limited service health maintenance organizations, and self-insurers providing health insurance or health care services in Indiana must be members of the association. The association shall operate under a plan of operation established and approved under subsection (c) and shall exercise its powers through a board of directors established under this section.

- (b) The board of directors of the association consists of seven (7) members whose principal residence is in Indiana selected as follows:
 - (1) Three (3) members to be appointed by the commissioner from the members of the association, one (1) of which must be a representative of a health maintenance organization.
 - (2) Two (2) members to be appointed by the commissioner shall be consumers representing policyholders.
 - (3) Two (2) members shall be the state budget director or designee and the commissioner of the department of insurance or designee.

The commissioner shall appoint the chairman of the board, and the board shall elect a secretary from its membership. The term of office of each appointed member is three (3) years, subject to eligibility for reappointment. Members of the board who are not state employees may be reimbursed from the association's funds for expenses incurred in attending meetings. The board shall meet at least semiannually, with the first meeting to be held not later than May 15 of each year.

(c) The association shall submit to the commissioner a plan of operation for the association and any amendments to the plan necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation becomes effective upon approval in writing by the commissioner consistent with the date on which the coverage under this chapter must be made available. The commissioner shall, after notice and hearing, approve the plan of operation if the plan is determined to be suitable to assure the fair, reasonable, and equitable administration of the association and provides for the sharing of association losses on an equitable, proportionate basis among the member carriers, health maintenance organizations, limited service health maintenance organizations, and

C o p

1	self-insurers. If the association fails to submit a suitable plan of
2	operation within one hundred eighty (180) days after the appointment
3	of the board of directors, or at any time thereafter the association fails
4	to submit suitable amendments to the plan, the commissioner shall
5	adopt rules under IC 4-22-2 necessary or advisable to implement this
6	section. These rules are effective until modified by the commissioner
7	or superseded by a plan submitted by the association and approved by
8	the commissioner. The plan of operation must:
9	(1) establish procedures for the handling and accounting of assets
10	and money of the association;
11	(2) establish the amount and method of reimbursing members of
12	the board;
13	(3) establish regular times and places for meetings of the board of
14	directors;
15	(4) establish procedures for records to be kept of all financial
16	transactions, and for the annual fiscal reporting to the
17	commissioner;
18	(5) establish procedures whereby selections for the board of
19	directors will be made and submitted to the commissioner for
20	approval;
21	(6) contain additional provisions necessary or proper for the
22	execution of the powers and duties of the association; and
23	(7) establish procedures for the periodic advertising of the general
24	availability of the health insurance coverages from the
25	association.
26	(d) The plan of operation may provide that any of the powers and
27	duties of the association be delegated to a person who will perform
28	functions similar to those of this association. A delegation under this
29	section takes effect only with the approval of both the board of
30	directors and the commissioner. The commissioner may not approve a
31	delegation unless the protections afforded to the insured are
32	substantially equivalent to or greater than those provided under this
33	chapter.
34	(e) The association has the general powers and authority enumerated
35	by this subsection in accordance with the plan of operation approved
36	by the commissioner under subsection (c). The association has the
37	general powers and authority granted under the laws of Indiana to
38	carriers licensed to transact the kinds of health care services or health
39	insurance described in section 1 of this chapter and also has the

C o p

specific authority to do the following:

(1) Enter into contracts as are necessary or proper to carry out this

chapter, subject to the approval of the commissioner.

40

41

1	(2) Sue or be sued, including taking any legal actions necessary
2	or proper for recovery of any assessments for, on behalf of, or
3	against participating carriers.
4	(3) Take legal action necessary to avoid the payment of improper
5	claims against the association or the coverage provided by or
6	through the association.
7	(4) Establish a medical review committee to determine the
8	reasonably appropriate level and extent of health care services in
9	each instance.
10	(5) Establish appropriate rates, scales of rates, rate classifications
11	and rating adjustments, such rates not to be unreasonable in
12	relation to the coverage provided and the reasonable operational
13	expenses of the association.
14	(6) Pool risks among members.
15	(7) Issue policies of insurance on an indemnity or provision of
16	service basis providing the coverage required by this chapter.
17	(8) Administer separate pools, separate accounts, or other plans
18	or arrangements considered appropriate for separate members or
19	groups of members.
20	(9) Operate and administer any combination of plans, pools, or
21	other mechanisms considered appropriate to best accomplish the
22	fair and equitable operation of the association.
23	(10) Appoint from among members appropriate legal, actuarial,
24	and other committees as necessary to provide technical assistance
25	in the operation of the association, policy and other contract
26	design, and any other function within the authority of the
27	association.
28	(11) Hire an independent consultant.
29	(12) Develop a method of advising applicants of the availability
30	of other coverages outside the association and may promulgate a
31	list of health conditions the existence of which would deem an
32	applicant eligible without demonstrating a rejection of coverage
33	by one (1) carrier.
34	(13) Provide for the use of managed care plans for insureds,
35	including the use of:
36	(A) health maintenance organizations; and
37	(B) preferred provider plans.
38	(14) Solicit bids directly from providers for coverage under this
39	chapter.
40	(f) Rates for coverages issued by the association may not be
41	unreasonable in relation to the benefits provided, the risk experience,
42	and the reasonable expenses of providing the coverage. Separate scales

of premium rates based on age apply for individual risks. Premium rates must take into consideration the extra morbidity and administration expenses, if any, for risks insured in the association. The rates for a given classification may not be more than one hundred fifty percent (150%) of the average premium rate for that class charged by the five (5) carriers with the largest premium volume in the state during the preceding calendar year. In determining the average rate of the five (5) largest carriers, the rates charged by the carriers shall be actuarially adjusted to determine the rate that would have been charged for benefits identical to those issued by the association. All rates adopted by the association must be submitted to the commissioner for approval.

(g) Following the close of the association's fiscal year, the association shall determine the net premiums, the expenses of administration, and the incurred losses for the year. Any net loss shall be assessed by the association to all members in proportion to their respective shares of total health insurance premiums, excluding premiums for Medicaid contracts with the state of Indiana, received in Indiana during the calendar year (or with paid losses in the year) coinciding with or ending during the fiscal year of the association or any other equitable basis as may be provided in the plan of operation. For self-insurers, health maintenance organizations, and limited service health maintenance organizations that are members of the association, the proportionate share of losses must be determined through the application of an equitable formula based upon claims paid, excluding claims for Medicaid contracts with the state of Indiana, or the value of services provided. In sharing losses, the association may abate or defer in any part the assessment of a member, if, in the opinion of the board, payment of the assessment would endanger the ability of the member to fulfill its contractual obligations. The association may also provide for interim assessments against members of the association if necessary to assure the financial capability of the association to meet the incurred or estimated claims expenses or operating expenses of the association until the association's next fiscal year is completed. Net gains, if any, must be held at interest to offset future losses or allocated to reduce future premiums. Assessments must be determined by the board members specified in subsection (b)(1), subject to final approval by the commissioner.

- (h) The association shall conduct periodic audits to assure the general accuracy of the financial data submitted to the association, and the association shall have an annual audit of its operations by an independent certified public accountant.
 - (i) The association is subject to examination by the department of

3	calendar year in a form approved by the commissioner.
4	(j) All policy forms issued by the association must conform in
5	substance to prototype forms developed by the association, must in all
6	other respects conform to the requirements of this chapter, and must be
7	filed with and approved by the commissioner before their use.
8	(k) The association may not issue an association policy to any
9	individual who, on the effective date of the coverage applied for, does
10	not meet the eligibility requirements of section 5.1 of this chapter.
11	(l) The association shall pay an agent's referral fee of twenty-five
12	dollars (\$25) to each insurance agent who refers an applicant to the
13	association if that applicant is accepted.
14	(m) The association and the premium collected by the association

17	combination of these or similar taxes upon revenues or income that
18	may be imposed by the state.
19	(n) Members who after July 1, 1983, during any calendar year, have
20	paid one (1) or more assessments levied under this chapter may either:
21	(1) take a credit against premium taxes, gross income taxes,
22	adjusted gross income taxes, supplemental corporate net income
23	taxes, or any combination of these, or similar taxes upon revenues
24	or income of member insurers that may be imposed by the state,
25	up to the amount of the taxes due for each calendar year in which
26	the assessments were paid and for succeeding years until the
27	aggregate of those assessments have been offset by either credits
28	against those taxes or refunds from the association; or
29	(2) any member insurer may include in the rates for premiums
30	charged for insurance policies to which this chapter applies
31	amounts sufficient to recoup a sum equal to the amounts paid to
32	the association by the member less any amounts returned to the
33	member insurer by the association, and the rates shall not be
34	deemed excessive by virtue of including an amount reasonably
35	calculated to recoup assessments paid by the member.
36	(o) The association shall provide for the option of monthly
37	collection of premiums.

reason the plan of the health maintenance organization under

IC 27-13-16 does not provide for continuation of benefits as required by IC 27-13-16-1, the liquidator shall assess, or cause to be assessed,

each licensed health maintenance organization doing business in Indiana. The amount that each licensed health maintenance organization is assessed must be based on the ratio of the amount of all subscriber premiums received by the health maintenance organization for contracts issued in Indiana for the previous calendar year to the amount of the total subscriber premiums received by all licensed health
maintenance organizations for contracts issued in Indiana for the previous calendar year. (b) The total assessments of health maintenance organizations under
subsection (a) must equal an amount sufficient to provide for continuation of benefits as required by IC 27-13-16-1 to enrollees covered under contracts issued by the health maintenance organization
to subscribers located in Indiana, and to pay administrative expenses (c) The total amount of all assessments to be paid by a health maintenance organization in any one (1) calendar year may not exceed
one percent (1%) of the premiums received by the health maintenance

- maintenance organization in any one (1) calendar year may not exceed one percent (1%) of the premiums received by the health maintenance organization from business in Indiana during the calendar year preceding the assessment.

 (d) If the total amount of all assessments in any one (1) calendar
- (d) If the total amount of all assessments in any one (1) calendar year does not provide an amount sufficient to meet the requirements of subsection (a), additional funds must be assessed in succeeding calendar years.
- (e) Health maintenance organizations that, during any preceding calendar year, have paid one (1) or more assessments levied under this section may either:
 - (1) take as a credit against gross income taxes, adjusted gross income taxes supplemental corporate net income taxes, or any combination of these, or similar taxes upon revenue or income of health maintenance organizations that may be imposed by Indiana up to twenty percent (20%) of any assessment described in this section for each calendar year following the year in which those assessments were paid until the aggregate of those assessments have been offset; or
 - (2) include in the premiums charged for coverage to which this article applies amounts sufficient to recoup a sum equal to the amounts paid in assessments as long as the premiums are not excessive by virtue of including an amount reasonably calculated to recoup assessments paid by the health maintenance organization.

27	from taxation.
28	SECTION 159. IC 36-7-14-39, AS AMENDED BY P.L.90-2002,
29	SECTION 476, IS AMENDED TO READ AS FOLLOWS
30	[EFFECTIVE JANUARY 1, 2003]: Sec. 39. (a) As used in this section:
31	"Allocation area" means that part of a blighted area to which an
32	allocation provision of a declaratory resolution adopted under section
33	15 of this chapter refers for purposes of distribution and allocation of
34	property taxes.
35	"Base assessed value" means the following:
36	(1) If an allocation provision is adopted after June 30, 1995, in a
37	declaratory resolution or an amendment to a declaratory
38	resolution establishing an economic development area:
39	(A) the net assessed value of all the property as finally
40	determined for the assessment date immediately preceding the
41	effective date of the allocation provision of the declaratory
42	resolution, as adjusted under subsection (h); plus

1	(B) to the extent that it is not included in clause (A), the net
2	assessed value of property that is assessed as residential
3	property under the rules of the department of local government
4	finance, as finally determined for any assessment date after the
5	effective date of the allocation provision.
6	(2) If an allocation provision is adopted after June 30, 1997, in a
7	declaratory resolution or an amendment to a declaratory
8	resolution establishing a blighted area:
9	(A) the net assessed value of all the property as finally
0	determined for the assessment date immediately preceding the
1	effective date of the allocation provision of the declaratory
2	resolution, as adjusted under subsection (h); plus
.3	(B) to the extent that it is not included in clause (A), the net
4	assessed value of property that is assessed as residential
.5	property under the rules of the department of local government
.6	finance, as finally determined for any assessment date after the
.7	effective date of the allocation provision.
.8	(3) If:
9	(A) an allocation provision adopted before June 30, 1995, in
20	a declaratory resolution or an amendment to a declaratory
21	resolution establishing a blighted area expires after June 30,
22	1997; and
23	(B) after June 30, 1997, a new allocation provision is included
24	in an amendment to the declaratory resolution;
25	the net assessed value of all the property as finally determined for
26	the assessment date immediately preceding the effective date of
27	the allocation provision adopted after June 30, 1997, as adjusted
28	under subsection (h).
29	(4) Except as provided in subdivision (5), for all other allocation
30	areas, the net assessed value of all the property as finally
31	determined for the assessment date immediately preceding the
32	effective date of the allocation provision of the declaratory
33	resolution, as adjusted under subsection (h).
34	(5) If an allocation area established in an economic development
35	area before July 1, 1995, is expanded after June 30, 1995, the
36	definition in subdivision (1) applies to the expanded portion of the
37	area added after June 30, 1995.
88	(6) If an allocation area established in a blighted area before July
39	1, 1997, is expanded after June 30, 1997, the definition in
10	subdivision (2) applies to the expanded portion of the area added
L1	after June 30, 1997

Except as provided in section 39.3 of this chapter, "property taxes"

means taxes imposed under IC 6-1.1 on real property. However, upon approval by a resolution of the redevelopment commission adopted
before June 1, 1987, "property taxes" also includes taxes imposed
under IC 6-1.1 on depreciable personal property. If a redevelopment
commission adopted before June 1, 1987, a resolution to include within
the definition of property taxes taxes imposed under IC 6-1.1 on
depreciable personal property that has a useful life in excess of eight
(8) years, the commission may by resolution determine the percentage
of taxes imposed under IC 6-1.1 on all depreciable personal property
that will be included within the definition of property taxes. However,
the percentage included must not exceed twenty-five percent (25%) of
the taxes imposed under IC 6-1.1 on all depreciable personal property.
(b) A declaratory resolution adopted under section 15 of this chapter

before January 1, 2006, may include a provision with respect to the allocation and distribution of property taxes for the purposes and in the manner provided in this section. A declaratory resolution previously adopted may include an allocation provision by the amendment of that declaratory resolution before January 1, 2006, in accordance with the procedures required for its original adoption. A declaratory resolution or an amendment that establishes an allocation provision after June 30, 1995, must specify an expiration date for the allocation provision that may not be more than thirty (30) years after the date on which the allocation provision is established. However, if bonds or other obligations that were scheduled when issued to mature before the specified expiration date and that are payable only from allocated tax proceeds with respect to the allocation area remain outstanding as of the expiration date, the allocation provision does not expire until all of the bonds or other obligations are no longer outstanding. The allocation provision may apply to all or part of the blighted area. The allocation provision must require that any property taxes subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes on taxable property in the allocation area be allocated and distributed as follows:

- (1) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:
 - (A) the assessed value of the property for the assessment date with respect to which the allocation and distribution is made; or
 - (B) the base assessed value;
- shall be allocated to and, when collected, paid into the funds of the respective taxing units.
- (2) Except as otherwise provided in this section, property tax

1	proceeds in excess of those described in subdivision (1) shall be
2	allocated to the redevelopment district and, when collected, paid
3	into an allocation fund for that allocation area that may be used by
5	the redevelopment district only to do one (1) or more of the following:
6	(A) Pay the principal of and interest on any obligations
7	payable solely from allocated tax proceeds which are incurred
8	by the redevelopment district for the purpose of financing or
9	refinancing the redevelopment of that allocation area.
10	(B) Establish, augment, or restore the debt service reserve for
11	bonds payable solely or in part from allocated tax proceeds in
12	that allocation area.
13	(C) Pay the principal of and interest on bonds payable from
14	allocated tax proceeds in that allocation area and from the
15	special tax levied under section 27 of this chapter.
16	(D) Pay the principal of and interest on bonds issued by the
17	unit to pay for local public improvements in or serving that
18	allocation area.
19	(E) Pay premiums on the redemption before maturity of bonds
20	payable solely or in part from allocated tax proceeds in that
21	allocation area.
22	(F) Make payments on leases payable from allocated tax
23	proceeds in that allocation area under section 25.2 of this
24	chapter.
25	(G) Reimburse the unit for expenditures made by it for local
26	public improvements (which include buildings, parking
27	facilities, and other items described in section 25.1(a) of this
28	chapter) in or serving that allocation area.
29	(H) Reimburse the unit for rentals paid by it for a building or
30	parking facility in or serving that allocation area under any
31	lease entered into under IC 36-1-10.
32	(I) Pay all or a portion of a property tax replacement credit to
33	taxpayers in an allocation area as determined by the
34	redevelopment commission. This credit equals the amount
35	determined under the following STEPS for each taxpayer in a
36	taxing district (as defined in IC 6-1.1-1-20) that contains all or
37	part of the allocation area:
38	STEP ONE: Determine that part of the sum of the amounts
39	under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2),
40	IC $6-1.1-21-2(g)(3)$, IC $6-1.1-21-2(g)(4)$, and
11	IC 6-1 1-21-2(σ)(5) that is attributable to the taxing district

42

STEP TWO: Divide:

1	(A) that part of twenty percent (20%) of each county's total
2	county tax levy payable eligible property tax replacement
3	amount (as defined in IC 6-1.1-21-2) for that year as
4	determined under IC 6-1.1-21-4 that is attributable to the
5	taxing district; by
6	(B) the STEP ONE sum.
7	STEP THREE: Multiply:
8	(A) the STEP TWO quotient; times
9	(B) the total amount of the taxpayer's property taxes (as
10	defined in IC 6-1.1-21-2) levied in the taxing district that
11	have been allocated during that year to an allocation fund
12	under this section.
13	If not all the taxpayers in an allocation area receive the credit
14	in full, each taxpayer in the allocation area is entitled to
15	receive the same proportion of the credit. A taxpayer may not
16	receive a credit under this section and a credit under section
17	39.5 of this chapter in the same year.
18	(J) Pay expenses incurred by the redevelopment commission
19	for local public improvements that are in the allocation area or
20	serving the allocation area. Public improvements include
21	buildings, parking facilities, and other items described in
22	section 25.1(a) of this chapter.
23	(K) Reimburse public and private entities for expenses
24	incurred in training employees of industrial facilities that are
25	located:
26	(i) in the allocation area; and
27	(ii) on a parcel of real property that has been classified as
28	industrial property under the rules of the department of local
29	government finance.
30	However, the total amount of money spent for this purpose in
31	any year may not exceed the total amount of money in the
32	allocation fund that is attributable to property taxes paid by the
33	industrial facilities described in this clause. The
34	reimbursements under this clause must be made within three
35	(3) years after the date on which the investments that are the
36	basis for the increment financing are made.
37	The allocation fund may not be used for operating expenses of the
38	commission.
39	(3) Except as provided in subsection (g), before July 15 of each
40	year the commission shall do the following:
41	(A) Determine the amount, if any, by which the base assessed
42	value when multiplied by the estimated tax rate of the

1	allocation area will exceed the amount of assessed value
2	needed to produce the property taxes necessary to make, when
3	due, principal and interest payments on bonds described in
4	subdivision (2) plus the amount necessary for other purposes
5	described in subdivision (2).
6	(B) Notify the county auditor of the amount, if any, of the
7	amount of excess assessed value that the commission has
8	determined may be allocated to the respective taxing units in
9	the manner prescribed in subdivision (1). The commission
10	may not authorize an allocation of assessed value to the
11	respective taxing units under this subdivision if to do so would
12	endanger the interests of the holders of bonds described in
13	subdivision (2) or lessors under section 25.3 of this chapter.
14	(c) For the purpose of allocating taxes levied by or for any taxing
15	unit or units, the assessed value of taxable property in a territory in the
16	allocation area that is annexed by any taxing unit after the effective
17	date of the allocation provision of the declaratory resolution is the
18	lesser of:
19	(1) the assessed value of the property for the assessment date with
20	respect to which the allocation and distribution is made; or
21	(2) the base assessed value.
22	(d) Property tax proceeds allocable to the redevelopment district
23	under subsection (b)(2) may, subject to subsection (b)(3), be
24	irrevocably pledged by the redevelopment district for payment as set
25	forth in subsection (b)(2).
26	(e) Notwithstanding any other law, each assessor shall, upon
27	petition of the redevelopment commission, reassess the taxable
28	property situated upon or in, or added to, the allocation area, effective
29	on the next assessment date after the petition.
30	(f) Notwithstanding any other law, the assessed value of all taxable
31	property in the allocation area, for purposes of tax limitation, property
32	tax replacement, and formulation of the budget, tax rate, and tax levy
33	for each political subdivision in which the property is located is the
34	lesser of:
35	(1) the assessed value of the property as valued without regard to
36	this section; or
37	(2) the base assessed value.
38	(g) If any part of the allocation area is located in an enterprise zone
39	created under IC 4-4-6.1, the unit that designated the allocation area
40	shall create funds as specified in this subsection. A unit that has

obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish an allocation fund for the purposes

41

specified in subsection (b)(2) and a special zone fund. Such a unit shall, until the end of the enterprise zone phase out period, deposit each year in the special zone fund any amount in the allocation fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone that exceeds the amount sufficient for the purposes specified in subsection (b)(2) for the year. The amount sufficient for purposes specified in subsection (b)(2) for the year shall be determined based on the pro rata portion of such current property tax proceeds from the portion of the enterprise zone that is within the allocation area as compared to all such current property tax proceeds derived from the allocation area. A unit that has no obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) in the fund derived from property tax proceeds in excess of those described in subsection (b)(1) from property located in the enterprise zone. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that portion of the allocation area that is also located in the enterprise zone. Those programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that they consider expedient for the implementation of this chapter. After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the redevelopment district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the redevelopment district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

1	FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 39.5. (a) As used
2	in this section, "allocation area" has the meaning set forth in section 39
3	of this chapter.
4	(b) As used in this section, "taxing district" has the meaning set
5	forth in IC 6-1.1-1-20.
6	(c) Subject to subsection (e), each taxpayer in an allocation area is
7	entitled to an additional credit for property taxes (as defined in
8	IC 6-1.1-21-2) that under IC 6-1.1-22-9 are due and payable in May
9	and November of that year. One-half $(1/2)$ of the credit shall be applied
10	to each installment of property taxes (as defined in IC 6-1.1-21-2).
11	This credit equals the amount determined under the following STEPS
12	for each taxpayer in a taxing district that contains all or part of the
13	allocation area:
14	STEP ONE: Determine that part of the sum of the amounts under
15	IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3),
16	IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to
17	the taxing district.
18	STEP TWO: Divide:
19	(A) that part of twenty percent (20%) of each county's total
20	county tax levy payable eligible property tax replacement
21	amount (as defined in IC 6-1.1-21-2) for that year as
22	determined under IC 6-1.1-21-4 that is attributable to the
23	taxing district; by
24	(B) the STEP ONE sum.
25	STEP THREE: Multiply:
26	(A) the STEP TWO quotient; times
27	(B) the total amount of the taxpayer's property taxes (as
28	defined in IC 6-1.1-21-2) levied in the taxing district that
29	would have been allocated to an allocation fund under section
30	39 of this chapter had the additional credit described in this
31	section not been given.
32	The additional credit reduces the amount of proceeds allocated to the
33	redevelopment district and paid into an allocation fund under section
34	39(b)(2) of this chapter.
35	(d) If the additional credit under subsection (c) is not reduced under
36	subsection (e) or (f), the credit for property tax replacement under
37	IC 6-1.1-21-5 and the additional credit under subsection (c) shall be
38	computed on an aggregate basis for all taxpayers in a taxing district
39	that contains all or part of an allocation area. The credit for property tax
40	replacement under IC 6-1.1-21-5 and the additional credit under
41	subsection (c) shall be combined on the tax statements sent to each

taxpayer.

	181
1	(e) Upon the recommendation of the redevelopment commission,
2	the municipal legislative body (in the case of a redevelopment
3	commission established by a municipality) or the county executive (in
4	the case of a redevelopment commission established by a county) may,
5	by resolution, provide that the additional credit described in subsection
6	(c):
7	(1) does not apply in a specified allocation area; or
8	(2) is to be reduced by a uniform percentage for all taxpayers in
9	a specified allocation area.
10	(f) Whenever the municipal legislative body or county executive
11	determines that granting the full additional credit under subsection (c)
12	would adversely affect the interests of the holders of bonds or other
13	contractual obligations that are payable from allocated tax proceeds in
14	that allocation area in a way that would create a reasonable expectation
15	that those bonds or other contractual obligations would not be paid
16	when due, the municipal legislative body or county executive must
17	adopt a resolution under subsection (e) to deny the additional credit or
18	reduce it to a level that creates a reasonable expectation that the bonds

(g) A resolution adopted under subsection (e) remains in effect until it is rescinded by the body that originally adopted it. However, a resolution may not be rescinded if the rescission would adversely affect the interests of the holders of bonds or other obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that the principal of or interest on the bonds or other obligations would not be paid when due. If a resolution is rescinded and no other resolution is adopted, the additional credit described in subsection (c) applies to property taxes first due and payable in the allocation area in each year following the year in which the resolution is rescinded.

or other obligations will be paid when due. A resolution adopted under

subsection (e) denies or reduces the additional credit for property taxes

first due and payable in the allocation area in any year following the

year in which the resolution is adopted.

SECTION 161. IC 36-7-14.5-12.5, AS AMENDED BY P.L.90-2002, SECTION 477, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 12.5. (a) This section applies only to an authority in a county having a United States government military base that is scheduled for closing or is completely or partially inactive or closed.

- (b) In order to accomplish the purposes set forth in section 11(b) of this chapter, an authority may create an economic development area:
 - (1) by following the procedures set forth in IC 36-7-14-41 for the

1	establishment of an economic development area by a
2	redevelopment commission; and
3	(2) with the same effect as if the economic development area was
4	created by a redevelopment commission.
5	However, an authority may not include in an economic development
6	area created under this section any area that was declared a blighted
7	area, an urban renewal area, or an economic development area under
8	IC 36-7-14.
9	(c) In order to accomplish the purposes set forth in section 11(b) of
10	this chapter, an authority may do the following in a manner that serves
11	an economic development area created under this section:
12	(1) Acquire by purchase, exchange, gift, grant, condemnation, or
13	lease, or any combination of methods, any personal property or
14	interest in real property needed for the redevelopment of
15	economic development areas located within the corporate
16	boundaries of the unit.
17	(2) Hold, use, sell (by conveyance by deed, land sale contract, or
18	other instrument), exchange, lease, rent, or otherwise dispose of
19	property acquired for use in the redevelopment of economic
20	development areas on the terms and conditions that the authority
21	considers best for the unit and the unit's inhabitants.
22	(3) Sell, lease, or grant interests in all or part of the real property
23	acquired for redevelopment purposes to any other department of
24	the unit or to any other governmental agency for public ways,
25	levees, sewerage, parks, playgrounds, schools, and other public
26	purposes on any terms that may be agreed on.
27	(4) Clear real property acquired for redevelopment purposes.
28	(5) Repair and maintain structures acquired for redevelopment
29	purposes.
30	(6) Remodel, rebuild, enlarge, or make major structural
31	improvements on structures acquired for redevelopment purposes.
32	(7) Survey or examine any land to determine whether the land
33	should be included within an economic development area to be
34	acquired for redevelopment purposes and to determine the value
35	of that land.
36	(8) Appear before any other department or agency of the unit, or
37	before any other governmental agency in respect to any matter
38	affecting:
39	(A) real property acquired or being acquired for
40	redevelopment purposes; or
41	(B) any economic development area within the jurisdiction of
42	the authority.

1	(9) Institute or defend in the name of the unit any civil action, but
2	all actions against the authority must be brought in the circuit or
3	superior court of the county where the authority is located.
4	(10) Use any legal or equitable remedy that is necessary or
5	considered proper to protect and enforce the rights of and perform
6	the duties of the authority.
7	(11) Exercise the power of eminent domain in the name of and
8	within the corporate boundaries of the unit subject to the same
9	conditions and procedures that apply to the exercise of the power
10	of eminent domain by a redevelopment commission under
11	IC 36-7-14.
12	(12) Appoint an executive director, appraisers, real estate experts,
13	engineers, architects, surveyors, and attorneys.
14	(13) Appoint clerks, guards, laborers, and other employees the
15	authority considers advisable, except that those appointments
16	must be made in accordance with the merit system of the unit if
17	such a system exists.
18	(14) Prescribe the duties and regulate the compensation of
19	employees of the authority.
20	(15) Provide a pension and retirement system for employees of
21	the authority by using the public employees' retirement fund or a
22	retirement plan approved by the United States Department of
23	Housing and Urban Development.
24	(16) Discharge and appoint successors to employees of the
25	authority subject to subdivision (13).
26	(17) Rent offices for use of the department or authority, or accept
27	the use of offices furnished by the unit.
28	(18) Equip the offices of the authority with the necessary
29	furniture, furnishings, equipment, records, and supplies.
30	(19) Design, order, contract for, and construct, reconstruct,
31	improve, or renovate the following:
32	(A) Any local public improvement or structure that is
33	necessary for redevelopment purposes or economic
34	development within the corporate boundaries of the unit.
35	(B) Any structure that enhances development or economic
36	development.
37	(20) Contract for the construction, extension, or improvement of
38	pedestrian skyways (as defined in IC 36-7-14-12.2(c)).
39	(21) Accept loans, grants, and other forms of financial assistance
40	from, or contract with, the federal government, the state
41	government, a municipal corporation, a special taxing district, a
42	foundation, or any other source.

104
(22) Make and enter into all contracts and agreements necessary or incidental to the performance of the duties of the authority and the execution of the powers of the authority under this chapter. (23) Take any action necessary to implement the purpose of the authority.
(24) Provide financial assistance, in the manner that best serves
the purposes set forth in section 11(b) of this chapter, including grants and loans, to enable private enterprise to develop, redevelop, and reuse military base property or otherwise enable private enterprise to provide social and economic benefits to the
citizens of the unit. (d) An authority may designate all or a portion of an economic

development area created under this section as an allocation area by following the procedures set forth in IC 36-7-14-39 for the establishment of an allocation area by a redevelopment commission. The allocation provision may modify the definition of "property taxes" under IC 36-7-14-39(a) to include taxes imposed under IC 6-1.1 on the depreciable personal property located and taxable on the site of operations of designated taxpayers in accordance with the procedures applicable to a commission under IC 36-7-14-39.3. IC 36-7-14-39.3 applies to such a modification. An allocation area established by an authority under this section is a special taxing district authorized by the general assembly to enable the unit to provide special benefits to taxpayers in the allocation area by promoting economic development that is of public use and benefit. For allocation areas established for an economic development area created under this section after June 30, 1997, and to the expanded portion of an allocation area for an economic development area that was established before June 30, 1997, and that is expanded under this section after June 30, 1997, the net assessed value of property that is assessed as residential property under the rules of the department of local government finance, as finally determined for any assessment date, must be allocated. All of the provisions of IC 36-7-14-39, IC 36-7-14-39.1, and IC 36-7-14-39.5 apply to an allocation area created under this section, except that the authority shall be vested with the rights and duties of a commission as referenced in those sections, and except that, notwithstanding IC 36-7-14-39(b)(2), property tax proceeds paid into the allocation fund may be used by the authority only to do one (1) or more of the following:

(1) Pay the principal of and interest and redemption premium on any obligations incurred by the special taxing district or any other entity for the purpose of financing or refinancing military base

1	reuse activities in or serving or benefitting that allocation area.
2	(2) Establish, augment, or restore the debt service reserve for
3	obligations payable solely or in part from allocated tax proceeds
4	in that allocation area or from other revenues of the authority
5	(including lease rental revenues).
6	(3) Make payments on leases payable solely or in part from
7	allocated tax proceeds in that allocation area.
8	(4) Reimburse any other governmental body for expenditures
9	made by it for local public improvements or structures in or
10	serving or benefitting that allocation area.
11	(5) Pay all or a portion of a property tax replacement credit to
12	taxpayers in an allocation area as determined by the authority.
13	This credit equals the amount determined under the following
14	STEPS for each taxpayer in a taxing district (as defined in
15	IC 6-1.1-1-20) that contains all or part of the allocation area:
16	STEP ONE: Determine that part of the sum of the amounts
17	under IC $6-1.1-21-2(g)(1)(A)$, IC $6-1.1-21-2(g)(2)$,
18	IC $6-1.1-21-2(g)(3)$, IC $6-1.1-21-2(g)(4)$, and
19	IC $6-1.1-21-2(g)(5)$ that is attributable to the taxing district.
20	STEP TWO: Divide:
21	(A) that part of the twenty percent (20%) of each county's
22	total county tax levy payable eligible property tax
23	replacement amount (as defined in IC 6-1.1-21-2) for that
24	year as determined under IC 6-1.1-21-4 that is attributable
25	to the taxing district; by
26	(B) the STEP ONE sum.
27	STEP THREE: Multiply:
28	(A) the STEP TWO quotient; by
29	(B) the total amount of the taxpayer's property taxes (as
30	defined in IC 6-1.1-21-2) levied in the taxing district that
31	have been allocated during that year to an allocation fund
32	under this section.
33	If not all the taxpayers in an allocation area receive the credit in
34	full, each taxpayer in the allocation area is entitled to receive the
35	same proportion of the credit. A taxpayer may not receive a credit
36	under this section and a credit under IC 36-7-14-39.5 in the same
37	year.
38	(6) Pay expenses incurred by the authority for local public
39	improvements or structures that are in the allocation area or
40	serving or benefiting the allocation area.
41	(7) Reimburse public and private entities for expenses incurred in
42	training employees of industrial facilities that are located:

1	(A) in the allocation area; and
2	(B) on a parcel of real property that has been classified as
3	industrial property under the rules of the department of local
4	government finance.
5	However, the total amount of money spent for this purpose in any
6	year may not exceed the total amount of money in the allocation
7	fund that is attributable to property taxes paid by the industrial
8	facilities described in clause (B). The reimbursements under this
9	subdivision must be made within three (3) years after the date on
10	which the investments that are the basis for the increment
11	financing are made. The allocation fund may not be used for
12	operating expenses of the authority.
13	(e) In addition to other methods of raising money for property
14	acquisition, redevelopment, or economic development activities in or
15	directly serving or benefitting an economic development area created
16	by an authority under this section, and in anticipation of the taxes
17	allocated under subsection (d), other revenues of the authority, or any
18	combination of these sources, the authority may, by resolution, issue
19	the bonds of the special taxing district in the name of the unit. Bonds
20	issued under this section may be issued in any amount without
21	limitation. The following apply if such a resolution is adopted:
22	(1) The authority shall certify a copy of the resolution authorizing
23	the bonds to the municipal or county fiscal officer, who shall then
24	prepare the bonds. The seal of the unit must be impressed on the
25	bonds, or a facsimile of the seal must be printed on the bonds.
26	(2) The bonds must be executed by the appropriate officer of the
27	unit and attested by the unit's fiscal officer.
28	(3) The bonds are exempt from taxation for all purposes.
29	(4) Bonds issued under this section may be sold at public sale in
30	accordance with IC 5-1-11 or at a negotiated sale.
31	(5) The bonds are not a corporate obligation of the unit but are an
32	indebtedness of the taxing district. The bonds and interest are
33	payable, as set forth in the bond resolution of the authority:
34	(A) from the tax proceeds allocated under subsection (d);
35	(B) from other revenues available to the authority; or
36	(C) from a combination of the methods stated in clauses (A)
37	and (B).
38	(6) Proceeds from the sale of bonds may be used to pay the cost
39	of interest on the bonds for a period not to exceed five (5) years
40	from the date of issuance.
41	(7) Laws relating to the filing of petitions requesting the issuance
42	of bonds and the right of taxpayers to remonstrate against the

1	issuance of bonds do not apply to bonds issued under this section.
2	(8) If a debt service reserve is created from the proceeds of bonds,
3	the debt service reserve may be used to pay principal and interest
4	on the bonds as provided in the bond resolution.
5	(9) If bonds are issued under this chapter that are payable solely
6	or in part from revenues to the authority from a project or
7	projects, the authority may adopt a resolution or trust indenture or
8	enter into covenants as is customary in the issuance of revenue
9	bonds. The resolution or trust indenture may pledge or assign the
10	revenues from the project or projects. The resolution or trust
11	indenture may also contain any provisions for protecting and
12	enforcing the rights and remedies of the bond owners as may be
13	reasonable and proper and not in violation of law, including
14	covenants setting forth the duties of the authority. The authority
15	may establish fees and charges for the use of any project and
16	covenant with the owners of any bonds to set those fees and
17	charges at a rate sufficient to protect the interest of the owners of
18	the bonds. Any revenue bonds issued by the authority that are
19	payable solely from revenues of the authority shall contain a
20	statement to that effect in the form of bond.
21	(f) Notwithstanding section 8(a) of this chapter, an ordinance
22	adopted under section 11(b) of this chapter may provide, or be
23	amended to provide, that the board of directors of the authority shall be
24	composed of not fewer than three (3) nor more than seven (7)
25	members, who must be residents of the unit appointed by the executive
26	of the unit.
27	(g) The acquisition of real and personal property by an authority
28	under this section is not subject to the provisions of IC 5-22,
29	IC 36-1-10.5, IC 36-7-14-19, or any other statutes governing the
30	purchase of property by public bodies or their agencies.
31	(h) An authority may negotiate for the sale, lease, or other
32	disposition of real and personal property without complying with the

statute governing the disposition of public property.

(i) Notwithstanding any other law, utility services provided within an economic development area established under this section are subject to regulation by the appropriate regulatory agencies unless the utility service is provided by a utility that provides utility service solely within the geographic boundaries of an existing or a closed military installation, in which case the utility service is not subject to regulation for purposes of rate making, regulation, service delivery, or issuance of bonds or other forms of indebtedness. However, this exemption from

provisions of IC 5-22-22, IC 36-1-11, IC 36-7-14-22, or any other

	188
1	regulation does not apply to utility service if the service is generated,
2	treated, or produced outside the boundaries of the existing or closed
3	military installation.
4	SECTION 162. IC 36-7-15.1-25 IS AMENDED TO READ AS
5	FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 25. (a) Real
6	property acquired by the redevelopment district is exempt from
7	taxation while owned by the district.
8	(b) All receipts of the department, including receipts from the sale
9	of real property, personal property, and materials disposed of, are
10	exempt from all taxes. including the gross income tax.
11	(c) As used in this subsection, "year one" means any calendar year
12	and "year two" means the calendar year following year one. When real
13	property is acquired by the redevelopment district during the period
14	from assessment on March 1 of year one to the last day of February of
15	year two, the taxes due in year two shall be prorated between the seller

city's prorated share from the tax duplicate by auditor's correction.

SECTION 163. IC 36-7-15.1-26.5, AS AMENDED BY
P.L.90-2002, SECTION 480, IS AMENDED TO READ AS
FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 26.5. (a) As used
in this section, "adverse determination" means a determination by the
fiscal officer of the consolidated city that the granting of credits
described in subsection (g) or (h) would impair any contract with or
otherwise adversely affect the owners of outstanding bonds payable
from the allocation area special fund.

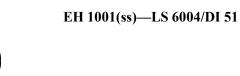

and the city. When the proration is made, the auditor shall remove the

- (b) As used in this section, "allocation area" has the meaning set forth in section 26 of this chapter.
- (c) As used in this section, "special fund" refers to the special fund into which property taxes are paid under section 26 of this chapter.
- (d) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.
- (e) Except as provided in subsections (g), (h), and (i), each taxpayer in an allocation area is entitled to an additional credit for property taxes (as defined in IC 6-1.1-21-2) that, under IC 6-1.1-22-9, are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied to each installment of property taxes (as defined in IC 6-1.1-21-2). This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3), IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to

1	the taxing district.
2	STEP TWO: Divide:
3	(A) that part of twenty percent (20%) of each county's total
4	county tax levy payable eligible property tax replacement
5	amount (as defined in IC 6-1.1-21-2) for that year as
6	determined under IC 6-1.1-21-4 that is attributable to the
7	taxing district; by
8	(B) the STEP ONE sum.
9	STEP THREE: Multiply:
10	(A) the STEP TWO quotient; by
11	(B) the total amount of the taxpayer's property taxes (as
12	defined in IC 6-1.1-21-2) levied in the taxing district that
13	would have been allocated to an allocation fund under section
14	26 of this chapter had the additional credit described in this
15	section not been given.
16	The additional credit reduces the amount of proceeds allocated to the
17	redevelopment district and paid into the special fund.
18	(f) The credit for property tax replacement under IC 6-1.1-21-5 and
19	the additional credits under subsections (e), (g), (h), and (i), unless the
20	credits under subsections (g) and (h) are partial credits, shall be
21	computed on an aggregate basis for all taxpayers in a taxing district
22	that contains all or part of an allocation area. Except as provided in
23	subsections (h) and (i), the credit for property tax replacement under
24	IC 6-1.1-21-5 and the additional credits under subsections (e), (g), (h),
25	and (i) shall be combined on the tax statements sent to each taxpayer.
26	(g) This subsection applies to an allocation area if allocated taxes
27	from that area were pledged to bonds, leases, or other obligations of the
28	commission before May 8, 1989. A credit calculated using the method
29	provided in subsection (e) may be granted under this subsection. The
30	credit provided under this subsection is first applicable for the
31	allocation area for property taxes first due and payable in 1992. The
32	following apply to the determination of the credit provided under this
33	subsection:
34	(1) Before June 15 of each year, the fiscal officer of the
35	consolidated city shall determine and certify the following:
36	(A) All amounts due in the following year to the owners of
37	outstanding bonds payable from the allocation area special
38	fund.
39	(B) All amounts that are:
40	(i) required under contracts with bond holders; and
41	(ii) payable from the allocation area special fund to fund
42	accounts and reserves.

1	(C) An estimate of the amount of personal property taxes
2	available to be paid into the allocation area special fund under
3	section 26.9(c) of this chapter.
4	(D) An estimate of the aggregate amount of credits to be
5	granted if full credits are granted.
6	(2) Before June 15 of each year, the fiscal officer of the
7	consolidated city shall determine if the granting of the full amount
8	of credits in the following year would impair any contract with or
9	otherwise adversely affect the owners of outstanding bonds
10	payable from the allocation area special fund.
11	(3) If the fiscal officer of the consolidated city determines under
12	subdivision (2) that there would not be an impairment or adverse
13	effect:
14	(A) the fiscal officer of the consolidated city shall certify the
15	determination; and
16	(B) the full credits shall be applied in the following year,
17	subject to the determinations and certifications made under
18	section 26.7(b) of this chapter.
19	(4) If the fiscal officer of the consolidated city makes an adverse
20	determination under subdivision (2), the fiscal officer of the
21	consolidated city shall determine whether there is an amount of
22	partial credits that, if granted in the following year, would not
23	result in the impairment or adverse effect. If the fiscal officer
24	determines that there is an amount of partial credits that would
25	not result in the impairment or adverse effect, the fiscal officer
26	shall do the following:
27	(A) Determine the amount of the partial credits.
28	(B) Certify that determination.
29	(5) If the fiscal officer of the consolidated city certifies under
30	subdivision (4) that partial credits may be paid, the partial credits
31	shall be applied pro rata among all affected taxpayers in the
32	following year.
33	(6) An affected taxpayer may appeal any of the following to the
34	circuit or superior court of the county in which the allocation area
35	is located:
36	(A) A determination by the fiscal officer of the consolidated
37	city that:
38	(i) credits may not be paid in the following year; or
39	(ii) only partial credits may be paid in the following year.
40	(B) A failure by the fiscal officer of the consolidated city to
41	make a determination by June 15 of whether full or partial

credits are payable under this subsection.

1	(7) An appeal of a determination must be filed not later than thirty
2	(30) days after the publication of the determination.
3	(8) An appeal of a failure by the fiscal officer of the consolidated
4	city to make a determination of whether the credits are payable
5	under this subsection must be filed by July 15 of the year in which
6	the determination should have been made.
7	(9) All appeals under subdivision (6) shall be decided by the court
8	within sixty (60) days.
9	(h) This subsection applies to an allocation area if allocated taxes
10	from that area were pledged to bonds, leases, or other obligations of the
11	commission before May 8, 1989. A credit calculated using the method
12	in subsection (e) and in subdivision (2) of this subsection may be
13	granted under this subsection. The following apply to the credit granted
14	under this subsection:
15	(1) The credit is applicable to property taxes first due and payable
16	in 1991.
17	(2) For purposes of this subsection, the amount of a credit for
18	1990 taxes payable in 1991 with respect to an affected taxpayer
19	is equal to:
20	(A) the amount of the quotient determined under STEP TWO
21	of subsection (e); multiplied by
22	(B) the total amount of the property taxes payable by the
23	taxpayer that were allocated in 1991 to the allocation area
24	special fund under section 26 of this chapter.
25	(3) Before June 15, 1991, the fiscal officer of the consolidated
26	city shall determine and certify an estimate of the aggregate
27	amount of credits for 1990 taxes payable in 1991 if the full credits
28	are granted.
29	(4) The fiscal officer of the consolidated city shall determine
30	whether the granting of the full amounts of the credits for 1990
31	taxes payable in 1991 against 1991 taxes payable in 1992 and the
32	granting of credits under subsection (g) would impair any contract
33	with or otherwise adversely affect the owners of outstanding
34	bonds payable from the allocation area special fund for an
35	allocation area described in subsection (g).
36	(5) If the fiscal officer of the consolidated city determines that
37	there would not be an impairment or adverse effect under
38	subdivision (4):
39	(A) the fiscal officer shall certify that determination; and
40	(B) the full credits shall be applied against 1991 taxes payable
41	in 1992 or the amount of the credits shall be paid to the

taxpayers as provided in subdivision (12), subject to the

1	determinations and certifications made under section 26.7(b)
2	of this chapter.
3	(6) If the fiscal officer of the consolidated city makes an adverse
4	determination under subdivision (4), the fiscal officer shall
5	determine whether there is an amount of partial credits for 1990
6	taxes payable in 1991 that, if granted against 1991 taxes payable
7	in 1992 in addition to granting of the credits under subsection (g),
8	would not result in the impairment or adverse effect.
9	(7) If the fiscal officer of the consolidated city determines under
10	subdivision (6) that there is an amount of partial credits that
11	would not result in the impairment or adverse effect, the fiscal
12	officer shall determine the amount of partial credits and certify
13	that determination.
14	(8) If the fiscal officer of the consolidated city certifies under
15	subdivision (7) that partial credits may be paid, the partial credits
16	shall be applied pro rata among all affected taxpayers against
17	1991 taxes payable in 1992.
18	(9) An affected taxpayer may appeal any of the following to the
19	circuit or superior court of the county in which the allocation area
20	is located:
21	(A) A determination by the fiscal officer of the consolidated
22	city that:
23	(i) credits may not be paid for 1990 taxes payable in 1991;
24	or
25	(ii) only partial credits may be paid for 1990 taxes payable
26	in 1991.
27	(B) A failure by the fiscal officer of the consolidated city to
28	make a determination by June 15, 1991, of whether credits are
29	payable under this subsection.
30	(10) An appeal of a determination must be filed not later than
31	thirty (30) days after the publication of the determination. Any
32	such appeal shall be decided by the court within sixty (60) days.
33	(11) An appeal of a failure by the fiscal officer of the consolidated
34	city to make a determination of whether credits are payable under
35	this subsection must be filed by July 15, 1991. Any such appeal
36	shall be decided by the court within sixty (60) days.
37	(12) If 1991 taxes payable in 1992 with respect to a parcel are
38	billed to the same taxpayer to which 1990 taxes payable in 1991
39	were billed, the county treasurer shall apply to the tax bill for
40	1991 taxes payable in 1992 both the credit provided under
41	subsection (g) and the credit provided under this subsection,
42	along with any credit determined to be applicable to the tax bill

1	under subsection (i). In the alternative, at the election of the
2	county auditor, the county may pay to the taxpayer the amount of
3	the credit by May 10, 1992, and the amount shall be charged to
4	the taxing units in which the allocation area is located in the
5	proportion of the taxing units' respective tax rates for 1990 taxes
6	payable in 1991.
7	(13) If 1991 taxes payable in 1992 with respect to a parcel are
8	billed to a taxpayer other than the taxpayer to which 1990 taxes
9	payable in 1991 were billed, the county treasurer shall do the
10	following:
11	(A) Apply only the credits under subsections (g) and (i) to the
12	tax bill for 1991 taxes payable in 1992.
13	(B) Give notice by June 30, 1991, by publication two (2) times
14	in three (3) newspapers in the county with the largest
15	circulation of the availability of a refund of the credit under
16	this subsection.
17	A taxpayer entitled to a credit must file an application for refund
18	of the credit with the county auditor not later than November 30,
19	1991.
20	(14) A taxpayer who files an application by November 30, 1991,
21	is entitled to payment from the county treasurer in an amount that
22	is in the same proportion to the credit provided under this
23	subsection with respect to a parcel as the amount of 1990 taxes
24	payable in 1991 paid by the taxpayer with respect to the parcel
25	bears to the 1990 taxes payable in 1991 with respect to the parcel.
26	This amount shall be paid to the taxpayer by May 10, 1992, and
27	shall be charged to the taxing units in which the allocation area is
28	located in the proportion of the taxing units' respective tax rates
29	for 1990 taxes payable in 1991.
30	(i) This subsection applies to an allocation area if allocated taxes
31	from that area were pledged to bonds, leases, or other obligations of the
32	commission before May 8, 1989. The following apply to the credit
33	granted under this subsection:
34	(1) A prior year credit is applicable to property taxes first due and
35	payable in each year from 1987 through 1990 (the "prior years").
36	(2) The credit for each prior year is equal to:
37	(A) the amount of the quotient determined under STEP TWO
38	of subsection (e) for the prior year; multiplied by
39	(B) the total amount of the property taxes paid by the taxpayer
40	that were allocated in the prior year to the allocation area
41	special fund under section 26 of this chapter.

(3) Before January 31, 1992, the county auditor shall determine

1	the amount of credits under subdivision (2) with respect to each
2	parcel in the allocation area for all prior years with respect to
3	which:
4	(A) taxes were billed to the same taxpayer for taxes payable in
5	each year from 1987 through 1991; or
6	(B) an application was filed by November 30, 1991, under
7	subdivision (8) for refund of the credits for prior years.
8	A report of the determination by parcel shall be sent by the county
9	auditor to the department of local government finance and the
10	budget agency within five (5) days of such determination.
11	(4) Before January 31, 1992, the county auditor shall determine
12	the quotient of the amounts determined under subdivision (3) with
13	respect to each parcel divided by six (6).
14	(5) Before January 31, 1992, the county auditor shall determine
15	the quotient of the aggregate amounts determined under
16	subdivision (3) with respect to all parcels divided by twelve (12).
17	(6) Except as provided in subdivisions (7) and (9), in each year in
18	which credits from prior years remain unpaid, credits for the prior
19	years in the amounts determined under subdivision (4) shall be
20	applied as provided in this subsection.
21	(7) If taxes payable in the current year with respect to a parcel are
22	billed to the same taxpayer to which taxes payable in all of the
23	prior years were billed and if the amount determined under
24	subdivision (3) with respect to the parcel is at least five hundred
25	dollars (\$500), the county treasurer shall apply the credits
26	provided for the current year under subsections (g) and (h) and
27	the credit in the amount determined under subdivision (4) to the
28	tax bill for taxes payable in the current year. However, if the
29	amount determined under subdivision (3) with respect to the
30	parcel is less than five hundred dollars (\$500) (referred to in this
31	subdivision as "small claims"), the county may, at the election of
32	the county auditor, either apply a credit in the amount determined
33	under subdivision (3) or subdivision (4) to the tax bill for taxes
34	payable in the current year or pay either amount to the taxpayer.
35	If title to a parcel transfers in a year in which a credit under this
36	subsection is applied to the tax bill, the transferor may file an
37	application with the county auditor within thirty (30) days of the
38	date of the transfer of title to the parcel for payments to the
39	transferor at the same times and in the same amounts that would
40	have been allowed as credits to the transferor under this
41	subsection if there had not been a transfer. If a determination is

made by the county auditor to refund or credit small claims in the

1	amounts determined under subdivision (3) in 1992, the county
2	auditor may make appropriate adjustments to the credits applied
3	with respect to other parcels so that the total refunds and credits
4	in any year will not exceed the payments made from the state
5	property tax replacement fund to the prior year credit fund
6	referred to in subdivision (11) in that year.
7	(8) If taxes payable in the current year with respect to a parcel are
8	billed to a taxpayer that is not a taxpayer to which taxes payable
9	in all of the prior years were billed, the county treasurer shall do
10	the following:
11	(A) Apply only the credits under subsections (g) and (h) to the
12	tax bill for taxes payable in the current year.
13	(B) Give notice by June 30, 1991, by publication two (2) times
14	in three (3) newspapers in the county with the largest
15	circulation of the availability of a refund of the credit.
16	A taxpayer entitled to the credit must file an application for
17	refund of the credit with the county auditor not later than
18	November 30, 1991. A refund shall be paid to an eligible
19	applicant by May 10, 1992.
20	(9) A taxpayer who filed an application by November 30, 1991,
21	is entitled to payment from the county treasurer under subdivision
22	(8) in an amount that is in the same proportion to the credit
23	determined under subdivision (3) with respect to a parcel as the
24	amount of taxes payable in the prior years paid by the taxpayer
25	with respect to the parcel bears to the taxes payable in the prior
26	years with respect to the parcel.
27	(10) In each year on May 1 and November 1, the state shall pay
28	to the county treasurer from the state property tax replacement
29	fund the amount determined under subdivision (5).
30	(11) All payments received from the state under subdivision (10)
31	shall be deposited into a special fund to be known as the prior
32	year credit fund. The prior year credit fund shall be used to make:
33	(A) payments under subdivisions (7) and (9); and
34	(B) deposits into the special fund for the application of prior
35	year credits.
36	(12) All amounts paid into the special fund for the allocation area
37	under subdivision (11) are subject to any pledge of allocated
38	property tax proceeds made by the redevelopment district under
39	section 26(d) of this chapter, including but not limited to any
40	pledge made to owners of outstanding bonds of the
41	redevelopment district of allocated taxes from that area.
42	(13) By January 15, 1993, and by January 15 of each year

	196
gov	eafter, the county auditor shall send to the department of local ernment finance and the budget agency a report of the cipts, earnings, and disbursements of the prior year credit fundaments.
	the prior calendar year. If in the final year that credits under
subs	section (i) are allowed any balance remains in the prior yea lit fund after the payment of all credits payable under thi
subs	section, such balance shall be repaid to the treasurer of stat
	deposit in the property tax replacement fund.
` /	In each year, the county shall limit the total of all refunds and lits provided for in this subsection to the total amount paid in
that	year from the property tax replacement fund into the prior

FOLLOV	VS [EFFECTIVE JANUARY 1, 2003]: Sec. 35. (a
Notwiths	tanding section 26(a) of this chanter with respect to th

Notwithstanding section 26(a) of this chapter, with respect to the allocation and distribution of property taxes for the accomplishment of a program adopted under section 32 of this chapter, "base assessed value" means the net assessed value of all of the land as finally determined for the assessment date immediately preceding the effective date of the allocation provision, as adjusted under section 26(g) of this chapter. However, "base assessed value" does not include the value of real property improvements to the land.

- (b) The special fund established under section 26(b) of this chapter for the allocation area for a program adopted under section 32 of this chapter may be used only for purposes related to the accomplishment of the program, including the following:
 - (1) The construction, rehabilitation, or repair of residential units within the allocation area.
 - (2) The construction, reconstruction, or repair of infrastructure (such as streets, sidewalks, and sewers) within or serving the allocation area.
 - (3) The acquisition of real property and interests in real property within the allocation area.
 - (4) The demolition of real property within the allocation area.
 - (5) To provide financial assistance to enable individuals and families to purchase or lease residential units within the allocation area. However, financial assistance may be provided only to those individuals and families whose income is at or below the county's median income for individuals and families, respectively.
 - (6) To provide financial assistance to neighborhood development corporations to permit them to provide financial assistance for the

1	purposes described in subdivision (5).
2	(7) To provide each taxpayer in the allocation area a credit for
3	property tax replacement as determined under subsections (c) and
4	(d). However, this credit may be provided by the commission only
5	if the city-county legislative body establishes the credit by
6	ordinance adopted in the year before the year in which the credit
7	is provided.
8	(c) The maximum credit that may be provided under subsection
9	(b)(7) to a taxpayer in a taxing district that contains all or part of an
10	allocation area established for a program adopted under section 32 of
11	this chapter shall be determined as follows:
12	STEP ONE: Determine that part of the sum of the amounts
13	described in IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2)
14	through IC $6-1.1-21-2(g)(5)$ that is attributable to the taxing
15	district.
16	STEP TWO: Divide:
17	(A) that part of the amount each county's eligible property
18	tax replacement amount (as defined in IC 6-1.1-21-2) for
19	that year as determined under IC 6-1.1-21-4(a)(1) that is
20	attributable to the taxing district; by
21	(B) the amount determined under STEP ONE.
22	STEP THREE: Multiply:
23	(A) the STEP TWO quotient; by
24	(B) the taxpayer's property taxes (as defined in IC 6-1.1-21-2)
25	levied in the taxing district allocated to the allocation fund,
26	including the amount that would have been allocated but for
27	the credit.
28	(d) The commission may determine to grant to taxpayers in an
29	allocation area from its allocation fund a credit under this section, as
30	calculated under subsection (c), by applying one-half (1/2) of the credit
31	to each installment of property taxes (as defined in IC 6-1.1-21-2) that
32	under IC 6-1.1-22-9 are due and payable on May 1 and November 1 of
33	a year. The commission must provide for the credit annually by a
34	resolution and must find in the resolution the following:
35	(1) That the money to be collected and deposited in the allocation
36	fund, based upon historical collection rates, after granting the
37	credit will equal the amounts payable for contractual obligations
38	from the fund, plus ten percent (10%) of those amounts.
39	(2) If bonds payable from the fund are outstanding, that there is
40	a debt service reserve for the bonds that at least equals the amount
41	of the credit to be granted.
42	(3) If bonds of a lessor under section 17.1 of this chapter or under

1	IC 36-1-10 are outstanding and if lease rentals are payable from
2	the fund, that there is a debt service reserve for those bonds that
3	at least equals the amount of the credit to be granted.
4	If the tax increment is insufficient to grant the credit in full, the
5	commission may grant the credit in part, prorated among all taxpayers.
6	(e) Notwithstanding section 26(b) of this chapter, the special fund
7	established under section 26(b) of this chapter for the allocation area
8	for a program adopted under section 32 of this chapter may only be
9	used to do one (1) or more of the following:
10	(1) Accomplish one (1) or more of the actions set forth in section
11	26(b)(2)(A) through section $26(b)(2)(H)$ of this chapter.
12	(2) Reimburse the consolidated city for expenditures made by the
13	city in order to accomplish the housing program in that allocation
14	area.
15	The special fund may not be used for operating expenses of the
16	commission.
17	(f) Notwithstanding section 26(b) of this chapter, the commission
18	shall, relative to the special fund established under section 26(b) of this
19	chapter for an allocation area for a program adopted under section 32
20	of this chapter, do the following before July 15 of each year:
21	(1) Determine the amount, if any, by which property taxes payable
22	to the allocation fund in the following year will exceed the
23	amount of property taxes necessary:
24	(A) to make, when due, principal and interest payments on
25	bonds described in section 26(b)(2) of this chapter;
26	(B) to pay the amount necessary for other purposes described
27	in section 26(b)(2) of this chapter; and
28	(C) to reimburse the consolidated city for anticipated
29	expenditures described in subsection (e)(2).
30	(2) Notify the county auditor of the amount, if any, of excess
31	property taxes that the commission has determined may be paid
32	to the respective taxing units in the manner prescribed in section
33	26(b)(1) of this chapter.
34	SECTION 165. IC 36-7-15.1-52, AS ADDED BY P.L.102-1999,
35	SECTION 19, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
36	JANUARY 1, 2003]: Sec. 52. (a) Real property acquired by the
37	redevelopment district is exempt from taxation while owned by the
38	district.
39	(b) All receipts of the redevelopment district, including receipts
40	from the sale of real property, personal property, and materials
41	disposed of, are exempt from all taxes. including the gross income tax.

(c) As used in this subsection, "year one" means any calendar year

1	and "year two" means the calendar year following year one. When real
2	property is acquired by the redevelopment district during the period
3	from assessment on March 1 of year one to the last day of February of
3 4	·
	year two, the taxes due in year two shall be prorated between the seller
5	and the city. When the proration is made, the auditor shall remove the
6	city's prorated share from the tax duplicate by auditor's correction.
7	SECTION 166. IC 36-7-15.1-56, AS ADDED BY P.L.102-1999,
8	SECTION 23, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
9	JANUARY 1, 2003]: Sec. 56. (a) As used in this section, "allocation
10	area" has the meaning set forth in section 53 of this chapter.
11	(b) As used in this section, "taxing district" has the meaning set
12	forth in IC 6-1.1-1-20.
13	(c) Subject to subsection (e), each taxpayer in an allocation area is
14	entitled to an additional credit for property taxes (as defined in
15	IC 6-1.1-21-2) that under IC 6-1.1-22-9 are due and payable in May
16	and November of that year. One-half $(1/2)$ of the credit shall be applied
17	to each installment of property taxes (as defined in IC 6-1.1-21-2).
18	This credit equals the amount determined under the following STEPS
19	for each taxpayer in a taxing district that contains all or part of the
20	allocation area:
21	STEP ONE: Determine that part of the sum of the amounts under
22	IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3),
23	IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to
24	the taxing district.
25	STEP TWO: Divide:
26	(A) that part of twenty percent (20%) of each county's total
27	county tax levy payable eligible property tax replacement
28	amount (as defined in IC 6-1.1-21-2) for that year as
29	determined under IC 6-1.1-21-4 that is attributable to the
30	taxing district; by
31	(B) the STEP ONE sum.
32	STEP THREE: Multiply:
33	(A) the STEP TWO quotient; times
34	(B) the total amount of the taxpayer's property taxes (as
35	defined in IC 6-1.1-21-2) levied in the taxing district that
36	would have been allocated to an allocation fund under section
37	53 of this chapter had the additional credit described in this
38	section not been given.
39	The additional credit reduces the amount of proceeds allocated to the
40	development district and paid into an allocation fund under section
41	53(b)(2) of this chapter.

(d) If the additional credit under subsection (c) is not reduced under

S	ubsection (e) or (f), the credit for property tax replacement under
I	C 6-1.1-21-5 and the additional credit under subsection (c) shall be
c	computed on an aggregate basis for all taxpayers in a taxing distric
tl	hat contains all or part of an allocation area. The credit for property tax
r	eplacement under IC 6-1.1-21-5 and the additional credit under
S	ubsection (c) shall be combined on the tax statements sent to each
ta	axpayer.
	(e) Upon the recommendation of the commission, the excluded city
10	egislative body may, by resolution, provide that the additional credi

- described in subsection (c):
 - (1) does not apply in a specified allocation area; or
 - (2) is to be reduced by a uniform percentage for all taxpayers in a specified allocation area.
- (f) Whenever the excluded city legislative body determines that granting the full additional credit under subsection (c) would adversely affect the interests of the holders of bonds or other contractual obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that those bonds or other contractual obligations would not be paid when due, the excluded city legislative body must adopt a resolution under subsection (e) to deny the additional credit or reduce it to a level that creates a reasonable expectation that the bonds or other obligations will be paid when due. A resolution adopted under subsection (e) denies or reduces the additional credit for property taxes first due and payable in the allocation area in any year following the year in which the resolution is adopted.
- (g) A resolution adopted under subsection (e) remains in effect until it is rescinded by the body that originally adopted it. However, a resolution may not be rescinded if the rescission would adversely affect the interests of the holders of bonds or other obligations that are payable from allocated tax proceeds in that allocation area in a way that would create a reasonable expectation that the principal of or interest on the bonds or other obligations would not be paid when due. If a resolution is rescinded and no other resolution is adopted, the additional credit described in subsection (c) applies to property taxes first due and payable in the allocation area in each year following the year in which the resolution is rescinded.

1	to which an allocation provision of a declaratory resolution
2	adopted under section 10 of this chapter refers for purposes of
3	distribution and allocation of property taxes.
4	(2) "Base assessed value" means:
5	(A) the net assessed value of all the property as finally
6	determined for the assessment date immediately preceding the
7	adoption date of the allocation provision of the declaratory
8	resolution, as adjusted under subsection (h); plus
9	(B) to the extent that it is not included in clause (A) or (C), the
10	net assessed value of any and all parcels or classes of parcels
11	identified as part of the base assessed value in the declaratory
12	resolution or an amendment thereto, as finally determined for
13	any subsequent assessment date; plus
14	(C) to the extent that it is not included in clause (A) or (B), the
15	net assessed value of property that is assessed as residential
16	property under the rules of the department of local government
17	finance, as finally determined for any assessment date after the
18	effective date of the allocation provision.
19	Clause (C) applies only to allocation areas established in a
20	military reuse area after June 30, 1997, and to the portion of an
21	allocation area that was established before June 30, 1997, and that
22	is added to an existing allocation area after June 30, 1997.
23	(3) "Property taxes" means taxes imposed under IC 6-1.1 on real
24	property.
25	(b) A declaratory resolution adopted under section 10 of this chapter
26	before the date set forth in IC 36-7-14-39(b) pertaining to declaratory
27	resolutions adopted under IC 36-7-14-15 may include a provision with
28	respect to the allocation and distribution of property taxes for the
29	purposes and in the manner provided in this section. A declaratory
30	resolution previously adopted may include an allocation provision by
31	the amendment of that declaratory resolution in accordance with the
32	procedures set forth in section 13 of this chapter. The allocation
33	provision may apply to all or part of the military base reuse area. The
34	allocation provision must require that any property taxes subsequently
35	levied by or for the benefit of any public body entitled to a distribution
36	of property taxes on taxable property in the allocation area be allocated
37	and distributed as follows:
38	(1) Except as otherwise provided in this section, the proceeds of
39	the taxes attributable to the lesser of:
40	(A) the assessed value of the property for the assessment date
41	with respect to which the allocation and distribution is made;

or

1	(B) the base assessed value;
2	shall be allocated to and, when collected, paid into the funds of
3	the respective taxing units.
4	(2) Except as otherwise provided in this section, property tax
5	proceeds in excess of those described in subdivision (1) shall be
6	allocated to the military base reuse district and, when collected,
7	paid into an allocation fund for that allocation area that may be
8	used by the military base reuse district and only to do one (1) or
9	more of the following:
10	(A) Pay the principal of and interest and redemption premium
11	on any obligations incurred by the military base reuse district
12	or any other entity for the purpose of financing or refinancing
13	military base reuse activities in or directly serving or
14	benefiting that allocation area.
15	(B) Establish, augment, or restore the debt service reserve for
16	bonds payable solely or in part from allocated tax proceeds in
17	that allocation area or from other revenues of the reuse
18	authority, including lease rental revenues.
19	(C) Make payments on leases payable solely or in part from
20	allocated tax proceeds in that allocation area.
21	(D) Reimburse any other governmental body for expenditures
22	made for local public improvements (or structures) in or
23	directly serving or benefiting that allocation area.
24	(E) Pay all or a part of a property tax replacement credit to
25	taxpayers in an allocation area as determined by the reuse
26	authority. This credit equals the amount determined under the
27	following STEPS for each taxpayer in a taxing district (as
28	defined in IC 6-1.1-1-20) that contains all or part of the
29	allocation area:
30	STEP ONE: Determine that part of the sum of the amounts
31	under IC $6-1.1-21-2(g)(1)(A)$, IC $6-1.1-21-2(g)(2)$,
32	IC $6-1.1-21-2(g)(3)$, IC $6-1.1-21-2(g)(4)$, and
33	IC $6-1.1-21-2(g)(5)$ that is attributable to the taxing district.
34	STEP TWO: Divide:
35	(i) that part of the twenty percent (20%) of each county's
36	total county tax levy payable eligible property tax
37	replacement amount (as defined in IC 6-1.1-21-2) for that
38	year as determined under IC 6-1.1-21-4 that is attributable
39	to the taxing district; by
40	(ii) the STEP ONE sum.
41	STEP THREE: Multiply:
42	(i) the STEP TWO quotient; times

1	(ii) the total amount of the taxpayer's property taxes (as
2	defined in IC 6-1.1-21-2) levied in the taxing district that
3	have been allocated during that year to an allocation fund
4	under this section.
5	If not all the taxpayers in an allocation area receive the credit
6	in full, each taxpayer in the allocation area is entitled to
7	receive the same proportion of the credit. A taxpayer may not
8	receive a credit under this section and a credit under section
9	27 of this chapter in the same year.
0	(F) Pay expenses incurred by the reuse authority for local
1	public improvements or structures that were in the allocation
2	area or directly serving or benefiting the allocation area.
3	(G) Reimburse public and private entities for expenses
4	incurred in training employees of industrial facilities that are
.5	located:
6	(i) in the allocation area; and
7	(ii) on a parcel of real property that has been classified as
8	industrial property under the rules of the department of local
9	government finance.
20	However, the total amount of money spent for this purpose in
21	any year may not exceed the total amount of money in the
22	allocation fund that is attributable to property taxes paid by the
23	industrial facilities described in this clause. The
24	reimbursements under this clause must be made not more than
25	three (3) years after the date on which the investments that are
26	the basis for the increment financing are made.
27	The allocation fund may not be used for operating expenses of the
28	reuse authority.
29	(3) Except as provided in subsection (g), before July 15 of each
80	year the reuse authority shall do the following:
31	(A) Determine the amount, if any, by which property taxes
32	payable to the allocation fund in the following year will exceed
3	the amount of property taxes necessary to make, when due,
34	principal and interest payments on bonds described in
35	subdivision (2) plus the amount necessary for other purposes
86	described in subdivision (2).
37	(B) Notify the county auditor of the amount, if any, of the
88	amount of excess property taxes that the reuse authority has
89	determined may be paid to the respective taxing units in the
10	manner prescribed in subdivision (1). The reuse authority may
1	not authorize a payment to the respective taxing units under

this subdivision if to do so would endanger the interest of the

41

1	holders of bonds described in subdivision (2) or lessors under
2	section 19 of this chapter. Property taxes received by a taxing
3	unit under this subdivision are eligible for the property tax
4	replacement credit provided under IC 6-1.1-21.
5	(c) For the purpose of allocating taxes levied by or for any taxing
6	unit or units, the assessed value of taxable property in a territory in the
7	allocation area that is annexed by a taxing unit after the effective date
8	of the allocation provision of the declaratory resolution is the lesser of:
9	(1) the assessed value of the property for the assessment date with
10	respect to which the allocation and distribution is made; or
11	(2) the base assessed value.
12	(d) Property tax proceeds allocable to the military base reuse district
13	under subsection (b)(2) may, subject to subsection (b)(3), be
14	irrevocably pledged by the military base reuse district for payment as
15	set forth in subsection (b)(2).
16	(e) Notwithstanding any other law, each assessor shall, upon
17	petition of the reuse authority, reassess the taxable property situated
18	upon or in or added to the allocation area, effective on the next
19	assessment date after the petition.
20	(f) Notwithstanding any other law, the assessed value of all taxable
21	property in the allocation area, for purposes of tax limitation, property
22	tax replacement, and the making of the budget, tax rate, and tax levy
23	for each political subdivision in which the property is located is the
24	lesser of:
25	(1) the assessed value of the property as valued without regard to
26	this section; or
27	(2) the base assessed value.
28	(g) If any part of the allocation area is located in an enterprise zone
29	created under IC 4-4-6.1, the unit that designated the allocation area
30	shall create funds as specified in this subsection. A unit that has
31	obligations, bonds, or leases payable from allocated tax proceeds under
32	subsection (b)(2) shall establish an allocation fund for the purposes
33	specified in subsection (b)(2) and a special zone fund. Such a unit
34	shall, until the end of the enterprise zone phase out period, deposit each
35	year in the special zone fund any amount in the allocation fund derived
36	from property tax proceeds in excess of those described in subsection
37	(b)(1) from property located in the enterprise zone that exceeds the
38	amount sufficient for the purposes specified in subsection (b)(2) for the
39	year. The amount sufficient for purposes specified in subsection (b)(2)

for the year shall be determined based on the pro rata part of such

current property tax proceeds from the part of the enterprise zone that is within the allocation area as compared to all such current property

40

41

tax proceeds derived from the allocation area. A unit that does not have obligations, bonds, or leases payable from allocated tax proceeds under subsection (b)(2) shall establish a special zone fund and deposit all the property tax proceeds in excess of those described in subsection (b)(1) that are derived from property in the enterprise zone in the fund. The unit that creates the special zone fund shall use the fund (based on the recommendations of the urban enterprise association) for programs in job training, job enrichment, and basic skill development that are designed to benefit residents and employers in the enterprise zone or other purposes specified in subsection (b)(2), except that where reference is made in subsection (b)(2) to allocation area it shall refer for purposes of payments from the special zone fund only to that portion of the allocation area that is also located in the enterprise zone. The programs shall reserve at least one-half (1/2) of their enrollment in any session for residents of the enterprise zone.

(h) After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the military base reuse district under this section. However, the adjustment may not include the effect of property tax abatements under IC 6-1.1-12.1, and the adjustment may not produce less property tax proceeds allocable to the military base reuse district under subsection (b)(2) than would otherwise have been received if the general reassessment had not occurred. The department of local government finance may prescribe procedures for county and township officials to follow to assist the department in making the adjustments.

SECTION 168. IC 36-7-30-27 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]: Sec. 27. (a) As used in this section, "allocation area" has the meaning set forth in section 25 of this chapter.

- (b) As used in this section, "taxing district" has the meaning set forth in IC 6-1.1-1-20.
- (c) Subject to subsection (e), each taxpayer in an allocation area is entitled to an additional credit for property taxes (as defined in IC 6-1.1-21-2) that under IC 6-1.1-22-9 are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied to each installment of property taxes (as defined in IC 6-1.1-21-2). This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the allocation area:

STEP ONE: Determine that part of the sum of the amounts under

1	IC 6-1.1-21-2(g)(1)(A), IC 6-1.1-21-2(g)(2), IC 6-1.1-21-2(g)(3),
2	IC 6-1.1-21-2(g)(4), and IC 6-1.1-21-2(g)(5) that is attributable to
3	the taxing district.
4	STEP TWO: Divide:
5	(A) that part of twenty percent (20%) of each county's total
6	county tax levy payable eligible property tax replacement
7	amount (as defined in IC 6-1.1-21-2) for that year as
8	determined under IC 6-1.1-21-4 that is attributable to the
9	taxing district; by
10	(B) the STEP ONE sum.
11	STEP THREE: Multiply:
12	(A) the STEP TWO quotient; times
13	(B) the total amount of the taxpayer's property taxes (as
14	defined in IC 6-1.1-21-2) levied in the taxing district that
15	would have been allocated to an allocation fund under section
16	25 of this chapter had the additional credit described in this
17	section not been given.
18	The additional credit reduces the amount of proceeds allocated to the
19	military base reuse district and paid into an allocation fund under
20	section 25(b)(2) of this chapter.
21	(d) If the additional credit under subsection (c) is not reduced under
22	subsection (e) or (f), the credit for property tax replacement under
23	IC 6-1.1-21-5 and the additional credit under subsection (c) shall be
24	computed on an aggregate basis for all taxpayers in a taxing district
25	that contains all or part of an allocation area. The credit for property tax
26	replacement under IC 6-1.1-21-5 and the additional credit under
27	subsection (c) shall be combined on the tax statements sent to each
28	taxpayer.
29	(e) Upon the recommendation of the reuse authority, the municipal
30	legislative body (in the case of a reuse authority established by a
31	municipality) or the county executive (in the case of a reuse authority
32	established by a county) may by resolution provide that the additional
33	credit described in subsection (c):
34	(1) does not apply in a specified allocation area; or
35	(2) is to be reduced by a uniform percentage for all taxpayers in
36	a specified allocation area.
37	(f) If the municipal legislative body or county executive determines
38	that granting the full additional credit under subsection (c) would
39	adversely affect the interests of the holders of bonds or other
40	contractual obligations that are payable from allocated tax proceeds in
41	that allocation area in a way that would create a reasonable expectation

that those bonds or other contractual obligations would not be paid

207
when due, the municipal legislative body or county executive must adopt a resolution under subsection (e) to deny the additional credit or reduce the credit to a level that creates a reasonable expectation that the bonds or other obligations will be paid when due. A resolution adopted under subsection (e) denies or reduces the additional credit for property taxes first due and payable in the allocation area in any year
following the year in which the resolution is adopted. (g) A resolution adopted under subsection (e) remains in effect until
rescinded by the body that originally adopted the resolution. However, a resolution may not be rescinded if the rescission would adversely
affect the interests of the holders of bonds or other obligations that are payable from allocated tax proceeds in that allocation area in a way that
would create a reasonable expectation that the principal of or interest on the bonds or other obligations would not be paid when due. If a

SECTION 169. IC 36-7-32 IS ADDED TO THE INDIANA CODE AS A NEW CHAPTER TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2003]:

resolution is rescinded and no other resolution is adopted, the additional credit described in subsection (c) applies to property taxes

first due and payable in the allocation area in each year following the

Chapter 32. Certified Technology Parks

year in which the resolution is rescinded.

29	organisms, cells, macromolecules, microorganisms, or
30	substances from living organisms to make or modify a
31	product, improve plants or animals, or develop
32	microorganisms for useful purposes. Biotechnology does not
33	include human cloning or stem cell research with embryonic
34	tissue.

9	involves medical equipment or products other than a
10	pharmaceutical product that has therapeutic or diagnostic
11	value and is regulated.
12	(8) Product research and development.
13	(9) Advanced vehicles technology, which is any technology
14	that involves:
15	(A) electric vehicles, hybrid vehicles, or alternative fuel
16	vehicles; or
17	(B) components used in the construction of electric
18	vehicles, hybrid vehicles, or alternative fuel vehicles.
19	Sec. 8. As used in this chapter, "income tax base period
20	amount" means the aggregate amount of the following taxes paid
21	by employees employed in the territory comprising a certified
22	technology park with respect to wages and salary earned for work
23	in the certified technology park for the state fiscal year that
24	precedes the date on which the certified technology park was
25	designated under section 11 of this chapter:
26	(1) The adjusted gross income tax.
27	(2) The county adjusted gross income tax.
28	(3) The county option income tax.

41

1	the structures or improvements described in this subdivision
2	must be either owned or used by a public agency, functionally
3	connected to similar or supporting facilities owned or used by
4	a public agency, or designed and dedicated to use by, for the
5	benefit of, or for the protection of the health, welfare, or
6	safety of the public generally, whether or not used by a single
7	business entity. Any road, street, or bridge must be

23	Sec. 10. A unit may apply to the department of commerce for
24	designation of all or part of the territory within the jurisdiction of
25	the unit's redevelopment commission as a certified technology park
26	and to enter into an agreement governing the terms and conditions
27	of the designation. The application must be in a form specified by
28	the department and must include information the department
29	determines necessary to make the determinations required under
30	section 11 of this chapter.
31	Sec. 11. (a) After receipt of an application under section 10 of
32	this chapter, and subject to subsection (b), the department of
33	commerce may designate a certified technology park if the
34	department determines that the application demonstrates a firm

36	technology activity creating a significant number of jobs and
37	satisfies one (1) or more of the following additional criteria:
38	(1) A demonstration of significant support from an institution
39	of higher education or a private research based institute

11	staff arrangements or affiliations.
12	(H) Other criteria considered appropriate by the
13	department.
14	(2) A demonstration of a significant commitment by the
15	institution of higher education or private research based
16	institute to the commercialization of research produced at the
17	certified technology park, as evidenced by the intellectual
18	property and, if applicable, tenure policies that reward
19	faculty and staff for commercialization and collaboration with
20	private businesses.
21	(3) A demonstration that the proposed certified technology
22	park will be developed to take advantage of the unique
23	characteristics and specialties offered by the public and
24	private resources available in the area in which the proposed
25	certified technology park will be located.
26	(4) The existence of or proposed development of a business
27	incubator within the proposed certified technology park that
28	exhibits the following types of resources and organization:
29	(A) Significant financial and other types of support from
30	the public or private resources in the area in which the
31	proposed certified technology park will be located.
32	(B) A business plan exhibiting the economic utilization and

34	development of technologies and research into viable
35	business enterprises.
36	(C) A commitment to the employment of a qualified

40	technology park that identifies its objectives in a clearly
41	focused and measurable fashion and that addresses the
42	following matters:

1	(A) A commitment to new business formation.
2	(B) The clustering of businesses, technology, and research.
3	(C) The opportunity for and costs of development of
4	properties under common ownership or control.
5	(D) The availability of and method proposed for
6	development of infrastructure and other improvements,
7	including telecommunications technology, necessary for
8	the development of the proposed certified technology park.
9	(E) Assumptions of costs and revenues related to the
10	development of the proposed certified technology park.
11	(6) A demonstrable and satisfactory assurance that the
12	proposed certified technology park can be developed to
13	principally contain property that is primarily used for, or will
14	be primarily used for, a high technology activity or a business
15	incubator.
16	(b) The department of commerce may not approve an
17	application that would result in a substantial reduction or cessation
18	of operations in another location in Indiana in order to relocate
19	them within the certified technology park.
20	(c) There may be not more than three (3) certified technology
21	parks designated by the department.
22	Sec. 12. A redevelopment commission and the legislative body
23	of the unit that established the redevelopment commission may
24	enter into an agreement with the department of commerce
25	establishing the terms and conditions governing a certified
26	technology park designated under section 11 of this chapter. Upon
27	designation of the certified technology park under the terms of the
28	agreement, the subsequent failure of any party to comply with the
29	terms of the agreement does not result in the termination or
30	rescission of the designation of the area as a certified technology
31	park. The agreement must include the following provisions:
32	(1) A description of the area to be included within the certified
33	technology park.
34	(2) Covenants and restrictions, if any, upon all or a part of the
35	properties contained within the certified technology park and
36	terms of enforcement of any covenants or restrictions.
37	(3) The financial commitments of any party to the agreement
38	and of any owner or developer of property within the certified
39	technology park.
40	(4) The terms of any commitment required from an institution
41	of higher education or private research based institute for

support of the operations and activities within the certified

1	technology park.
2	(5) The terms of enforcement of the agreement, which may
3	include the definition of events of default, cure periods, legal
4	and equitable remedies and rights, and penalties and
5	
	damages, actual or liquidated, upon the occurrence of an event of default.
6 7	
8	(6) The public facilities to be developed for the certified
9	technology park and the costs of those public facilities, as
10	approved by the department of commerce. Sec. 13. (a) If the department of commerce determines that a
11	•
12	sale price or rental value at below market rate will assist in
13	increasing employment or private investment in a certified
13	technology park, the redevelopment commission and the legislative
	body of the unit may determine the sale price or rental value for
15	public facilities owned or developed by the redevelopment
16	commission and the unit in the certified technology park at below
17	market rate.
18	(b) If public facilities developed under an agreement entered
19	into under this chapter are conveyed or leased at less than fair
20	market value or at below market rates, the terms of the conveyance
21	or lease shall include legal and equitable remedies and rights to
22	assure that the public facilities are used for high technology
23	activities or as a business incubator. Legal and equitable remedies
24	and rights may include penalties and actual or liquidated damages.
25	Sec. 14. The department of commerce shall market the certified
26	technology park. The department and a redevelopment commission
27	may contract with each other or any third party for these
28	marketing services.
29	Sec. 15. (a) Subject to the approval of the legislative body of the
30	unit that established the redevelopment commission, the
31	redevelopment commission may adopt a resolution designating a
32	certified technology park as an allocation area for purposes of the
33	allocation and distribution of property taxes.
34	(b) After adoption of the resolution under subsection (a), the
35	redevelopment commission shall:
36	(1) publish notice of the adoption and substance of the
37	resolution in accordance with IC 5-3-1; and
38	(2) file the following information with each taxing unit that
39	has authority to levy property taxes in the geographic area
40	where the certified technology park is located:
41	(A) A copy of the notice required by subdivision (1).
42	(B) A statement disclosing the impact of the certified

1	technology park, including the following:
2	(i) The estimated economic benefits and costs incurred
3	by the certified technology park, as measured by
4	increased employment and anticipated growth of real
5	property assessed values.
6	(ii) The anticipated impact on tax revenues of each
7	taxing unit.
8	The notice must state the general boundaries of the certified
9	technology park and must state that written remonstrances may be
10	filed with the redevelopment commission until the time designated
11	for the hearing. The notice must also name the place, date, and
12	time when the redevelopment commission will receive and hear
13	remonstrances and objections from persons interested in or
14	affected by the proceedings pertaining to the proposed allocation
15	area and will determine the public utility and benefit of the
16	proposed allocation area. The commission shall file the information
17	required by subdivision (2) with the officers of the taxing unit who
18	are authorized to fix budgets, tax rates, and tax levies under
19	IC 6-1.1-17-5 at least ten (10) days before the date of the public
20	hearing. All persons affected in any manner by the hearing,
21	including all taxpayers within the taxing district of the
22	redevelopment commission, shall be considered notified of the
23	pendency of the hearing and of subsequent acts, hearings,
24	adjournments, and orders of the redevelopment commission
25	affecting the allocation area if the redevelopment commission gives
26	the notice required by this section.
27	(c) At the hearing, which may be recessed and reconvened
28	periodically, the redevelopment commission shall hear all persons
29	interested in the proceedings and shall consider all written
30	remonstrances and objections that have been filed. After
31	considering the evidence presented, the redevelopment commission
32	shall take final action determining the public utility and benefit of
33	the proposed allocation area confirming, modifying and
34	confirming, or rescinding the resolution. The final action taken by
35	the redevelopment commission shall be recorded and is final and
36	conclusive, except that an appeal may be taken in the manner
37	prescribed by section 16 of this chapter.
38	Sec. 16. (a) A person who files a written remonstrance with the
39	redevelopment commission under section 15 of this chapter and
40	who is aggrieved by the final action taken may, within ten (10) days

after that final action, file with the office of the clerk of the circuit

or superior court of the county a copy of the redevelopment

41

1	commission's resolution and the person's remonstrance against the
2	resolution, together with the person's bond as provided by
3	IC 34-13-5-7.
4	(b) An appeal under this section shall be promptly heard by the
5	court without a jury. All remonstrances upon which an appeal has
6	been taken shall be consolidated and heard and determined within
7	thirty (30) days after the time of filing of the appeal. The court
8	shall decide the appeal based on the record and evidence before the
9	redevelopment commission, not by trial de novo, and may confirm
10	the final action of the redevelopment commission or sustain the
11	remonstrances. The judgment of the court is final and conclusive,
12	unless an appeal is taken as in other civil actions.
13	Sec. 17. (a) An allocation provision adopted under section 15 of
14	this chapter must:
15	(1) apply to the entire certified technology park; and
16	(2) require that any property tax on taxable property
17	subsequently levied by or for the benefit of any public body
18	entitled to a distribution of property taxes in the certified
19	technology park be allocated and distributed as provided in
20	subsections (b) and (c).
21	(b) Except as otherwise provided in this section, the proceeds of
22	the taxes attributable to the lesser of:
23	(1) the assessed value of the taxable property for the
24	assessment date with respect to which the allocation and
25	distribution is made; or
26	(2) the base assessed value;
27	shall be allocated and, when collected, paid into the funds of the
28	respective taxing units.
29	(c) Except as provided in subsection (d), all the property tax
30	proceeds that exceed those described in subsection (b) shall be
31	allocated to the redevelopment commission for the certified
32	technology park and, when collected, paid into the certified
33	technology park fund established under section 23 of this chapter.
34	(d) Before July 15 of each year, the redevelopment commission
35	shall do the following:
36	(1) Determine the amount, if any, by which the property tax
37	proceeds to be deposited in the certified technology park fund
38	will exceed the amount necessary for the purposes described
39	in section 23 of this chapter.
40	(2) Notify the county auditor of the amount, if any, of excess

tax proceeds that the redevelopment commission has determined may be allocated to the respective taxing units in

41

1	the manner prescribed in subsection (c). The redevelopment
2	commission may not authorize an allocation of property tax
3	proceeds under this subdivision if to do so would endanger the
4	interests of the holders of bonds described in section 24 of this
5	chapter.
6	(e) Notwithstanding any other law, each assessor shall, upon
7	petition of the redevelopment commission, reassess the taxable
8	property situated upon or in, or added to, the certified technology
9	park effective on the next assessment date after the petition.
10	(f) Notwithstanding any other law, the assessed value of all
11	taxable property in the certified technology park, for purposes of
12	tax limitation, property tax replacement, and formulation of the
13	budget, tax rate, and tax levy for each political subdivision in
14	which the property is located is the lesser of:
15	(1) the assessed value of the taxable property as valued
16	without regard to this section; or
17	(2) the base assessed value.
18	Sec. 18. (a) A redevelopment commission may, by resolution,
19	provide that each taxpayer in a certified technology park that has
20	been designated as an allocation area is entitled to an additional
21	credit for taxes (as defined in IC 6-1.1-21-2) that, under
22	IC 6-1.1-22-9, are due and payable in May and November of that
23	year. One-half (1/2) of the credit shall be applied to each
24	installment of property taxes. This credit equals the amount
25	determined under the following STEPS for each taxpayer in a
26	taxing district that contains all or part of the certified technology
27	park:
28	STEP ONE: Determine that part of the sum of the amounts
29	under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through
30	IC $6-1.1-21-2(g)(5)$ that is attributable to the taxing district.
31	STEP TWO: Divide:
32	(A) that part of the county's total eligible property tax
33	replacement amount (as defined in IC 6-1.1-21-2) for that
34	year as determined under IC 6-1.1-21-4 that is attributable
35	to the taxing district; by
36	(B) the STEP ONE sum.
37	STEP THREE: Multiply:
38	(A) the STEP TWO quotient; by
39	(B) the total amount of the taxpayer's taxes (as defined in
40	IC 6-1.1-21-2) levied in the taxing district that would have
41	been allocated to the certified technology park fund under

section 17 of this chapter had the additional credit

1	described in this section not been given.
2	The additional credit reduces the amount of proceeds allocated and
3	paid into the certified technology park fund under section 17 of this
4	chapter.
5	(b) The additional credit under subsection (a) shall be:
6	(1) computed on an aggregate basis of all taxpayers in a taxing
7	district that contains all or part of a certified technology park;
8	and

Sec. 7. As soon as possible after making the determination under section 6 of this chapter, the budget director shall certify the unused 21st century tax plan balance amount determined under section 6 of this chapter to the treasurer of state.

Sec. 8. If the unused 21st century tax plan balance amount certified under section 7 of this chapter is greater than zero (0), the treasurer of state shall transfer the unused 21st century tax plan balance to the counter-cyclical revenue and economic stabilization fund (IC 4-10-18-5)."

remonstrances and objections from persons interested in or affected by the proceedings pertaining to the proposed allocation area and will determine the public utility and benefit of the proposed allocation area. The commission shall file the information required by subdivision (2) with the officers of the taxing unit who are authorized to fix budgets, tax rates, and tax levies under IC 6-1.1-17-5 at least ten (10) days before the date of the public hearing. All persons affected in any manner by the hearing, including all taxpayers within the taxing district of the redevelopment commission, shall be considered notified of the pendency of the hearing and of subsequent acts, hearings, adjournments, and orders of the redevelopment commission affecting the allocation area if the redevelopment commission gives the notice required by this section.

(c) At the hearing, which may be recessed and reconvened periodically, the redevelopment commission shall hear all persons interested in the proceedings and shall consider all written remonstrances and objections that have been filed. After considering the evidence presented, the redevelopment commission shall take final action determining the public utility and benefit of the proposed allocation area confirming, modifying and confirming, or rescinding the resolution. The final action taken by the redevelopment commission shall be recorded and is final and conclusive, except that an appeal may be taken in the manner prescribed by section 16 of this chapter.

Sec. 16. (a) A person who files a written remonstrance with the redevelopment commission under section 15 of this chapter and who is aggrieved by the final action taken may, within ten (10) days after that final action, file with the office of the clerk of the circuit or superior court of the county a copy of the redevelopment commission's resolution and the person's remonstrance against the resolution, together with the person's bond as provided by IC 34-13-5-7.

(b) An appeal under this section shall be promptly heard by the court without a jury. All remonstrances upon which an appeal has been taken shall be consolidated and heard and determined within thirty (30) days after the time of filing of the appeal. The court shall decide the appeal based on the record and evidence before the redevelopment commission, not by trial de novo, and may confirm the final action of the redevelopment commission or sustain the remonstrances. The judgment of the court is final and conclusive, unless an appeal is taken as in other civil actions.

Sec. 17. (a) An allocation provision adopted under section 15 of this chapter must:

- (1) apply to the entire certified technology park; and
- (2) require that any property tax on taxable property subsequently levied by or for the benefit of any public body entitled to a distribution of property taxes in the certified technology park be allocated and distributed as provided in subsections (b) and (c).
- (b) Except as otherwise provided in this section, the proceeds of the taxes attributable to the lesser of:
 - (1) the assessed value of the taxable property for the assessment date with respect to which the allocation and distribution is made; or
- (2) the base assessed value; shall be allocated and, when collected, paid into the funds of the respective taxing units.
- (c) Except as provided in subsection (d), all the property tax proceeds that exceed those described in subsection (b) shall be allocated to the redevelopment commission for the certified technology park and, when collected, paid into the certified technology park fund established under section 23 of this chapter.
- (d) Before July 15 of each year, the redevelopment commission shall do the following:
 - (1) Determine the amount, if any, by which the property tax proceeds to be deposited in the certified technology park fund will exceed the amount necessary for the purposes described in section 23 of this chapter.
 - (2) Notify the county auditor of the amount, if any, of excess tax proceeds that the redevelopment commission has determined may be allocated to the respective taxing units in the manner prescribed in subsection (c). The redevelopment commission may not authorize an allocation of property tax proceeds under this subdivision if to do so would endanger the interests of the holders of bonds described in section 24 of this chapter.
- (e) Notwithstanding any other law, each assessor shall, upon petition of the redevelopment commission, reassess the taxable property situated upon or in, or added to, the certified technology park effective on the next assessment date after the petition.
- (f) Notwithstanding any other law, the assessed value of all taxable property in the certified technology park, for purposes of tax limitation, property tax replacement, and formulation of the

budget, tax rate, and tax levy for each political subdivision in which the property is located is the lesser of:

- (1) the assessed value of the taxable property as valued without regard to this section; or
- (2) the base assessed value.

Sec. 18. (a) A redevelopment commission may, by resolution, provide that each taxpayer in a certified technology park that has been designated as an allocation area is entitled to an additional credit for taxes (as defined in IC 6-1.1-21-2) that, under IC 6-1.1-22-9, are due and payable in May and November of that year. One-half (1/2) of the credit shall be applied to each installment of property taxes. This credit equals the amount determined under the following STEPS for each taxpayer in a taxing district that contains all or part of the certified technology park:

STEP ONE: Determine that part of the sum of the amounts under IC 6-1.1-21-2(g)(1)(A) and IC 6-1.1-21-2(g)(2) through IC 6-1.1-21-2(g)(5) that is attributable to the taxing district. STEP TWO: Divide:

- (A) that part of the county's total eligible property tax replacement amount (as defined in IC 6-1.1-21-2) for that year as determined under IC 6-1.1-21-4 that is attributable to the taxing district; by
- (B) the STEP ONE sum.

STEP THREE: Multiply:

- (A) the STEP TWO quotient; by
- (B) the total amount of the taxpayer's taxes (as defined in IC 6-1.1-21-2) levied in the taxing district that would have been allocated to the certified technology park fund under section 17 of this chapter had the additional credit described in this section not been given.

The additional credit reduces the amount of proceeds allocated and paid into the certified technology park fund under section 17 of this chapter.

- (b) The additional credit under subsection (a) shall be:
 - (1) computed on an aggregate basis of all taxpayers in a taxing district that contains all or part of a certified technology park; and
 - (2) combined on the tax statement sent to each taxpayer.
- (c) Concurrently with the mailing or other delivery of the tax statement or any corrected tax statement to each taxpayer, as required by IC 6-1.1-22-8(a), each county treasurer shall for each

tax statement also deliver to each taxpayer in a certified technology park who is entitled to the additional credit under subsection (a) a notice of additional credit. The actual dollar amount of the credit, the taxpayer's name and address, and the tax statement to which the credit applies must be stated on the notice.

- (d) Notwithstanding any other law, a taxpayer in a certified technology park is not entitled to a credit for property tax replacement under IC 6-1.1-21-5.
- Sec. 19. (a) The state board of accounts and department of local government finance shall make the rules and prescribe the forms and procedures that the state board of accounts and department of local government finance consider appropriate for the implementation of an allocation area under this chapter.
- (b) After each general reassessment under IC 6-1.1-4, the department of local government finance shall adjust the base assessed value one (1) time to neutralize any effect of the general reassessment on the property tax proceeds allocated to the certified technology park fund under section 17 of this chapter.
- Sec. 20. (a) After entering into an agreement under section 12 of this chapter, the redevelopment commission shall send to the department of state revenue:
 - (1) a certified copy of the designation of the certified technology park under section 11 of this chapter;
 - (2) a certified copy of the agreement entered into under section 12 of this chapter; and
 - (3) a complete list of the employers in the certified technology park and the street names and the range of street numbers of each street in the certified technology park.

The redevelopment commission shall update the list provided under subdivision (3) before July 1 of each year.

- (b) Not later than sixty (60) days after receiving a copy of the designation of the certified technology park, the department of state revenue shall determine the gross retail base period amount and the income tax base period amount.
- Sec. 21. Before the first business day in October of each year, the department of state revenue shall calculate the income tax incremental amount and the gross retail incremental amount for the preceding state fiscal year for each certified technology park designated under this chapter.
- Sec. 22. (a) The treasurer of state shall establish an incremental tax financing fund for each certified technology park designated under this chapter. The fund shall be administered by the treasurer

of state. Money in the fund does not revert to the state general fund at the end of a state fiscal year.

- (b) Subject to subsection (c), the following amounts shall be deposited during each state fiscal year in the incremental tax financing fund established for a certified technology park under subsection (a):
 - (1) The aggregate amount of state gross retail and use taxes that are remitted under IC 6-2.5 by businesses operating in the certified technology park, until the amount of state gross retail and use taxes deposited equals the gross retail incremental amount for the certified technology park.
 - (2) The aggregate amount of the following taxes paid by employees employed in the certified technology park with respect to wages earned for work in the certified technology park, until the amount deposited equals the income tax incremental amount:
 - (A) The adjusted gross income tax.
 - (B) The county adjusted gross income tax.
 - (C) The county option income tax.
 - (D) The county economic development income tax.
- (c) Not more than an aggregate total of five million dollars (\$5,000,000) may be deposited in a particular incremental tax financing fund for a certified technology park over the life of the certified technology park.
- (d) On or before the twentieth day of each month, all amounts held in the incremental tax financing fund established for a certified technology park shall be distributed to the redevelopment commission for deposit in the certified technology park fund established under section 23 of this chapter.
- Sec. 23. (a) Each redevelopment commission that establishes a certified technology park under this chapter shall establish a certified technology park fund to receive:
 - (1) property tax proceeds allocated under section 17 of this chapter; and
 - (2) money distributed to the redevelopment commission under section 22 of this chapter.
- (b) Money deposited in the certified technology park fund may be used by the redevelopment commission only for one (1) or more of the following purposes.
 - (1) Acquisition, improvement, preparation, demolition, disposal, construction, reconstruction, remediation, rehabilitation, restoration, preservation, maintenance, repair,

furnishing, and equipping of public facilities.

- (2) Operation of public facilities described in section 9(2) of this chapter.
- (3) Payment of the principal of and interest on any obligations that are payable solely or in part from money deposited in the fund and that are incurred by the redevelopment commission for the purpose of financing or refinancing the development of public facilities in the certified technology park.
- (4) Establishment, augmentation, or restoration of the debt service reserve for obligations described in subdivision (3).
- (5) Payment of the principal of and interest on bonds issued by the unit to pay for public facilities in or serving the certified technology park.
- (6) Payment of premiums on the redemption before maturity of bonds described in subdivision (3).

- (8) Reimbursement of the unit for expenditures made by it for public facilities in or serving the certified technology park.
- (9) Payment of expenses incurred by the redevelopment commission for public facilities that are in the certified technology park or serving the certified technology park.
- (c) The certified technology park fund may not be used for operating expenses of the redevelopment commission.
- Sec. 24. (a) A redevelopment commission may issue bonds for the purpose of providing public facilities under this chapter.
 - (b) The bonds are payable solely from:
 - (1) property tax proceeds allocated to the certified technology park fund under section 17 of this chapter;
 - (2) money distributed to the redevelopment commission under section 22 of this chapter;
 - (3) other funds available to the redevelopment commission; or
 - (4) a combination of the methods stated in subdivisions (1) through (3).
- (c) The bonds shall be authorized by a resolution of the redevelopment commission.
- (d) The terms and form of the bonds shall be set out either in the resolution or in a form of trust indenture approved by the resolution.
 - (e) The bonds must mature within fifty (50) years.
- (f) The redevelopment commission shall sell the bonds at public or private sale upon such terms as determined by the

redevelopment commission.

- (g) All money received from any bonds issued under this chapter shall be applied solely to the payment of the cost of providing public facilities within a certified technology park, or the cost of refunding or refinancing outstanding bonds, for which the bonds are issued. The cost may include:
 - (1) planning and development of the public facilities and all related buildings, facilities, structures, and improvements;
 - (2) acquisition of a site and clearing and preparing the site for construction;
 - (3) equipment, facilities, structures, and improvements that are necessary or desirable to make the public facilities suitable for use and operation;

SECTION 388. [EFFECTIVE UPON PASSAGE] (a) This SECTION applies to any provision of this act that provides that an appropriation, including any part of an appropriation, is automatically allotted.

- (b) It is the intent of the general assembly that the appropriation be distributed or otherwise expended in conformity with the appropriation as provided by this act or, in the absence of a provision concerning the time of its expenditure, as soon as possible after the effective date of the SECTION of this act describing the appropriation.
- (c) Notwithstanding IC 4-9.1-1-7 or any other law granting power to the state board of finance or another entity or official in the executive department of state government to transfer money among funds or between appropriations, money related to the appropriation may not be transferred for any purpose other than the purposes described in the SECTION of this act describing the appropriation and may not be used for any appropriation other than the appropriations described in that SECTION.

 - (2) in the absence of a specific date or event for allotment, on the effective date of the SECTION describing the appropriation.

An appropriation automatically allotted for one (1) quarter of a

state fiscal year and not fully expended in that quarter remains allotted for expenditure throughout that state fiscal year.

- (f) Notwithstanding any law giving discretion to any official to determine when to expend or distribute money appropriated by the general assembly, the state shall expend or distribute the amount of the automatically allotted appropriation as provided in the SECTION describing the appropriation or, in the absence of provisions in the SECTION concerning distribution, upon allotment. However:
 - (1) ADA flat grant distributions to school corporations shall be made in equal amounts at the times and in the manner that tuition support distributions are made;
 - (2) distributions for salary increases shall be made in equal amounts at the times and in the manner that other compensation is paid;

Sec. 7. As used in this chapter, "obligation" means an obligation to pay:

- (1) the principal and interest on loans or bonds;
- (2) lease rentals on leases; or
- (3) any other contractual obligation;

payable from tax increment revenues. The term includes a guarantee of payment from tax increment revenues if other revenues are insufficient to make a payment.

Sec. 8. As used in this chapter, "property taxes" means:

- (1) property taxes, as defined in:
 - (A) IC 6-1.1-39-5(g);
 - (B) IC 36-7-14-39(a);
 - (C) IC 36-7-14-39.3(c);
 - (D) IC 36-7-15.1-26(a);
 - (E) IC 36-7-15.1-26.2(c);
 - (F) IC 36-7-15.1-53(a);
 - (G) IC 36-7-15.1-55(c);
 - (H) IC 36-7-30-25(a)(3); or
 - (I) IC 36-7-30-26(c); or
- (2) for allocation areas created under IC 8-22-3.5, the taxes assessed on taxable tangible property in the allocation area.
- Sec. 9. (a) The governing body may impose a special tax in a year to pay amounts due on obligations of the governing body in the immediately succeeding year. The governing body may levy the

special tax on all property in the taxing district or taxing districts in which the allocation area is located. The special tax shall be certified before September 2 of each year to the fiscal officer of the taxing unit that designated the allocation area. The special tax shall be estimated and entered upon the tax duplicates by the county auditor and shall be collected and enforced by the county treasurer in the same manner as state and county taxes are estimated, entered, collected, and enforced.

- (b) As the special tax is collected by the county treasurer, it shall be transferred to the governing body that imposed the special tax and shall be accumulated and kept in the special fund for the allocation area and applied only for the purposes of this chapter.
- (c) The governing body shall determine the special tax levy for a year in the amount of the lesser of:
 - (1) the total payments due on the obligations of the governing body in the year minus the amounts the governing body estimates will be legally available to the governing body in the year to make the payments; and
 - (2) except as provided in subsection (d), the amount that will result from the imposition of a rate for the special tax levy that the county auditor estimates will cause the total tax rate in the taxing district in which the allocation area is located to be one hundred ten percent (110%) of the rate that would apply if the rate for the special tax levy were not imposed for the year.
- (d) If the allocation area is located in more than one (1) taxing district, the special tax levy amount determined under subsection (c)(2) shall be based on the taxing district that will, without consideration of the rate for the special tax levy, have the highest tax rate in the year in which the special tax levy is payable.
- (e) In estimating the amount legally available under subsection (c)(1), the governing body shall not consider the remedies referred to in section 10(b)(5) of this chapter.
- Sec. 10. (a) Before October 2 in a year, a governing body that has:
 - (1) imposed a special tax levy under section 9 of this chapter payable in the immediately succeeding year to raise revenue to pay amounts due on obligations of the governing body in the immediately succeeding year; and
 - (2) investigated its ability to employ all remedies available under the agreements establishing obligations of the governing body to provide sufficient funds to pay amounts

due on the obligations in the immediately succeeding year, including guarantees by a unit to apply revenues received under IC 6-3.5 or other sources toward the payment of the obligations;

may appeal to the department for emergency relief under this chapter to provide sufficient additional funds to pay amounts due on the obligations in the immediately succeeding year.

- (b) In the petition under this section, the governing body must state sufficient facts to demonstrate the following:
 - (1) The petitioner is a governing body.
 - (2) The petitioner established an allocation area before January 1, 2002.
 - (3) The holders of obligations payable from tax increment revenues from the allocation area received a pledge before January 1, 2003, of tax increment revenues to pay any part of the obligations due after December 31, 2002.
 - (4) A change in the determination of the assessed value of tangible personal property resulting from a change in the rules governing the assessment of tangible personal property in effect on January 1, 2001 (50 IAC 5.1; 50 IAC 4.2) causes the governing body to be unable to pay amounts due on the obligations of the governing body in the immediately succeeding year.
 - (5) The governing body has investigated its ability to employ all remedies available under the agreements establishing the obligations of the governing body to provide sufficient funds to pay amounts due on the obligations in the immediately succeeding year, including guarantees by a unit to apply revenues received under IC 6-3.5 or other sources toward the payment of the obligations.
 - (6) The governing body has investigated the availability of all funds legally available to the governing body for the payment of amounts due on the obligations of the governing body in the immediately succeeding year, including funds derived from the denial of all or a part of an additional credit to taxpayers in the allocation area.
 - (7) The governing body has reasonably determined that refinancing one (1) or more of the obligations of the governing body is not an economically feasible means of providing sufficient funds to pay amounts due on the obligations in the immediately succeeding year.
 - (8) The governing body has made reasonable efforts to limit

its use of the special fund for the allocation area to appropriations for payments of amounts due on obligations of the governing body.

- (9) The balance in the special fund for the allocation area in the immediately succeeding year will be insufficient to pay amounts due on the obligations of the governing body in that year.
- (10) A property taxpayer located in any part in the allocation area was not the original purchaser and does not own any of the obligations of the governing body or rights to payment of any of the obligations.
- (11) The governing body is unable to provide sufficient funds to pay amounts due on the obligations of the governing body in the immediately succeeding year.
- (12) A copy of the petition has been served on the executive of each taxing unit in which any part of the allocation area is located.
- (13) The governing body at the time of issuance of the obligations:
 - (A) reasonably estimated that the revenue legally available to pay the obligations would be adequate to pay the obligations over the term of the obligations; and
 - (B) pledged as additional security for the payment of the obligations a reasonable amount of coverage of revenue legally available in excess of the amount necessary to pay the obligations.
- (14) The number of subsequent years the governing body estimates it will appeal under this section.
- Sec. 11. The department shall conduct a hearing on the petition in the county where the allocation area is located. At the hearing, the petitioner and any other person may submit any information relevant to the determination of the issues raised in the petition.
- Sec. 12. (a) If, after the hearing and upon consideration of all of the factors referred to in section 10(b) of this chapter, the department determines that the requirements of this chapter have been met, the department may order any of the emergency relief described in section 13 of this chapter for a period not to exceed the immediately succeeding five (5) years. An award of relief shall not preclude a governing body from petitioning the department for additional relief under this chapter after the expiration of the initial period for which relief was granted.
 - (b) A recipient of relief under this chapter shall provide

EH 1001(ss)—LS 6004/DI 51

certification to the department on an annual basis that certifies the continued existence of each of the factors listed in section 10(b) of this chapter.

- (c) The amount of emergency relief ordered under this section may not exceed:
 - (1) the amount the governing body is obligated to pay on obligations during the years for which relief is requested; minus
 - (2) the sum of:
 - (A) the amount, if any, of the special tax levy under section 9 of this chapter payable in the years for which relief is requested; and
 - (B) the amount of the remedies available to the governing body under the agreements establishing obligations of the governing body.
- Sec. 13. The department may adjust the base assessed value in the allocation area.".

(a) "Unitary business" means business activities or operations that are of mutual benefit, dependent upon, or contributory to one another, individually or as a group, in transacting the business of a financial institution. The term may be applied within a single legal entity or between multiple entities and without regard to whether each entity is a corporation, a partnership, a limited liability company, or a trust, provided that each member is either a holding company, a regulated financial corporation, a subsidiary of either, a corporation that conducts the business of a financial institution under IC 6-5.5-1-17(d)(2), or any other entity, regardless of its form, that conducts activities that would constitute the business of a financial institution under IC 6-5.5-1-17(d)(2) if the activities were conducted by a corporation. The term "unitary group" includes those entities that are engaged in a unitary business transacted wholly or partially within Indiana, However, the term does not include **including** an entity that does not transact business in Indiana.

- (b) Unity is presumed whenever there is unity of ownership, operation, and use evidenced by centralized management or executive force, centralized purchasing, advertising, accounting, or other controlled interaction among entities that are members of the unitary group, as described in subsection (a). However, the absence of these centralized activities does not necessarily evidence a nonunitary business.

- (b) As used in this section, "qualified increased tax costs" means the greater of:
 - (1) the difference between the:
 - (A) total taxes due and payable by a public utility under IC 6-2.1 for a particular taxable year for providing retail public utility service; minus
 - (B) total taxes due and payable by a public utility under IC 6-2.1 for the taxable year immediately preceding the taxable year described in clause (A) for providing retail public utility service; or

- (c) As used in this section, "retail public utility service" means public utility service furnished to a customer for ultimate consumption, but does not include wholesale public utility service furnished by a public utility to a purchaser for resale.

(d) As used in this section, "retail rate adjustment mechanism"

means a:

- (1) tracking provision;
- (2) surcharge provision; or
- (3) similar mechanism or provision; approved by the commission to periodically adjust a public utility's rates and charges for retail public utility service to allow for the recovery of certain costs.
- (e) Upon the petition of a public utility, the commission shall allow the public utility to recover through a retail rate adjustment mechanism qualified increased tax costs if the public utility provides substantial documentation of the qualified increased tax costs in a form prescribed by the commission.
- (f) Recovery of qualified increased tax costs under this section does not preclude inclusion of the qualified increased tax costs in a public utility's basic rates and charges in subsequent rate proceedings. Any qualified increased tax costs subsequently recovered in the public utility's basic rates and charges may not also be recovered through the retail rate adjustment mechanism under this section.
- (g) A retail rate adjustment mechanism proposed by a public utility under this section may be based on actual or forecasted taxes due and payable under IC 6-2.1 for a particular taxable year. If forecasted taxes are used, the retail rate adjustment mechanism must contain a reconciliation mechanism to correct any variance between the public utility's forecasted qualified increased tax costs and the public utility's actual increased tax costs in providing retail public utility service.  - (2) is not considered a general increase in the basic rates and charges of the public utility.
- (i) When applicable, the commission shall make any adjustments to a public utility's expense tests and return tests during the twelve (12) month test period considered by the commission in an application under section 42(d) or 42(g) of this chapter or under IC 8-1-13-30(d), whichever applies, necessary to permit the public utility to retain the revenues resulting from a

retail rate adjustment mechanism approved by the commission under this section.".

- (b) The tax increment replacement amount is the amount determined in STEP THREE of the following formula:

STEP ONE: The governing body shall estimate the amount of tax increment revenues it would receive in the next calendar year if the property tax replacement credits payable with respect to the general fund levies imposed by all school corporations with jurisdiction in the allocation area were determined under IC 6-1.1-21 as in effect on January 1, 2001. STEP TWO: The governing body shall estimate the amount of tax increment revenues it will receive in the next calendar year after implementation of the increase in the property tax credits payable under IC 6-1.1-21, as amended by the general assembly in 2002, with respect to general fund levies imposed by all school corporations with jurisdiction in the allocation

area.

STEP THREE: Subtract the STEP TWO amount from the STEP ONE amount.

- Sec. 12. (a) A tax is imposed each year on all taxable property in the district in which the governing body exercises jurisdiction.
- (b) Except as provided in subsections (c) and (d), the tax imposed under this section shall be automatically imposed at a rate sufficient to generate the tax increment replacement amount determined under section 11(b) of this chapter for that year.
- (c) The legislative body of the unit that established the district may:
 - (1) reduce the amount of the tax to be levied under this section; or
 - (2) determine that no tax should be levied under this section.
- (d) This subsection applies to a district in which the total assessed value of all allocation areas in the district is greater than ten percent (10%) of the total assessed value of the district. Except as provided in section 14(d) of this chapter, a tax levy imposed under this section may not exceed the lesser of:
 - (1) the tax increment replacement amount; or
 - (2) the amount that will result from the imposition of a rate for the tax levy that the department of local government finance estimates will cause the total tax rate in the district to be one hundred ten percent (110%) of the rate that would apply if the tax levy authorized by this chapter were not imposed for the year.
- Sec. 13. (a) A district described in section 12(d) of this chapter may appeal to the department of local government finance for a distribution from the property tax replacement fund if the district has imposed the maximum tax levy permissible under section 12(d) of this chapter.
- (b) The maximum amount of distribution under this section may not exceed the amount determined by subtracting the amount of the tax levied under section 12(d) of this chapter from the tax increment replacement amount determined under section 11(b) of this chapter.
- (c) An appeal under this section must be filed before September 20 of a year.
- Sec. 14. (a) The department of local government finance shall approve an appeal filed under section 13 of this chapter if the department determines that:
 - (1) the governing body's estimate of the tax replacement

amount under section 11 of this chapter is reasonable;

- (2) a tax levy in excess of the amount determined under section 12(d) of this chapter would:
 - (A) create a significant financial hardship on taxpayers residing in the district in which the governing body exercises jurisdiction;
 - (B) significantly reduce the benefits from the increase in the property tax credits payable under IC 6-1.1-21, as amended by the general assembly in 2002, with respect to general fund levies imposed by all school corporations with jurisdiction in the district; or
 - (C) have a disproportionate impact on small businesses or low income families or individuals; and
- (3) the governing body has made reasonable efforts to limit its use of the special fund for the allocation area to appropriations for payments of:
 - (A) the principal and interest on loans or bonds;
 - (B) lease rentals on leases;
 - (C) amounts due on other contractual obligations; and
 - (D) additional credits described in IC 8-22-3.5-10(a),
 - IC 36-7-14-39.5(c), IC 36-7-14.5-12.5(d)(5),
 - IC 36-7-15.1-26.5(e), IC 36-7-15.1-35(d), or IC 36-7-30-25(b)(2)(E).
- (b) The department shall make a final determination on an appeal filed under this section by November 1 of a year.
- (c) If the department approves an appeal filed under this section, it shall order a distribution from the property tax replacement fund in the amount determined under section 13(b) of this chapter in the same manner as distributions are made under IC 6-1.1-21-4.
- (d) If the department denies an appeal filed under section 13 of this chapter, or does not grant the maximum permissible distribution under section 13(b) of this chapter, the legislative body of the unit that established the district may increase the levy imposed under this chapter to an amount that, when combined with any distribution received under this chapter, does not exceed the tax increment replacement amount.
- Sec. 15. (a) A tax levied under this chapter shall be certified by the department of local government finance to the auditor of the county in which the district is located and shall be:
 - (1) estimated and entered upon the tax duplicates by the county auditor; and

- (2) collected and enforced by the county treasurer; in the same manner as state and county taxes are estimated, entered, collected, and enforced.
- (b) As the tax is collected by the county treasurer, it shall be transferred to the governing body and accumulated and kept in the special fund for the allocation area.
 - (c) A tax levied under this chapter:
 - (1) is exempt from the levy limitations imposed under IC 6-1.1-18.5; and
 - (2) is not subject to IC 6-1.1-20.
- (d) A tax levied under this chapter and the use of revenues from a tax levied under this chapter by a governing body do not create a constitutional or statutory debt, pledge, or obligation of the governing body, the district, or any unit."
